TEST YOUR PLAY

West hand at Three Notrump. North leads the jack of spades. How would you play the hand?

1. You are declarer with the West hand at Six Clubs. North leads the jack of spades on which dummy plays the queen and South the king. How would you play the hand?

2. Assuming that North has the spade length, which is likely, there is a sure way of making the contract. Play the queen from dummy. If the queen holds, lead a low heart and finesse the nine. Win or lose, you are certain of at least nine tricks—a spade, four hearts, a diamond and three clubs.
