If You Would Avoid the Troubles and Dangers That Stomach Derangements Bring ON.

Paine's Celery Compound Banishes Every Difficulty and Restores Perfect Health.

Stomach troubles are exceedingly common and varied in character. Today thousands complain of stomach derangements. Stomach difficulties are usually manifested by poor appetite, foul tongue and breath, putrid or bitter taste in the mouth, a desire for acids; some have headaches, sleepy feelings; constipation, inactive bowels, and vomiting food and bile.

Victims of stomach troubles manifest low spirits, despondent mind, and have fears of impending danger. It matters not what the symptoms are; any of them indicate low nerve force, and point to the fact that the digestive system is out of gear and the blood in an unhealthy condition.

In order to avoid the many dangers of indigestion, dyspepsia and general stomach derangements, Paine's Celery Compound should be used when any of the many unpleasant symptoms that lead to trouble are experienced. A few doses of nature's health restorer will quickly set the digestive machinery of the body in perfect running order, and good health will be maintained.

If it be that you have long neglected the troubles that have become deep seated and chronic, do not despair. The faithful use of Paine's Celery Compound for a few weeks will, without fail, banish all your suffering; your appetite will become mature, your rest and sleep will be refreshing, and your food will enrich your blood, making bone and muscle, and your health will be as rugged as ever before.

Pass it By.

There are a great many troubles, and trials and unpleasant things in this world, enough to keep one in perpetual fret and fever and turmoil, if one will allow oneself to be fretted by them. But many of them are not worth fretting about or caring for; they are of little consequence, and we should pay little regard to them.

A man says something which is not pleasant. If we make trouble about it he will perhaps repeat what he said, and say as much more. If we say nothing, that will end it. The best course in such a case is to pass it by and say nothing. We shall always have trials but we need not grow peevish, or fretful, or impatient over them. We can bear more than we have borne. We can bear more than we think we can bear. Many a quarrel which is exceeding bitter to-day will to-morrow be lost to view. Next year we shall wonder that we worried or fretted or were disturbed by petty trials that crossed our path. A friend may grow unkind, an enemy may be malicious; never mind pass it by. Clouds may be dark to day, but the sunshine will come to-morrow, and the afflictions and trials of the present will pass before the brightness of the days to come.

Bury the troubles that are past; bear the trouble of the present; do not worry about the troubles of the future. Meet each trial as it comes, and in a majority of cases the best course will be to pass it by, and leave it with God. —Farmers Advocate.

### Bridling the Tongue.

When our house takes fire, the first impulse is to go for a bucket of water; but if temper takes fire, the first impulse is to throw on more fuel. Now, the best water-bucket for temper is to resolute silence. If whenever an irritating act was done, or an injury struck us, we should firmly seal our lips for even ten minutes, we would save ourselves many a quarrel, many a mortification, many a disgrace to our religious profession. Speech is often explosive and shattering. Silence is cooling. It cools us off and cools people. One of the calmest men I ever knew told me that he used to be violently passionate, but he broke his temper by resolutely bridling his tongue until he cooled down.—Dr. Cuyler.

### Dwight L. Moody's Card Playing.

One evening in San Francisco the evangelist sat in his room at the hotel playing cards with Mrs. Moody and two friends when a messenger came in with a despatch. As the boy stood waiting for a reply Mr. Moody suddenly asked, "Won't you sit down, my lad and have a game of 'Authors' with us?" The boy declined and soon left the room.

Hardly had the door closed when Mrs. Moody said, "Why, Dwight; what made you think of inviting that boy to sit down and play with us?"

"My dear" replied Moody, "don't you see, if I had not called the boy's attention to the fact that we were playing 'Authors,' all the morning papers would certainly have announced under big headlines that D. L. Moody had been discovered in a San Francisco hotel engaged in a game of cards!"—Ladies Home Journal.

—Many things happen which we cannot understand, but if we love God we have a right to believe that He is in all of them; and just as surely as we have that belief, it will give us a constant and perfect peace. Not a trouble can come to us in this life, while we are trusting in God, that we will not thank Him for when we get to heaven.

—He who who waits to do a great deal of good at once will never do anything.

