## CHRISTMAS AND EXAM CARE PACKAGES ARE COMING

Information for Students from away and far far away, (that means international) and those students staying in residence for the holidays. Ask your family and friends to send care packages early; we do not have campus mail during the Christmas holidays.

A funny thing is happening when parcels arrive UPS. There is a whopping request for money. Last week a party gown arrived for a student by UPS. It wasn't new, but a value of \$200 was put on the customs declaration. The cost was \$14 GST and \$23 dollars UPS brokerage fee and then the GST on the service of brokerage was \$1.61.

**ADVICE:** Ask them not to send UPS. If there is a value on the item GST has to be added. UPS charges a brokerage fee of 20 - 30 dollars to collect the GST. And then to add insult upon injury there is a GST charge for the cost of the brokerage. It is considered a service not a rip off.

I spoke to Canadian Customs regarding this. UPS will not link with any Canadian Agent so that you can act as your own broker. If you have a bonafide student visa You can claim the GST but there is a 9 month waiting time on credits. You cannot get a credit for the brokerage fee.

**MORE ADVICE:** Document, document. Make sure that parcels come with the information that you are on a student visa, perhaps even include your number, that the items are personal or used, or a gift. BE SPECIFIC. You are allowed gifts up to \$50 without Canadian duty.

When Courier packages arrive Mommabear will go to great lengths to find you. I e-mail Bob Pritchett so that he can contact you by voice mail. I will e-mail you also, until arrangements can be made for pickup or delivery. L&H Yogi
