

JOCK TALK Mickey Place

Actually it was not ONLY the Brothers C. who played well in Saturday afternoon's 35-21 football romp over U.N.B.'s Red Bombers but we fancy the euphonious alliteration and could not resist the temptation to start off with it. We might observe that these Saugus High graduates come to us in a long line of players from that august institution. Long ago, in S.D.U. days, we were told by a friend who lives on the rock in Saugus that, if he walked down Main Street there on a Sunday morning, he would hear all the details of the game played in Charlottetown on the previous afternoon. We have a long tradition of players from that New England city and hope it will continue.

Our football Panthers evened their season record at 3-3 with the above-mentioned victory without too much difficulty in a contest that did not seem as close as the score would indicate, possibly because they jumped off to a 10-0 lead almost before the spectators had become safely ensconced in their seats. Caught behind his own goal line, the U.N.B. Q.B. was dumped so hard by Neal

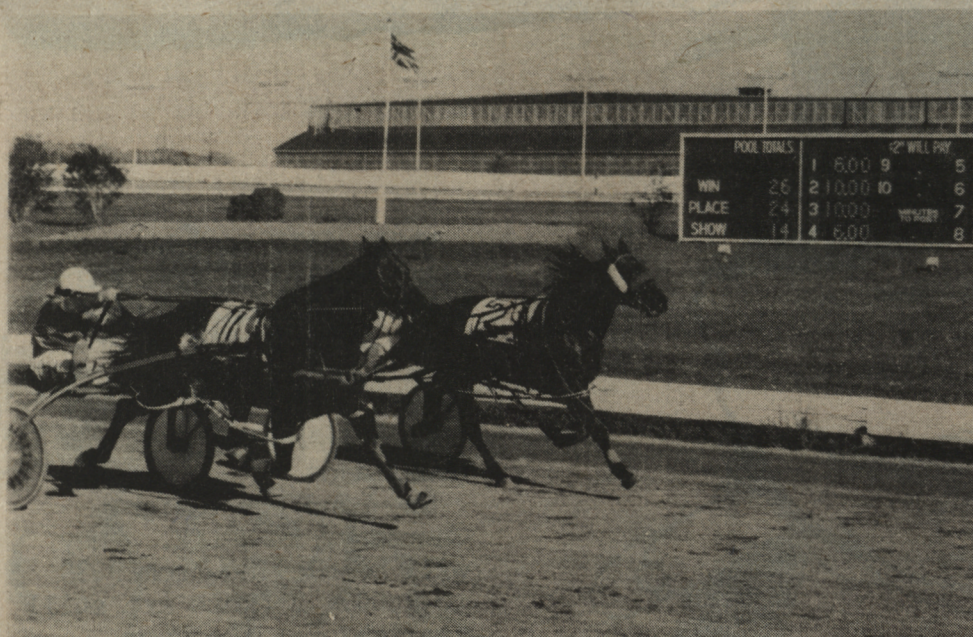

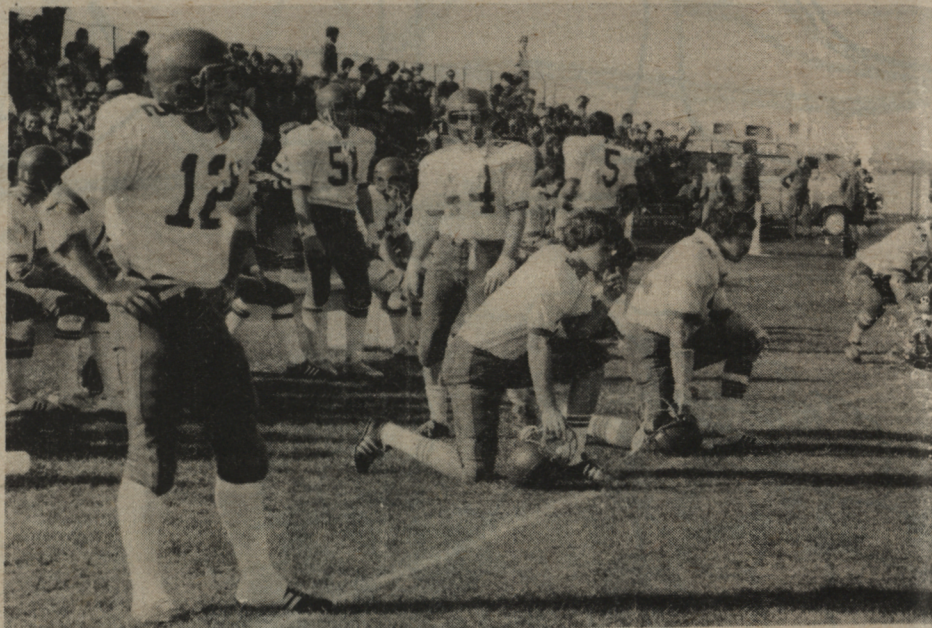

Connaughtons Connect

score. It was also the big Ottawa draftee's first score in his long and brilliant career as a Panther. Ozzie D'Ippolito converted and shortly thereafter added to our total with a field goal. Our Q.B. Rick Kiraly passed well as he combined with Bill Fisher for a long gain, after which the same Bill Fisher went over for the one yard line for another major. Kiraly later combined with Frank Costa for two T.D.'s.... the first one a long pass from the 48 which enabled Frank to gambol across and later to the U.N.B. 5 from which point Frank plunged over. The remaining points came from the truly talented toe (alliteration again!) of Ozzie D'Ippolito. While, as usual, stress has been made of the scorers, the big feature

incredible LOSS of 100 yards rushing! Through the air, three of U.N.B. Q.B. Lee's passes were intercepted....two in the last quarter by Dave Connaughton who seems to be making a habit of this sort of thing. A look at the standings can be

column to ours and we'd be in close contention.

