 BT - Bob Thompson; RJT - Reg and Jean Thompson; SV - Stan Vass; P&AW -
 Pat and Ann Wootton.

And a few more sightings: Pam Martin of Cornwall called in with a sighting
 of a Little Blue Heron on April 24. And there were spring peepers and
 wood frogs calling from a marsh-bog area on Baldwin Road on April 19 in
 the evening. Also, the woodcocks were back in the Baldwin Road and
 Donagh areas, at least, by April 21. What must they think of this snow?
