SYNOPOSIS OF THE REPORT OF THE HIGH SECRETARY.

Worthy Associates,—The labors of one more year are ended, the history of another Forestric period in Prince Edward Island is completed and we assemble now at our annual tryst to review the work accomplished and take council together regarding what shall be done during the ensuing year and in the long line of years that are to follow. The past year has been characterized by energetic and successful activity throughout the entire Order, and the consciousness that the effects of the Supreme Executive, put forth in our behalf, have been rewarded by a very substantial increase in membership and revenue should make our gathering joyful, even while we drop the silent tear for faces and forms missing from our circle, and should prompt us to renewed thankfulness to the over-ruling Providence to whose protection and direction our success is due.

In concluding a brief but interesting report the High Sec. said.

There is one matter to which I must refer before closing this report, namely, the San Francisco calamity. In April last the whole world was shocked with the news that a terrible disaster had overtaken the city of San Francisco and vicinity, destroying in a few hours over two hundred million dollars worth of property. The loss of life will never be known. More than two hundred thousand persons were rendered homeless, but before the smoke had cleared away the generous world was contributing help to the sufferers in one way or other. When it became known that among the sufferers were hundreds of Foresters there was no need for the "sign of distress" to be given. Contributions came in liberally. Foremost was a car load of cooked provisions from the Los Angeles Foresters, and $5,000 cash from the Supreme Executive at Toronto. To date our fifteen thousand dollars have been distributed by the brethren throughout the world, to the Foresters who suffered, a small portion of which was from our Province.

The High Treasurer's report showed that the receipts for the year from all sources had been $1,525.24. The expenditure was $1,394.29 as follows:

For organising	$447.16
High Court Meeting	203.97
High Secretary, salary	150 00
Supplies	115.78
P. E. I. Hospital	100.00
Visiting Courts	84.10
Postage and Stationary	68.08
High Standing Com.	67.35
Securing new members	35.55
Printing and adv.	32.30
Total expenditure	$1,344.29
Cash on hand, including balance from last year	$963.93

FOR YOUR STOMACH.

When you eat your dinner tonight take a thought about your little stomach.

First you fill it with soups, then fish, meats, salads, a dozen and one other things, and wind up with ice cream, coffee and perhaps wine. You see you are pretty hard on your stomach to make it bear all these cultivated tastes of yours, eating and drinking, morning, noon and night. Is it any wonder that it is sore, tired, painful and tired? How can it help burning, paining, giving off fermented gasses? Why don't you try Hutch tablets? Get them at any drug store, give your stomach some assistance. Take it a day or two and you will have to confess that Hutch is the greatest preparation for pains in the stomach you ever came across in your life.

Don't forget! Take one after each meal. This makes Hutch do the most good. A big bottle 200 for $1.00. For sale by all druggists.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

SIRS,—I came accross a bottle of your MINARD'S LINIMENT in the hands of one of the students at the University of Maryland, and he being so kind as to let me use it for a very bad sprain, which obtained in training for foot races, and to say that it helped me would be putting it very mildly, and therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance I remain,

MINUTES OF THE PRESBYTERY

At Charlottetown, and within St. James' Hall there on Tuesday, September 19th, 1906, and at 10 o'clock a. m. which place and time the Presbytery of Prince Edward Island met pursuant to adjournment and was constituted, Mr. John Murray, Moderator, with whom were present, Messrs M N McLeod, E Smith, T F Fullerton, W A Mason, W A McKay, J W McKenzie, Wm McDonald, Geo. Millar, A D McDonald, R G Sinclair, S D McPhee, A Craise, W H Sedgewick, ministers, and T C James, J J McLeod and Hugh McMillan, elders.

Rev. Dr. Coffin, F. L. Jobb, A. J. McNeill, John Gillis, John McNeill and A. McLean Sinclair being present, were invited to sit and correspond. The clerk presented a call from the congregations of Glenelg and East River St. Mary's in the Presbytery of Pictou, to Mr. Wm. McDonald of Bloomfield, and stated that according to instructions the session and congregation of Bloomfield appeared for their interests in this meeting. Mr. F. L. Jobb represented the Presbytery of Pictou and the congregation calling, and spoke from the heartiness and unanimity of the call. Mr. T.F. Fullerton represented the session and congregation of Bloomfield and read letters testifying to Mr. McDonald's good and faithful work. On motion the call was placed in the hands of Mr McDonald and accepted by him.

It was moved by Mr. Millar, seconded by Mr. Mason and carried that the translation be granted and the pastoral tie dissolved to take effect on and after the 30th day of September instant.

Mr. W. A. McKay was appointed interim moderator of Bloomfield session and instructed to declare the pulpit vacant after the translation takes effect.

The clerk was instructed to inform the convener of Synod's committee on Sunday schools that the Presbytery will confer with Mr. J. C. Robertson, general secretary, a Synod.

Presbytery considered the resignation of Mr. A. D. McDonald of the pastoral charge of Tryon, Hampton, and Bonshaw. Messrs. J. J. McLeod and John Gillispie spoke of the strong attachment of the congregation to their pastor and their earnest wish that he continue among them. Mr. McDonald was then heard, and adhered to his resignation It was moved by Mr. T. F. Fullerton seconded by Mr. T. C. James, and agreed to, that the resignation be accepted to take effect on and after the 23rd day of September instant. Messrs. Millar and James were appointed to draw up a suitable minute in connection with Mr. McDonald's departure from the bounds. Mr. A. S. Stewart was appointed interim moderator of Hampton session and instructed to declare the pulpit vacant.

Mr T. C. James read the report on Presbytery Fund, consideration of which was deferred until the November quarterly meeting. The clerk was authorized to receive all contributions payable to that fund.

A bill presented for the transmission of assembly minutes was ordered to be paid.

On motion the clerk was instructed to forward the required number of said minutes to all sessions within the bounds.

The committee on redistribution reported progress. Certain congregations interested were represented as follows: West and Clyde Rivers, Messrs McLean, McKenzie, McMillan and Murchison; Tryon, Hampton and Bonshaw, Messrs McLeod and Gillespie; Brookfield, New Glasgow and Hunter River, Messrs Campbell, Henderson, Brown, Laird and Moffatt. A proposal was made to unite the congregation of West River and Marshfield. After a lengthy discussion it was decided that these congregations as well as all other congregations concerned be visited by the committees and that the issuance of this matter be postponed until the November meeting of Presbytery. Presbytery then adjourned to meet in St. John's Church, Moncton, at the call of the moderator of Synod, of which public intimation was made, and this sederunt was closed with the benediction.

A CRAISE.
Presbytery Clerk.

A SUGGESTION OF RARE VALUE.

A diseased condition of the surfaces of the air passages causes bad breath, but more commonly emanates from indigestion of an impure condition of the blood. Thousands of cases prove that Dr Hamilton's Pills through their specific action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything suggestive of blood or digestive troubles is impossible. Through Dr Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold everywhere in 25c boxes.
