## In Memoriam

In memory of my dear son Anthony, who passed away fourteen years ago today. There is still an ache in our hearts today. The countless years won't take away. A place in our hearts that nothing can fill. We miss you now and always will. Fondly remembered by his parents, Mr. and Mrs. Andrew Martin.

## Rocky Resumes Command After A-Bomb "Death"

By STEWART MACLEOD  
Canadian Press Staff Writer  
CAMP GAGTOWN, N.B. (CP)—Forces were being regrouped along the fighting front of the "Fantasia" Blueland" borders Monday as the mock war between two hypothetical countries went through one of its quietest days.

Only aircraft dogfights and occasional ground outbreaks showed the battle was still on as senior officers prepared their troops for new marches expected Tuesday or Wednesday.

The fighting now is well inside the friendly Blueland country as the aggressive Fantasia forces held the ground gained in the first few days of fighting.

Major Gen. J. M. Rockingham, commander of the 1st division which is staging the exercise, resumed command of his troops Monday after being theoretically killed by an atomic blast Sunday. It was at first thought he would be taken from the front to help with the supervision of the exercise.

REPORTERS "KILLED"  
An air attack by navy Sea Fury fighters Sunday night also theoretically killed 19 correspondents and three army public relations officers in a series of low-level attacks over the press camp.
