

Both Games In Garrison Hockey League End In 4-All Draws At Forum

In a double hockey bill at the Forum last night in Garrison Hockey League play, the Army and Navy teams battled it out to a 4-4 draw while 17th Reece and Souris (F. Troop) repeated the performance in the final encounter on the program.

Both games came up with plenty of rugged hockey and keen competition that provided lots of action for attending fans and gives plenty of promise for the league developing into a tightly contested loop that will provide a thrill a minute.

An hour and a half of skating after the games, to the music of the 17th Reece Band, topped off a full evening of entertainment.

First Game

In the opening encounter between Army and Navy, the khaki-clad pucksters, led by a fast-skating Ronnie Nicholson, jumped into an early first period lead with two goals only to see the Tars come roaring back in the second session to outscore Army three to one to deadlock the score 3-3 by the end of the frame. Notching up one more piece in the final chapter, neither were able to fire a winning marker to break the deadlock.

Ronnie Nicholson was the big gun for the Army with two goals and an assist while Walton and McInnis accounted for the other two counters with MacNeill picking up two assists and Walton one.

Stewart was the leading goal-getter for Navy with a brace while Judson and Doyle picked up one each, with Larter, Connolly, Doyle, Caldwell and Clark picking up assists.

Reece and Souris Play to 4-4 Draw

In the final clash of the night Reece and Souris also battled to a 4-4 deadlock with Reece holding a 2-1 edge at the end of the first frame, Souris getting the only marker in the second frame to tie it up, and both shooting a brace more in the closing period to end the scoring for the night.

It was a roaring finish that the two clubs put on. With the score deadlocked at 3-3 in the closing minutes of the game, Reece went out in front by one goal at the 18:55 mark to look like a winning team, but with only 20 seconds left in the game, defence-man Cliff McCormack fired home the tying marker for Souris.

Goal getters for Reece were Kelly, A. McAdam, Small and R. McAdam, with a marker each, while W. MacAdam, Kelly, Weatherie and MacRae picked up assists. M. McPhee and C. Jarvis were the big point-getters for Souris with a goal and an assist each, with J. Cheverie and C. McCormack notching the other two tallies and O. Cheverie picking up an assist.

The following are the lineups and summaries—

Father McGuigan's S.D.U. Squad Took Over Undisputed Possession Of First Place In The Young Physical Fitness Basketball League

The win leaves the Saints in first place two points up on P.W.C. and Summerside R.C.A.F. with the winless Y.M.C.A. Ray's, and the yet unplayed Schurman's in a tie for the cellar position.

Play Opened Fast In The Initial Frame With The Y Missing Out On Numerous Scoring Chances By Inaccurate Shooting, Relying On Long Shots Which Just weren't Clacking.

The Saints' man-to-man defence paid off as they permitted no soft baskets to be scored while they in turn wasted no time in jumping to an early lead which they held throughout the half. The Hillmen hit for 39 percent of their shots in the period with the Y scoring on 24 percent. S.D.U. led at half time 28-20.

The second canto featured a large number of fouls which, though necessary, slowed the tempo somewhat. The Saints opened slowly, hold at bay for a time by the accurate passing of the Y squad, but this was their night and they were not to be denied as they took control to run up their lead in spite of some nice shooting on the part of rookie Klement Taylor and George Scantlebury. The Saints scoring on a tremendous 54 percent of their shots in the second half, outscored the Y 45-32, the triangle-men dumping in 33 percent.

Individual scoring honors for the night went to Jack Reardon with 25, while mate Fred Coyle added 14, and Peter Dunphy, who also played a terrific floor game got 17. The Y were led by George Scantlebury with 16 and buddies Klement Taylor and Keith Dalziel who scored ten apiece. Red Howatt played a sound defensive game for the Y in a losing cause.

Sport Echoes From Prince County

The Summerside Crystals Have Taken An Early Lead In The East Prince Intermediate "A" Hockey League

Only two games have yet been played, the first a tie between Borden and R.C.A.F. at Borden, and the second a win for the Crystals over Borden in Summerside. This gives the Crystals two points while the other two teams have one apiece. A total of 34 goals have been scored in the two games which seems to mean that attack has a big edge on defence in the newly organized E.P. League this year.

