The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Excessive or painful Menstruation, Green Sticks, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, Pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect a cure in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.
