

NEXT TO MURDER

A doctor, who keeps his patient at home, when he ought to send him away—for money—ought to be held responsible. So ought we, if we mislead. Our offense is greater than his, because we endanger thousands of lives by one advertisement—millions read it. Some few must go for a change of climate, or die; but, to thousands, Scott's emulsion of cod-liver oil is cure at home.

We'll send you a little to try if you like.

Pullets EGGS Wanted NOW.

For the next four months the demand will be large. Get your pullets to laying by October. A well-filled egg basket now is what makes poultry pay. You can obtain these much desired results by good care, proper foods, and the use as directed in the morning mash of

Sheridan's Powder.

It causes perfect assimilation of the food elements needed to form eggs in the winter. If you can't get the Powder send to us. One sack, 25 cts; five, \$1. Large can, \$1.20; six, \$5. Exp. paid. J. B. JOHNSON & CO., Boston, Mass.

NOTICE TO ELECTORS.

QUALIFICATION OF VOTERS, AND HOW TO VOTE.

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

IN ADDITION TO ABOVE.

In country districts every male British subject of the age of 21 years who being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote, provided he has resided for twelve months in the electoral Division.

IN THE CITY OF CHARLOTTETOWN.

If a person cannot qualify as a tenant or owner, he may vote on his poll tax,

IF

He has resided for twelve months previous to the 9th day of October, A. D., 1900 either east or west of Great George Street, and has paid his poll tax or 75cts of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

ONLY MAKE A CROSS.

Mark your Ballot as above indicated. Simply place a X in the space containing the name of *William S Stewart*, the people's candidate for West Queen's. Place no other mark upon the ballot.

The cross must be made with a BLACK lead pencil. No other kind will do.

Following Irregularities Held Fatal to Votes.

- 1.—A single stroke instead of a cross.
- 2.—A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

NO PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.—See Sec. 97 of the Election Act

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote, and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packets or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

THE OTHER LAURIER.

Here is an extract from the election pamphlet issued by Laurier in Quebec in 1896:

"One of old Tupper's whims is Imperial Federation, which signifies an intimate alliance between England and her colonies, especially Canada.

"One of the conditions of this alliance would be that in time of war Canada would be called upon to pay its share in money and men.

"As England is always at war with somebody, we will have to continually tax ourselves to find the money and to draw lots to furnish the men.

"In return England will create these droll baronets, knights of this and commanders of that.

"But the people will remain food for the cannon.

"Why all these armaments if we were not to have war?

"AND WHY FIGHT FOR ENGLAND?

"The electors should remember that these great big chiefs, who are so anxious to show themselves more patriotic and more loyal than others, and are ready to throw us into war for the benefit of others, will not be the ones to support the burden of it.

"It is the electors who will have to use their carbines and these cannon.

"The Tappers, the Angers, the Tailons will be in their Ministerial office when they will send us to fight for England.

"With joy in their hearts and a glass of champagne in their hands they will send our children to Africa or to Asia, whence they will never return.

"If you vote for the Bleu candidates you approve of these preparations for war.

"VOTE FOR LAURIER and his candidates if you wish to see your country enjoy tranquility, and not expose yourselves to have to leave one of these fine mornings for distant shores, leaving behind your wives, your children, and all that is dear to you."

This anti-British appeal was printed in Laurier's election pamphlet, was re-printed in huge type in L'Electeur, Laurier's Quebec (city) organ, on June 12, 1896, and was circulated by poster and small bill throughout Quebec.

Laurier, in his Ontario speeches, holds up a pamphlet which he calls the "Tory Gospel in Quebec," and represents it as disloyal.

That pamphlet quotes Laurier's own disloyal and criminal language to the people of Quebec in 1896, and asks them whether they can endorse it now.

McINNES AGAIN!

NANAIMO, B. C., Oct. 28.—Mr. McInnes, Ex. M. P., (Liberal) at a big meeting at the extension coal mines near here, furiously attacked the Laurier Government. He declared that it had been false to every promise. He said the conservative government had drained British Columbia of \$800,000, but this robber government of Laurier's had drained it of upwards of \$1,500,000. Their Legislation regarding British Columbia was a complete farce only intended to appease the clamors of the people here temporarily.

Regarding the Yukon commission of enquiry McInnes said that not one of them was honest, all were hamburges appointed to throw dirt in the eyes of Yukoners and gain time. No attempt at rectifying the abominable abuses rampant there was made. Everybody was taken completely by surprise by McInnes' terrible assault on the Liberal Government. Many believe he is more than half over to the Conservative side.

"The old proverb: 'To be at peace prepare for war' is the secret of the larger part of life's successes, whether of nations or individuals. The difference between the healthy, happy mother who has healthy children to nurse and nourish, and the weak, nervous mother, with a weakling child, is mostly a difference of preparation. The great preparative for motherhood is Dr. Pierce's Favorite Prescription. It tranquilizes the nerves, encourages the appetite and induces refreshing sleep. It gives the mother strength to give her child. It imparts elasticity and strength to the organs of maternity so that the baby's advent is practically painless.

"I take pleasure in writing you to let you know about your 'Favorite Prescription,'" says Mr. E. E. Fricke, of Petersburg, Menard Co., Ill., Box 367. "My wife had been sick nearly all her life, and after trying everything I could think of I made up my mind to try 'Favorite Prescription.' I sent to Chicago and got six bottles, which my wife took, a tablespoonful three times a day, until the baby came. She felt better after taking the first bottle, and when baby was born he weighed nine and a half pounds. To-day he is six months old and weighs twenty-two pounds. He is as good a child as any one could wish. The doctor says he is as healthy as any baby could be, and also the doctor says your 'Favorite Prescription' was the cause of such a healthy baby. I felt I owed you this much for the good you did my wife and myself. I hope you will mention this to others who may be in need of such help, and you may refer them to me, as I would be glad to tell of the good of such a valuable medicine."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
