"Why Some Succeed"

The shrewd advertiser
is the one who knows
how, when and where to advertise.
The merchants who
advertise in
THE EXAMINER
are not the men
to make mistakes,
as you can see for yourself.
But you may get the benefit
of their experience
by watching
how, when and where they advertise.
Some papers pay advertisers,
some do not,
many do not.
Only a few pay,
and they can be picked out
by the large amount of advertising they do.

YOU CAN DO IT NOW!

No More Failures.

Not until recently has it been possible to prepare a full line of colors adapted to coloring cotton and mixed goods and all materials for carpets, rugs and mats that could be fully depended on to hold their color when exposed to light and not to crock or fade. These colors are very valuable discoveries, and have only been given to the public after severe tests which proved them to be superior to all known dyes or dyestuffs.

The fast Diamond Dyes for cotton and mixed goods are the only dyes that can give satisfactory results in dyeing goods composed of silk and cotton, silk and wool, and cotton and wool. If you value time, money and success, insist that your dealer furnish you with the guaranteed Diamond Dyes.

HOOD'S Sarsaparilla has over and over again proved by its cures, when all other preparations failed, that it is the One True BLOOD Purifier.

Mothers

Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad

Cough

and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. A CALL TO WOMEN.

A Helper in Times of Trouble.

PAINE'S CELERY COMPOUND A BLESSING TO FEMALES OF EVERY AGE.

The Greatest Health-Builder and Strength-Giver of the Age.

SURE, QUICK AND PERMANENT CURES.

The greatest misfortune of the present generation is that the mothers and wives are so often unfitted for the duties of life, and for all domestic enjoyment, by reason of broken down health and overtasked systems.

The duties of women of all ages are often more worrying and wearing than the troubles met with by men. Social, household and often business cares press upon women very heavily. In this way the delicate nerves and sensitive organs become deranged, and life becomes a burden that many carry to the grave.

For all the special weaknesses that women are so apt to fall victims, medical science has provided Paine's Celery Compound. The wonderful tonic and building-up properties of this famed medicine have specific powers in correcting the disorders of the female organism; it maintains health, gives strength, vivacity and good looks, keeps the secretory system in perfect order, and imparts to the body the elasticity of early womanhood.

Mrs. Hopper, of Thornhill, Ont., briefly tells how she was restored to health and made a new woman. She says:

"With very great pleasure and satisfaction I wish to add my testimony to what has already been said in favor of Paine's Celery Compound. For a very long time I suffered from general debility and run-down system. Having heard of Paine's Celery Compound I determined to give it a trial, and I am happy to say it has done me more good than I can express. For ten years I doctored with other medicines without any good results; but after using Paine's Celery Compound I am perfectly restored to health, can eat well, digestion is good, and my sleep is sweet and sound. Altogether I am a new woman. I always recommend Paine's Celery Compound to my friends."

For Weak Backs, Lame Backs, Painful Backs or any kind of Bad Backs, Manley's Celery-Nerve Compound is the Great Back Strengthener.

Wm. Rogers, 5 Ottawa Street, Toronto, Ont., writes:—"For a number of years I have been troubled with a lame back. Some of the doctors I consulted called it Lumbago; others, Kidney Disease. I received no benefit from their treatment. Nine months ago I was lucky enough to try Manley's Celery-Nerve Compound, and, after taking two or three bottles, the pain entirely left me, and I have had no return of it for 8 months now."
