It is the earnest desire of the manufacturers of Lactated Food that every mother in Canada should have an opportunity of testing its many good qualities. Those kinds of loving mothers have strongly testified that Lactated Food has no equal for the nourishment and strengthening of babies. This strong proof should be sufficient evidence for all mothers who have not yet used the great food. The manufacturers of Lactated Food, in order to prove that their food is the best in the world, will send to the mother of any child a full sized can FREE, if application is made for it.

Mothers, give Lactated Food a fair and honest trial if your baby is weak, puny and delicate. Use the food for a couple of weeks and your heart will rejoice at baby's improvement.

The Massachusetts legislature has rejected the bill prohibiting the placing of insurance on the life of any child under 10 years of age. It transpired during the debate that 100,000 infants were insured in Massachusetts last year.

Glad Tidings of Great Joy

There could be no gladder tidings than news of a cure for consumption. Miller's Emulsion of Cod Liver Oil cures consumption and every disease of the lungs and respiratory organs. Why? Because it supplies new blood to the exhausted system, thus giving a new lease of life. Miller's Emulsion is made from the Oil of the Norwegian Cod Liver, and in conjunction with hypophosphites of lime and soda forms the greatest fertilizer of the age. Miller's Emulsion is the great nerve strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrofula and all Lung affections. In big bottles, 50c and \$1, at all drug stores.

Saved His Life.

"I now weigh nearly 200 pounds," said a fine, robust looking man the other day, and yet this same man was given up to die of consumption less than two years ago. What cured him? Miller's Emulsion of Cod Liver Oil did. He took it when at a low ebb, when his weight was less than 100 pounds. It created new blood for him and that combined with will power raised him up to a life of usefulness and happiness. If you are threatened with consumption or any lung trouble try Miller's Emulsion of Cod Liver Oil. Miller's Emulsion is the great nerve strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrofula, and all Lung affections. In big bottles, 50c, and \$1, at all Drug Stores.

**20 YEARS OF SUFFERING.**  
**20 Failures to Cure**

For 20 years I suffered the torments of the damned with blind and itching piles. Had I known of any cure I would not have hesitated to have given hundreds of dollars to obtain it. I followed the instructions of an eminent physician in using syringe treatments. I used Fowler's Pile Cure and 20 others of different kinds. From some a little relief was gained, but nothing approached a cure. I was about resigned to the fate of having to pass through an almost uninterrupted course of suffering so long as I lived, when Chase's Ointment was brought to my notice. The statements in regard to it were so strong and bore with them a sense of conviction sufficient to overcome my skepticism in regard to its being no better than the rest. I used it with the result of receiving immediate relief and permanent cure. For weeks and weeks I was fearfully afraid of a return to misery, but it did not occur. I started using Chase's Ointment, hoping for relief, and realized a cure that is permanent. I do not believe there ever was a worse case of blind and itching piles than mine, which leads me to think there is not a case to be recorded that Chase's Ointment will not cure.

Yours truly,

**THE KENT CASE.**

Physicians Universally Admit the Diagnosis to have been Correct.

OTTAWA, April 22.—The diagnosis in the case of Mr. G. H. Kent, of this city, whose recovery from Bright's disease by the use of Dodd's Kidney Pills has been so extensively chronicled appears to have been a very correct one. The swelling of the body and extremities to an abnormal size, the fearful convulsions and subsequent insensibility, the racking pains, the formation of the hard ridges across the ribs of the stomach and the great loss of albumen are all symptoms of this terrible disease, and it is universally admitted by all who have been approached on the subject that the case was unusual in its character. It is also universally admitted that he owes his restored health to the above mentioned remedy.

It is a powerful remedy for Palpitation, Shortness of Breath, Smothering Spells, Pain in Left Side and all symptoms of a Diseased Heart. One dose convalesces. Sold by S. W. Dodd.

If too rapid eating causes dyspepsia, and it in its turn produces nervous exhaustion, debility, weakness, anaemia, etc. the first step in effecting a cure is to eat slowly. The second and most important is to take a course of Hawker's nerve and stomach tonic, which aids the process of digestion, invigorates the stomach, renews the vitality of the blood, relieves brain fatigue, and makes weak nerves strong.
