TO THE HOTEL BUSINESS.—There has been a change in the management of the Windsor hotel, Geo. F. Pyke, of Halifax, taking charge. For many years Mr. Pyke was a "knight of the grip" and was one of the most popular boys on the road. The hotel is to be renovated and thoroughly fixed up to the wants of the travelling public. We welcome Mr. and Mrs. Pyke to our growing town, and bespeak for them a goodly share of patronage.—New Glasgow Leader.

ETHEL TUCKER IN COMEDY.

Speculation, a cleverly constructed comedy drama, received an excellent interpretation last night by Miss Tucker and Mr. Meldon's clever company. It is one of the most interesting plays ever seen here in a long time, thoroughly natural and true to life, not in the least theatrical. Miss Tucker won a decided triumph as the young wife. It is one of the most artistic performances she has ever given here. Mr. Meldon was exceptionally good as the husband, who takes to speculation and meets ruin. A new comer in the cast L. D. Lamond, made a most decided bit in the artistic rendition of a cleverly drawn type of family friend. His work was deserving of the high praise. For tonight Mr. Meldon promises an adaptation of a very successful French comedy which he has given the very suggestive title, If you must lie, tell a good one.

Some clever specialties and the wonder-cinephotograph will be presented between the acts as usual. The jubilee festivities has naturally hurt business at the Opera House, and we hope our theatre goers will show their appreciation of Miss Tucker and Mr. Meldon's efforts to give them the best performances ever seen here at popular prices by turning out en masse and packing the Opera house for the farewell performance.—St. John Gazette.

At the Opera House for one week beginning this (Monday) evening, July 5th. Change of bill nightly.

MESSAGE TO MEN.

Proving that True Honesty and True Philanthropy still Exist.

If any man who is weak, nervous and debilitated, or who is suffering from any of the various troubles resulting from youthful folly, excesses or overwork, will let me hear and write to me, I will send him confidentially and free of charge the plan pursued by which I was completely restored to perfect health and manhood, a term years of suffering from Nervous Debility, Loss of Vigor and Organic Weakness.

I have nothing to sell, and therefore want no money, but as I know through my own experience how to sympathize with such sufferers, I am glad to be able to assist any fellow-beings to a cure. I am well aware of the prevalence of quackery, for I myself was deceived and imposed upon until I nearly lost faith in mankind but I rejoice to say that I am now perfectly well and happy once more and am desirous therefore to make this certain means of cure known to all. If you will write to me you can rely upon being cured and the proud satisfaction of having been of great service to one in need will be sufficient reward for my trouble. Absolute secrecy assured. Send 5c silver to cover postage and address Mr. G. Strong, North Rockwood, Mich. 135 p.w.

are the teeth. They are placed in the mouth to guard the stomach against the improperly cooked food. If these gates are defective, their work must be slighted, and the food unmasticated reaches the stomach in an indigestible condition. There to lie and ferment. Then dyspepsia and a long train of evils follow.

Without good teeth perfect mastication is not possible. If your teeth are decaying they should be attended to at once. It is very seldom necessary to have them extracted.
