SPECIAL DESPATCHES TO THE EXAMINER.

THE CANADIAN CONFERENCE.

University Federation.

MONTREAL, Sept. 16.

On a resolution offered by Rev. Dr. Douglas, seconded by Dr. Johnston, University Federation was carried last night by a majority of 95.

An amendment by Dr. Lavelle, seconded by Dr. Inch, affirming the policy of independence, was lost by 85 votes.

No speeches were made except by the mover of each resolution, the former of about thirty and the latter about fifteen minutes. The whole matter had been so thoroughly threshed out in the press during the past four years that it was decided to have no debate, thus avoiding what Dr. Carman described as "a good deal of fire."

A majority of Maritime Province delegates voted for the amendment.

The business of the Conference is well in hand.

ANOTHER DESPATCH.

MONTREAL, SEPT. 15.

The University Federation question came up to-day and was disposed of by a vote reafirming the decision of four years ago in favor of the union of Victoria with Toronto University. The yeas numbered 171 and the nays 76, the majority being much larger than before. The laymen of the New Brunswick and Prince Edward Island Conference were all absent when the vote was taken with the exceptioh of Dr. Inch, who voted with the majority.

Another Big Strike

SYDNEY, N. S. W., Sept. 15.

The conference to-day adopted a proposal to call out immediately all shearers and carriers. The conference instructed the various strike committees to order all members of the labor union to prepare a general strike, and it is probable that all affiliated trades will be called out. This will effect 30,000 men.

An Untrue Report.

MONTREAL, Sept. 13.

There is great indignation here over the report sent to an American paper by an unscrupulous correspondent to the effect that Prince George had got into a fight with the police, and was arrested while in Montreal. The story, which is a bare-faced lie, appears in the Boston *Herald*.

The Southampton Strike.

SOUTHAMPTON, Sept. 15.

The strike of the firemen and seamen is ended, the advance paid to the men having been conceded.

The Tariff Bill.

WASHINGTON, Sept. 15.

The House has now concurred in the Senate amendments to the tariff bill.

DYSPEPTICURE BY MAIL.

(Large size only).

Dyspepticure will be sent by mail to those who cannot yet procure it in their own vicinity.