In Field Hockey, the Lady Panthers lost out to the U.N.B. Red Sticks 5-0 but closed out their season with a more pleasant note as they tied the Moncton Blue Angels 1-1 with Andrea Campbell

getting our marker. In Soccer our boys got off to a bad start as they trailed 0-3 at the half. John Gallinger and Kevin Burdett brought it up to 2-3 but U.N.B. scored the insurance marker as our boys were pressing for an equalizer. This game closed out the season for the hard working and poorly supported team.

Hopefully they enjoyed the game and, we suppose, that is what sport is really all about.

At the half on Saturday we sneaked over to the race track as we wanted to catch the final race of the Intercollegiate Driving Championships. (Besides, it helps put bread on the table)...and it was well worth the effort as we saw one of the most exciting races we have ever witnessed. UPEI's Senior Kevin MacCarville and Freshman Bernadette Shea quickly assumed the lead with Kevin getting out front and the others always in contention. Approaching the 5/8 turn Bernadette fancied a slight opening inside of Kevin and drove through. Obviously the hole wasn't as big as she had hoped and her left wheel scraped the fence. As she bounced off she MAY have jostled Kevin... at any rate he swerved a trifle and Bernadette went out in front only to

Connaughton that the ball was jarred from his grasp and it was alertly pounced upon by Mike Lyriotokis for our first

of the game had to be the performance of the defence which really annihilated the Red Bombers ground game, forcing them to an

very confusing. Acadia (4-2) leads with 14 points while St. F.X. (5-1) is tied with S.M.U. (3-3) with 12. UPEI (3-3) is in 4th place with but 6. Should we win this final weekend we'll be 4-3 with 8 points while should S.M.U. lose they'll be 3-4 but will lead us in points 12-8! Obviously the 4 pointers are the ones to win. Donny Morrison, the pudgy pundit of the Guardian, points out that while we have improved enormously over our 1-6 record of last year, we hurt our season a great deal in the first 10 minutes of our first game. Faced with a 17-0 deficit, we still made it close and, for 50 minutes, appeared to be the better team. Shift those 4 points from the S.M.U.
