The Staff of the Canada Employment Centre - on campus (CEC-OC) welcome you to use the services of our office during the upcoming academic year. Our office is located in the Student Services Area of the Robertson Library and is open 800 am - 4:30 pm, Monday through Friday.

Some of the services offered include:

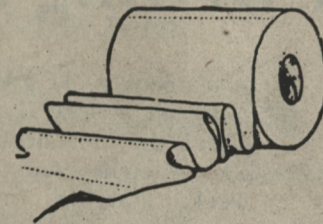

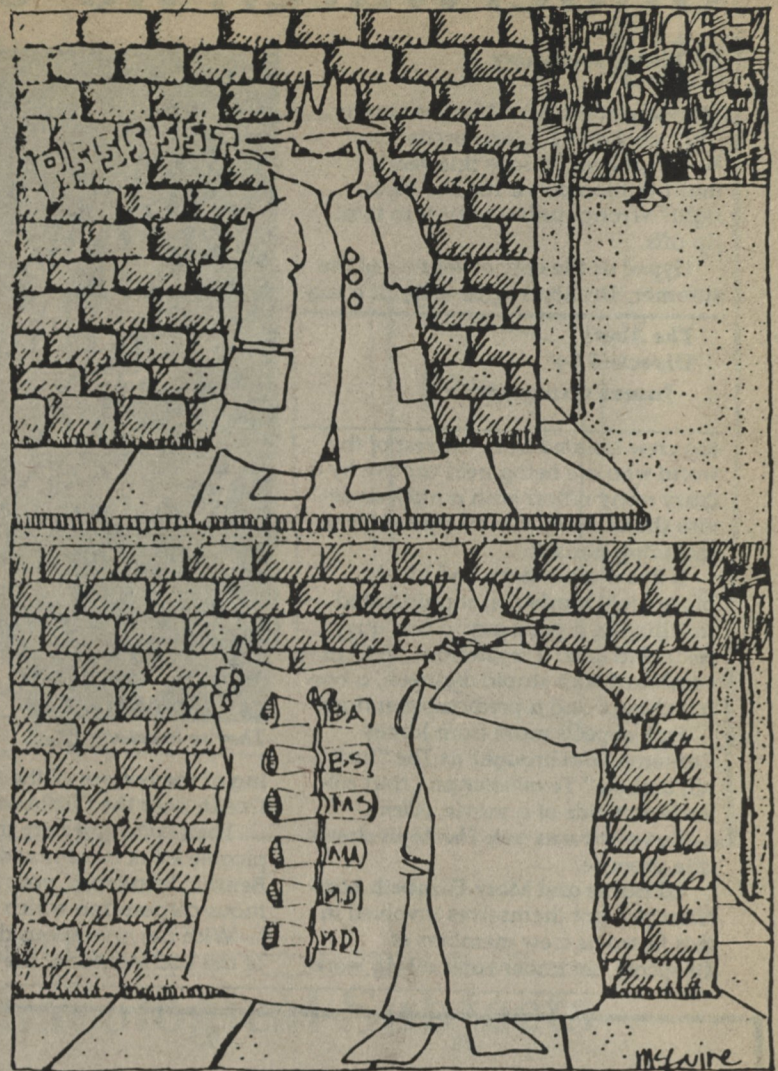

1. Co-ordination of the on-campus recruitment program which consists of organizing employers visits to campus, collecting applications and arranging interview schedules for the employer.
2. Assistance with writing resumes, covering letters and application forms and with preparation for interviews.
3. Referral to full time and part-time or summer jobs listed with our office.
4. Career information centre.
5. Employment counselling.

It may seem early to be thinking about job hunting, however, each year employers, anxious to hire the best graduate or summer student for their organization, start earlier to recruit. This year the first employer will be on campus October 3rd to interview and has asked that applications be sent September 22nd. Last year Employers started advertising for summer jobs in October with the first deadline being November 15th.

We look forward to meeting and working with you this year.
