CURRENCIES

MONTREAL (CP)—The U.S. dollar in terms of Canadian funds was unchanged at $1.08 1-32.

Pound sterling was up 1-16 at $3.02 5-16.

NEW YORK

NEW YORK (AP)—Railway shares took sharp losses because of a renewed threat of a railstrike but gains by other sections of the list kept the stock market on an even keel Monday. Trading was moder-ately active.

The new danger of a rail walkout saw some of the lead-ing carriers fall a point or more. A spate of late buying near the end, however, re-paired some of the damage and the worst that could be said for stocks as a whole was that they were mixed.

The Dow Jones industrial average nudged to a new peak of 816.48 with a gain of .36.

In the over-all list of 1,363 issues traded gainers outnum-bered losers by the narrow margin of 549 to 542.

Copper stocks made renewed gains amid widening reports of price increases for the metal. Cigarette issues rallied following additional reports that cig-arette sales, which fell sharply following the U.S. government report on smoking and health, were recovering.

Volume was 5,160,000 shares compared with 5,670,000 Friday.

AVERAGE FALLS

The Associated Press aver-age of 60 stocks fell .6 to 201.4 with industrials up .7 to a record high, rails down ¾ and utilities off .8.

Chrysler was the most active stock losing 1¼ at 46⅝ on 105,-900 shares as profits were taken on its strength of last week.

Among Canadian issues traded, Walker Gooderham rose 1¼, Dome Mines 1¼, Granby Mining ½ and Cana-dian Pacific and International Nickel ¾ apiece. Aluminium Ltd. and Distillers Seagrams each lost ¾.

Prices were mixed on the American Exchange. Volume was 1,390,000 shares compared with 1,560,000 Friday. Canadian Javelin, Jupiter Corp. and Scurry Rainbow Oil each lost ¼ while Molybdenite lost 1-16.
