SPECIAL DESPATCHES TO THE EXAMINER

From Yesterday's  
5 o'clock Edition.

KEY WEST, Fla., May 16.—Yesterday was a Sunday of unusual activity. Commodore Watson arrived on the gunboat Dolphin from the blockading fleet off Havana. Orders come thick and fast from Washington, and the naval station authorities were instructed to make quick preparations to coal the big ships.

The ships already in the harbor have been ordered to get up steam without delay. But the officers say they are ignorant of what this may indicate.

The chief factor in the situation is the whereabouts of the Spanish fleet which is understood to be off the Venezuelan coast.

It is contended by naval men that were Cerveras squadron to meet the detached blockading squadron off Cuba while Admiral Sampson's ships were coaling here a disastrous blow might be inflicted and it is believed that the plan now under consideration is to obviate any such possibility. CAPE HAYTIEK, May 16.—Rear Admiral Sampson's Fleet was at Puerto Plata yesterday. The Admiral communicated with the American Counsel at Cape Haytien.

WASHINGTON, May 16.—The following despatch has been received by Secretary Long:

CAVITE, May 13.—(Via Hong Kong May 15.) Am maintaining a strict blockade. Have reason to believe that the rebels are hemming in the city by land, but have made no demonstration.

There is a scarcity of provisions in Manila. It is probable that the Spanish Government will be obliged to surrender soon. Can take Manila at any moment. Climate hot and moist.

"On May 12th captured the gun boat Calla while attempting to run the blockade.

"Have plenty of coal, one British, one French, two Germany and one Japanese vessel here observing."

(Signed) DEWEY.

LONDON, May 16.—A despatch to the Times from Madrid confirms the official denial at the Spanish capital that the Cabinet changes are connected with a peace Government. The Times correspondent says:

"The conclusion to be drawn from the organization that they are seeking a peaceful solution of the question has for the moment been abandoned and the war will be prosecuted vigorously."

I. O. G. T.—It is expected that the annual session of the Grand Lodge will be held at Eldon on the 12th of July. Hon. S. B. Chase, of Pennsylvania, P. R. W. G. T., and Chancellor of the Course of Study will be present. Mr. Chase, it may be added, is one of the most notable men in Good Templary, and something above the ordinary may therefore be expected.

POLICE COURT.—Peter Hughes, charged with violating the Liquor Regulation Act by selling in a place not fitted according to law, was fined \$100 and costs or two months imprisonment.

CHANGE OF MARKET.—The Queen's Birthday falling upon Tuesday this year, the market will be held on Wednesday following.

PLEASANT GROVE NOTES.

Our prominent pork-raiser, Mr. Mathews has an exceptionally fine litter of pigs of the Tamworth-Yorkshire cross which he claims are a better bacon hog than the thoroughbred of either variety.

Mrs. George Duck, one of our respected residents, met with a serious accident a short time ago which came very near having a fatal ending. Mrs. Duck while returning from a funeral attempted to cross the Winter River on a fallen tree and becoming dizzy from the rush of water beneath her fell into the river which swept her under the tree where no doubt she would have been quickly drowned had not Miss Bertha Duck pluckily plunged in and with difficulty managed to extricate her from amongst the branches in which she had become entangled. She reached her home in a state of almost complete exhaustion where she was confined to her bed for several days. We are glad to see her moving out again though unable to use her arm which was severely sprained by the fall.

Our branch of the Epworth League has been reorganized and is doing well under the leadership of Mr. H. Alexander.

Miss Charlotte Mathews was at home to her friends on the evenings of the 26th and 27th of last month before leaving to spend the summer in the southern part of the Island. Miss Mathews will be greatly missed as she was one of our most prominent workers in church and Sunday school.

WANDERER.

News Notes.

It is well known in Scotland that many of the Highland corps are composed of Irish men, and a good story is told of Sir Hope Grant, commander of the Madras army, who, at a dinner given in his honor, noticed the martial pipes playing, as is usual, behind the chair of the guest of the evening, and Sir Hope, delighted at the inspiring national tunes, turned round to the most stalwart minstrel and exclaimed:

"It warms my heart to listen to the bonnie lilt! What pair of Scotland do ye come frae, my man?"

"Connemara, yer honor," replied the bard, exposing his chest with a conscious pride, while a roar of laughter echoed every where, in which Sir Hope heartily joined.

Acute Rheumatism

Pains in the Foot and Limb—A Complete Cure Accomplished by Hood's Sarsaparilla.

"For a number of years I was afflicted with acute rheumatism in my left side and all the way down my limb into my foot. I live five blocks from my work and had to stop and rest several times in going and coming. I could get no relief from my trouble and was on the point of giving up my job when I happened to hear of Hood's Sarsaparilla. I purchased a bottle of this medicine and a vial of Hood's Pills and began taking them. Before I had half finished them I was relieved and it was not long before I was completely cured. I never lose an opportunity to praise Hood's Sarsaparilla, for my cure meant a great deal to me, as I have a family and must always be at my post." WILLIAM HASKETT, yardman, Grand Trunk Railroad depot, Brantford, Ontario.
