The current epidemic of flu and measles is keeping Dr. Dubucanac quite busy and he is obliged to call on many of his patients by horse and sleigh as the side roads have not yet been plowed out. The highway to Alberton is now open but is very narrow and rough throughout.

The shortage of hay among stock raisers is being keenly felt and it is expected that pressed hay will be imported in quantities. A late spring is expected which will add materially to the present shortage.

Micraeme or Mid-lent occurred on Thursday, March 20th, and there were a number making the usual surprise calls on their neighbours in fantastic dress. This quaint old custom which is practiced by Acadian families, consists of some person dressing in old garments as is done at Hallowe'en and calling on the young generation while distributing cakes, candies, sweets and hard-boiled eggs. It has been handed down by the older people and has been in vogue since since the first French settlers arrived on those shores in 1799.

At a meeting of Tignish Branch of the B. E. S. League held early in March, the subjects of incorporation and electricity were discussed and it was decided to hold an open meeting of interested citizens of the village in April to go into these matters more fully. Due notice of this meeting will be given and a full discussion of all matters pertaining to these probabilities will be looked forward to with interest. They are matters of much importance and the futherance of them may be of benefit to all. —G.U.

Clearstone HEARING AID

Here is the ultimate in hearing aid design and engineering. The Clearstone "700" is the closest approach yet to hearing aid perfection. It is the smallest hearing aid ever produced to capture the power of a 22½ volt battery. You'll be amazed to see how very small it is—smaller than ever before thought possible. You will appreciate the clearness and extra power designed to aid the most difficult cases. Now you can hear sounds more clearly . . . without distortion . . . without strain. Now you can wear your hearing aid hour after hour easily, comfortably . . . without fatigue. Match the Clearstone "700" with any hearing aid available today. Put them all to the same tests. You'll agree that the Clearstone "700" outperforms them all.

We carry most all sizes of Batteries and repair most aids. Please send make of Aid and number of Battery when ordering.
