The Delineator for May

The May *Delineator*, with a complete display, pictorial and descriptive, of the latest Spring fashions, contains a wealth of suggestion for those who wish to be smartly gowned, and many other features of interest to women. Hon. Justice David J. Brewer contributes an article on "Woman in the Professions" in which he comments on the significance of the fact that the status of women has changed in the last half century. Miss Winslow's club story, "The President of Quex," drawing near its end, deepens in interest, and the author supplements the installment with a chapter on "Cult Women and the Child Labor Question." In "Famous American Songs," Gustav Kobbé gives the story of the origin of the popular air, "Ben Bolt," and in an interesting historical sketch of Annapolis, Hester D. Richardson vividly pictures the romantic interest attached to the spot where the body of John Paul Jones is to rest. Florence Rockwell writes her experiences in playing Shaksperian rôles and speaks of the need of a national theatre. A very Abbott and Juliette B. G. Towne contribute short stories for older folks, and Alice Brown a fairy tale for the little ones. There are other features to delight young folks, including a chapter in the serial, "Sunlight and Shadow" and past-times by Lina Beard. In the "Campaign for Safe Foods" Mary Hinman Abel writes of coloring matters and commercial cheats, and the pages devoted to the household are full of suggestion for the kitchen with many other helpful hints to the housewife.

USED UP AND TIRED OUT MEN AT THE OFFICE WOMEN IN THE HOME CHILDREN AT SCHOOL

Every day in the week and every week in the year men, women and children feel all used up and tired out. The strain of business, the cares of home and social life and the task of study cause terrible suffering from heart and nerve troubles. The efforts put forth to keep up to the modern "high pressure" mode of life in this age soon wears out the strongest system, shatters the nerves and weakens the heart. Thousands find life a burden and others an early grave. The strain on the system causes nervousness, palpitation of the heart, nervous prostration, sleeplessness, faint and dizzy spells, skip beats, weak and irregular pulse, smothering and sinking spells, etc. The blood becomes weak and watery and eventually causes decline.

Milburn's Heart and Nerve Pills

are indicated for all diseases arising from a weak and debilitated condition of the heart or of the nerve centres. Mrs. Thos. Hall, Keldon, Ont., writes: "For the past two or three years I have been troubled with nervousness and heart failure, and the doctors failed to give me any relief. I decided at last to give Milburn's Heart and Nerve Pills a trial, and I would not now be without them if they cost twice as much. I have recommended them to my neighbors and friends." Milburn's Heart and Nerve Pills 50 cts. per box or \$ for \$1.25, all dealers, or The T. Milburn Co., Limited, Toronto, Ont.

Muskoka Free Hospital for Consumptives

No effort is being spared to meet every call. . . .
 Not a single applicant has ever been refused admission to the Free Hospital because of his or her poverty,

NEW PATIENTS ON WAY TO HOSPITAL.

and the anxiety of the trustees to keep none waiting is shown in the decision reached a few weeks ago to increase the accommodation by twenty-five beds.

This increase in patients will add heavily to the burden of maintenance and can only be covered by increased generosity on the part of friends in all parts of Canada. Patients have been admitted from every Province in the Dominion, and it is with confidence in the response to our appeals, that the trustees believe will come from Canadians everywhere, that these additional burdens have been assumed.

Where a cause more urgent? Where a greater call to help suffering Canadians? Where will your money do more good?

Contributions may be sent to Sir Wm. R. Meredith, Kt., Chief Justice, Osgoode Hall, Toronto, or W. J. Gage, Esq., 54 Front St. W.
