Egg and Poultry Marketing Report

The peak of production on P.E.I.
has not been reached as egg re-
ceipts continue to increase, reports
Mr. F. M. Nash, district inspector,
Poultry Products. Quality remains
good. Better road conditions have
helped in a good measure to keep
receipts moving in a more orderly
manner.

All receipts are clearing to the
Atlantic Provinces and Montreal.
Retail sales are considered steady.
Consumer prices may be a little
confusing as the market is strong-
er and prices have advanced, some
retailers are offering their new
supplies at higher prices while others
are clearing up their old stocks
purchased before the price change-
over.

Producers are now receiving for
ungraded eggs delivered AL 48-9,
AM 46-7, AP & B 38-40, C 27-30.
Dealers are quoting station op-
erators for the graded pack, deliv-
ered, AL 55, AM 53, AP & B 45, C 35.
Wholesalers are quoting retailers
for AL 57, AM 55, AP & B 51, C
45. Consumers are paying for the
cartoned pack AL 62-5, AM 60-3,
AP 50-2, Grade B loose 50-4.

Poultry receipts are practically
nil. A few retailers are featuring
broilers, dressed weight 2 1/4-3 1/4 lbs.

WE URGENTLY REQUIRE for
our own records P. W. C. Calendars
for the years 1918-19, 1920-21,
1921-22. Anyone having copies
of these records, please write or
Phone Dept. of Education, Char-
lottetown.

MONTHLY MEETING.—The
Junior Woman's Association of
Trinity United Church held their
monthly meeting in the Social
Hall on Wednesday evening, April
25. There was a good attendance
present. Mrs. Fred B. Gamble,
president, presided over the busi-
ness meeting. Reports were read
on the results of the rummage
sale held recently, and also on the
Mother and Daughter Banquet
tendered the Guides of the
church. Substantial cheques were
given the association from two
groups, the Brighton Group con-
vened by Mrs. R. Bell, and the
Stitch and Chatter Group con-
vened by Mrs. Alex Matheson. A
new group was reported formed
in Parkdale, under the guidance
of Mrs. Arthur Seaman, and an-
other group was formed in the
Brighton area. Several ideas were
discussed as a means of raising
money and it was decided to
adopt a novel way suggested by
Mrs. J. W. McKenzie. At the con-
clusion of the business meeting,
Mrs. Gordon MacDonald spoke
to the members on the World
Sunday School Conference held
in Toronto in the summer of 1950.
Mrs. MacDonald had snaps of
visitors from all over the world
and was very much impressed
with the conference. The Brighton
group was in charge of the pro-
gram and afterwards served tea.

DAILY CRYPTOQUOTE—Here's how to work it:

AXYDLBAAXR
is LONG FELLOW

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.