Gord MacKay was the big point-getter in the Summerside game. The speedy winger garnered a total of nine points on five goals and four assists. Gordie Kelly had seven assists to his credit while Emmett Trainer scored four markers and assisted once. Clint Howatt and his boy Tom led the Borden attack. The old man potted three goals and the offspring got himself a goal and two assists. Punt Outway scored twice, both times on very long shots.

By the way, does anyone know of any other case in organized hockey where a father and son played on the same team? Or even played on the same team? There was an exhibition game in Bedouque a few years ago in which Herb Schurman and his son Laysh played for a team, but we don't know of any such occurrence in organized hockey. Clint is not entirely free from the "middle-aged spread" but any fellow who can perform the hat trick working on the same line as his son and heir should get some kind of a medal for such an unusual performance.

A situation, not new to the game of hockey, came up in the Borden-Crystal game, and if anyone knows what can be done about it, we'd be glad to hear from him. This little bit of drama was enacted right in front of the penalty box where we were stationed, so we had a clear view of the whole proceedings. A Summerside player in the heat of battle was committing mayhem on Punt Outway of Borden, roughing the National defender considerably. The referee wasn't looking and as he turned around all he saw was Outway's stick raised in a threatening gesture. He put the Borden player off for high sticking and the Summerside puckster got off scot free. Naturally the Borden team raised a rumpus, but the referee hadn't seen the Summerside player commit an infraction and you can't call what you don't see.

The penalty was a costly one, Summerside scoring two goals while Outway was off. This didn't soothe Borden's feelings any and they have declared they won't play with referee Newcome officiating again. Newcome, being an R.C.A.F. man, certainly couldn't be accused of favoring the Crystals, but we sympathize with Borden and admit that their grievance was a real one. What to do?

This boy Harrison Ferguson looks as if he might make a hockey player. At least his showing in the Borden game was greatly improved over his practice workouts. Gordon Cutcliffe also looked much better. With competent coaching this big fellow might make a top-notch rearguardman. Roy "Chick" Gallant is one of the fastest skaters, trickiest stickers and hardest shots on the Crystal team. So far

his one weakness is his inability to stay on his feet after a body-check from or even a brush with the opposing defence. Of course he is small and the going is rough. If he could develop the quick, deceptive shift that many little men are masters of, he would be in more scoring plays.

And speaking of father and son acts, what's the matter with getting "Chick" Sr. back in the hockey game on a line with Roy, and see if they can't break the record the Howatts have just made. We wouldn't be a bit surprised if the two Chicks smashed that record into smithereens.

Halifax In 7-4 Victory Over Moncton

MONCTON, N. B., Jan. 17—(CP)—Halifax St. Mary's handed Moncton Hawks their eighth straight loss tonight, defeating the cellar-dwelling Moncton entry in the Maritime Senior Hockey League 7-4.

Sensational net minding by Eddie D'Aoust in the Halifax goal and inability of Hawks rearguard to clear the puck out of their own zone paved the way to victory for the Haligonians.

Hawks led 1-0 at the end of the first period and the teams were tied 3-3 at the end of the second. St. Mary's outscored the locals 4-1 in the final frame.

Bill Ford and Phil Digueur led the way for the Haligonians accounting for a pair of goals apiece. Other St. Mary's markers were Wally Black, George McGregor and Hughie Campbell. George James paced the Moncton scoring attack with a pair of tallies and other Hawk snipers were Mousie Dowling, and Joe Delmonte.

Highlight of the game was the net-minding of D'Aoust. Time and again Hawks were within scoring range only to have their shots turned aside. The Halifax goalie stopped 34 shots compared with 21 handled by Les Colvin in the Moncton cage.

St. Mary's played the last two periods without the services of defenceman Eddie Brown. He retired from the game in the first frame after aggravating an old knee injury.

Hawks were short defenceman Larry Dunville, who entered hospital today to undergo an appendectomy. He is expected to be absent from the lineup for at least a month. His loss leaves the Monctonians with only three regular defencemen.
