WARNING...WARNING...

Out-of-Province students PLEASE note...our Group Insurance covers ONLY medical charges OVER your provincial medical plan. If you come from a province where premiums are charged for medical insurance you must keep these payments up. A private insurance plan is prohibited by law from selling coverage for the basic charges which are the responsibilities of the provinces. Those who consider themselves as P.E.I. residents should confirm their coverage with the P.E.I. Medical Insurance. Should you have any questions regarding this very important subject the Student Union office will be very pleased to give you whatever information you may require. Please act now and do not wait until the question of coverage is an acute one.