—It is as senseless to say that a man cannot pray out of a book, or with a form committed to memory, as it would be to say that one cannot sing God's praises from words and tunes written by others.—Selected.

### SAVE THE BABY!

A mother will risk her own life many times over, to save her babe from the horrors of hydrophobia. There are graver perils from which a mother should protect her child. A mad dog is a rarity, but thousands of children die daily because of the seeds of disease implanted in their little bodies before birth.

A woman may insure the health of her babe if she sees to it that she is thoroughly strong and healthy in a womanly way during the period of gestation. Dr.

Pierce's Favorite Prescription cures all weakness and disease of the delicate and important organs that sustain the burden of maternity. It makes them strong, healthy, vigorous and elastic. It banishes the squeamish spells of the expectant period and makes baby's introduction to the world easy and nearly painless. It rids maternity of peril. It insures the newcomer's health and an ample supply of nourishment. It transforms sickly, nervous, fretful, despondent, childless women into healthy, happy, helpful, amiable wives and mothers. Over 90,000 women have testified to the benefits derived from this marvelous medicine. It does away with the necessity for the empoisoning examinations and local treatment upon which most physicians insist. It substitutes certainty for the doubtful treatment of obscure physicians, who seldom correctly diagnose these troubles. All medicine dealers sell it, and Dr. Pierce will cheerfully give free advice to ailing women who write him.

Scores of women who have been permanently cured of obstinate and dangerous diseases by this great medicine, have permitted their names, addresses, experiences and photographs to be printed in Dr. Pierce's Common Sense Medical Adviser. This book is free and contains 1008 pages, telling the home-treatment for most diseases. Send 31 one-cent stamps, to cover mailing and customs only, for paper-covered copy. Cloth binding 50 stamps. ## MR. FRANK P. MILLS

Tells of his Struggle with Kidney Disease

Got no Relief till he Used Dodd's Kidney Pills—One box of this Great Remedy Completely Restored His Health.

ZEALAND, N. B., Feb. 11.—Mr. Frank P. Mills, a well known, energetic, and popular business man of this town has, made public a statement that will have a vastly deeper interest for tens of thousands of people on this continent than the Spanish-American treaty of peace, or any other event of public importance.

The statement given to the public by Mr. Mills is one that brings hope and gladness to the thousands of unfortunates who are suffering from that modern dragon Kidney Disease, and who have given up all expectation of recovery.

Here it is: "I had for a long time, been a sufferer from Lame Back, and have expended large sums of money for medicines, in my endeavours to regain my health.

"Nothing that I tried gave me the slightest relief. My sufferings were continually becoming more severe, and I had almost given up hope of getting better.

"One day I read in the papers of a man who had been cured of a complaint like mine, by Dodd's Kidney Pills. I decided to try this medicine, which was new to me.

"The first few doses convinced me that I had found a cure. I used only one box of Dodd's Kidney Pills, but even before I had finished it, every vestige of pain had left me. I was entirely cured. I earnestly recommend Dodd's Kidney Pills to all who suffer as I did."

All that is necessary to prove the strict truth of Mr. Mills' statement, is to try a box of Dodd's Kidney Pills.

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by the Dodd's Medicine Company, Limited Toronto, Ont.

In Quebec the estimates of the provincial expenditure for 1898-99 show that the Government contemplates an outlay next year of \$4,624,568, to be slightly added to, in the course of events, by the supplementaries. The expenditure last year was \$4,414,370, and the revenue \$4,176,139.

### ONE HAPPY WOMAN.

Got Health and Happiness from Dodd's Kidney Pills.

LONDON, Feb. 6.—This city can claim one of the happiest, healthiest women in Canada.

Her name is Mrs. J. Osborne. She lives at 524 Grey Street, and she has this to say to her sisters throughout Canada.

"For eight years my life was made miserable by Female Weakness. I used many different medicines, but none did me any good till I started to take Dodd's Kidney Pills.

"The first dose of this wonderful remedy gave me relief. I grew better with every dose, till when I had taken three boxes, I was totally cured."

Dodd's Kidney Pills are the only medicine on which women can confidently rely for a positive cure.
