Workmanship Guaranteed.

Let us explain to you the advantages of buying Shorey's ready-to-wear clothing. We will try to do it as briefly as possible.

This make has a guarantee card in the pocket of each garment guaranteeing the workmanship to the fullest extent. This is worth money to you.

The cloth in Shorey's clothing is all sponged and shrunk and will not spot with the rain or shrink. This means a saving of money and increase in comfort.

Many of their lines are waterproofed by the wonderful Rigby process, and this without extra charge.

Rigby waterproof cloth feels, looks and handles the same as unproofed goods. The only way you can tell that a Rigby garment is waterproof is that it will not get wet. The cloth remains porous so that it will admit the air but keeps out the rain.

Their boys' and children's goods are made to stand the strain that boys give them. As boys are pretty much all alike, you will understand what this means.

BOSTON IS IMPREGNABLE—General Merritt, in an interview before he left Boston, said: "Boston harbor, in case of attack by a hostile fleet, will certainly be the most superbly defended place in the United States. It will be simply impregnable, and as nearly perfect, so far as fortifications are concerned, as it is possible to make it."

A foul breath is one of the greatest afflictions that a man or woman can have. An affliction not only to themselves, but to those with whom they come in contact. A foul breath is a great discourager of affection. It would probably be more so if people only realized what bad breath means. Bad breath is one of the symptoms of constipation. Some of the other symptoms are sour stomach, loss of appetite, sick and bilious headache, dizziness, heartburn and distress after eating. These things mean indigestion. They lead to dyspepsia and worse things. They all start with constipation, and no constipation is inexcusable because it can be cured—cured easily, quickly and permanently, by the use of Dr. Pierce's Pleasant Pellets. They give to nature just the little help that she needs. There is no case of biliousness, constipation, indigestion, heartburn, or any of the rest of the night-mare breeding brood, that these little Pellets will not cure.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. A.

A well dressed man or boy respects himself and commands the respect of others. Dressed in Shorey's clothing he looks and feels that he is well dressed, which makes him feel twice the man that he would in an ill made and badly fitting suit of clothes.

You may be told that some other make of clothing is as good as Shorey's, but do not allow yourself to be fooled because some one wants to make an extra profit out of you.

Ask for and see that you get Shorey's clothing, and take no other.

We enclose you a copy of the guarantee card which is put in the pockets of all our garments. If you do not find this in the pockets of clothing shown you, you are not looking at Shorey's goods. No other make of ready-to-wear clothing in Canada will give a guarantee of workmanship with their goods.

We hope you will remember these points and make use of them when buying.
