Holloway's Pills & Ointment.—Stomach and Kidney's.—Between these two organs there exists a close and intimate relation which is demonstrated by the wasting which occurs in all diseases afflicting the kidneys. The disordered stomach is often the first index of renal irregularity. Holloway's remedies used at that juncture would cut short many a serious and fatal attack. They act with wonderful efficiency on every organ or secretion, but especially do they regulate the stomach, liver and kidneys, in restoring their healthy functions, and casting out any obstructions or impurities. It is necessary for the Ointment to be well rubbed into the small of the back twice daily, when it is absorbed, and greatly augments the purifying and salutary influence of the Pills.
