UPEI Alumni Association Outstanding Female Athlete of the Year

Tracy MacEachern

by Matthew Beardsley

UPEI CAPPED off its most successful athletic season ever with the annual athletic banquet which was held for the first time at the Rodd Royalty Inn.

Set behind a backdrop of three AUAA championship banners and a sea of trophies our finest athletes were paid tribute for their outstanding achievements.

Winning the UPEI Alumni association Female Athlete for the second consecutive year was Field Hockey and Basketball star Tracy MacEachern.

MacEachern, a fifth year senior, said that winning the award again was a great honor. "To win the award again especially with the outstanding athletes here at UPEI. That makes it all the more special."

Asked if she was surprised: "Yes when you consider the quality of the athletes, the high calibre of the athletes here. That's why it surprised me."

When asked to recall her fondest memory of her athletic career at UPEI

MacEachern had this to say: "Oh, it has to be the people, the coaches, my fellow teammates, the great fans. My time here has been the most wonderful time of my life."

A clumsy kid when she first came to the island, five years later her list of accomplishments speaks for itself. Sport PEI all around female athlete of the year 1985-86, 1986-87. UPEI Alumni Association outstanding female athlete of the year 1986-87, 1987-88. All conference in Field Hockey five straight years, 1983-1988. Field Hockey MVP for the past four years. Womens Basket-

ball most dedicated player for the past three years. AUAA first team all star in 1986-87 in Basketball. AUAA Tournament MVP 1986-87. Second team all-star 1987-88. Two AUAA Womens Basketball titles.

I join everybody at the university in wishing you success in your future endeavours. We hope that whatever you do you enjoy as much success as you've had here at UPEI.

The UPEI Alumni Association Outstanding Male Athlete of the year was a tie. It was shared by Basketball star Peter Gordon and Hockey all-star Tony Haladuick.

Tony Haladuick, a fourth year senior was also voted Hockey Team MVP. Haladuick's stats speak for themselves. The most wins in the AUAA, best GAA in Canada, most shutouts in the AUAA.

Its hardly a coincidence that during Haladuicks four years at UPEI the hockey team has won the AUAA three times. Voted all conference in his first and last years, Haladuick always provided the big save when it was needed.

Who will ever forget the SAVE. 1984 finals under ten minutes left in the third period. Current NHLer

Gordon/Haladuick

Claude Vilgrain on a break away. Vilgrain went for the top corner only to see the puck disappear into Tony's glove. Arguably the best clutch save ever witnessed by a crowd at the forum.

Peter Gordon in only his second year at UPEI led the Panthers to their second AUAA title in three years.

Gordon also received AUAA first team all-star honors as well as being an honorable mention all Canadian. At the recent CIAU championships in Hal-

MacEachern wins award
