

Ladies Night Observed By Y's Men's Club

President W. R. Carson presided at the annual Ladies Night of the Alpha Y's Men's Club held in the banquet room of the YMCA last night attended by a large turnout of Y's Men, their wives and guests.

Members of the club attending Ladies Night for the first time were introduced by the president. These were Mr. and Mrs. Ralph Bearst, Dr. and Mrs. Genchett, Mr. and Mrs. Earl Baldwin, Mr. and Mrs. George Andrews, Mr. and Mrs. Eric Shepherd, Mr. Paul Jenkins and Miss Barbara Beck, Mr. and Mrs. Alton Dooliver, Mr. and Mrs. Jack Sutherland, Edgar Jardine, Edward MacLeod, George Wright and Miss Lucille Turnbull.

Ralph Rupert introduced four students from Prince of Wales College—Neil Hansen, Eugene Wynne, Boyd Richards, and Foster Burke who favored the gathering with several vocal quartette numbers and also solo efforts by Neil Hansen—all of which were greatly enjoyed by all present.

A varied programme of quizzes, contests and games was presented by the co-chairman of the meeting, Sydney Jeffrey and Barry Bugden. Prizes for the winners were presented to Mrs. Arthur Duvar, Mrs. Reuel LePage, and Bud McMurtry.

The toast to the ladies was proposed by Edwin Johnstone and responded to by Bea Owen. The sing-song was led by Bud McMurtry accompanied by Mrs. Edwin Johnstone at the piano. The meeting closed with the national anthem.

New Equipment For Drycleaning First In Canada

Rite-Way Cleaners, 192 Fitzroy Street, is happy and pleased to announce that at a cost of \$30,000 the finest, most modern and efficient drycleaning equipment available to the industry has just been installed.

The new equipment is known as the new "Detrex Two-Path Process" first of its kind in Canada. Incorporated in this machine is a new type filter, assuring your garments of thousands of gallons of crystal clear cleaning fluid at all times.

By this new, fast service one will now be able to have a suit, dress, etc., thoroughly cleaned and pressed in just four hours. And, oh yes, completely odorless too.

Rite-Way plans very soon to hold an open house, permitting the public to view this latest scientific innovation, date to be announced later.

FAMOUS PARK Elk Island national park near Edmonton keeps buffalo, moose, elk and deer.

BIRTHS, MARRIAGES, DEATHS 50c Per Insertion

Nurses Hear Talks On Psychiatric Treatments

In an address before the Charlottetown District of Association Nurses at the institute of mental health this week, Dr. Theriault speaking on "The Shock Therapies" said: "We must remember psychological disturbances, like physical illnesses, are due to natural causes, they are treatable and are probably preventable."

He discussed Electro Convulsive treatment and Insulin Coma, giving a technical outline of preparation, pre and post "shock" care, expected results and the type of patients suitable for treatment. Contrary to popular belief, it is not the electricity that was efficacious in Electro Convulsive treatment. However, there are machines available where the actual current is of value in treatment but these require more technical studies and more clinical results before their use may be commented on accurately.

In conclusion he said that no evidence was forthcoming to prove that there were permanent sequelae (such as mental deterioration) from E. C. T. — This he felt represented unfavourable publicity by those who object to organic treatment in psychiatry. "We must remember," Dr. Theriault said, "we are treating disorders which imply far greater danger to the personality than the treatment employed."

It should not be forgotten that in many cases treated, the disorder progressed to deterioration, and if it did so, it was not because of the treatment but in spite of it.

Dr. Theriault went on to discuss Chlorpromazine and Reserpine. These have received publicity in the press and international magazines. He went on to give a historic outline, its site of action, uses and dangers of these drugs.

Concluding Dr. Theriault said "This work is but a preface — but we feel there are definite indications that these might provide powerful weapons against the mental disorders and the functional ills of mankind." Dr. Theriault ended on the optimistic note that it is always possible that these drugs might at least be the major break through in the battle against mental illness.

Dr. MacVicar, speaking on "How to treat patients and influence Doctors" discussed the needs of workers in an organization; the deep needs for satisfaction, dependency and trust; the difficult role of supervisors and the great responsibility of those in higher authority.

The audience broke up into groups to discuss the question whether permissiveness towards suggestions of junior nurses would be the discipline of the hospital organization. The consensus was that such a state is being aimed at and in some cases already in existence to some extent.

The reasons for hostility were explained and the methods that can be used to handle it. Using examples to illustrate his points, Dr. MacVicar attempted to make clear that hostility — passive or active — was a defence for the personality, to prevent further pain and suffering. As a porcupine sticks out his quills at the approach of any stranger and lashes with his tail if they get too close, so does the hostile person react to the unfriendly.

Some people see the world as hostile, cold and unkind, and are puzzled and disturbed by its friendliness and warmth. For such people consistent warmth and love may eventually melt the shell they developed in early life — but it must be consistent. To them love, acceptance and warmth are as vacant areas in another's personality and, in understanding, they react with the only weapons they have — hostility.

The attitude of man to God was discussed and the role psychiatry plays in the orientation of unhealthy personalities towards religion.

PRIZE WINNERS—Following were the prize winners last night at the weekly card party held in Central Royalty hall: Ladies' first Mrs. Joseph Martin and Lillian MacKay, tied; consolation, Mrs. Gerald Doyle, Mrs. H. A. MacLeod, and a Ralph Crockett, tied; consolation, Murray MacKinnon. Door prize, Mrs. J. W. MacGregor. Freezout, Mrs. Earl Johnston and Olive Durant.

ABEGWEIT PHALANX — The seventh meeting of the Abegweit Phalanx Club was held in Club Room B at the "Y" on Wednesday with seventeen members present. The meeting discussed the semi-formal dance, the bottle drive, and the Saint John Conference. Jack Ross, presented a report of sports activities. The club is quite active in floor hockey and basketball. Initiations were started with Arthur Cauty and Darrell Doyle being the victims of mayhem.

Personals

Mr. W. L. McLeod, Mt. Stewart, has entered the P.E.I. Hospital for treatment.

The many friends of Mrs. Borden Folland of North Granville will be sorry to hear that she has gone through a serious operation in the Toronto General Hospital. Her many friends wish her a speedy recovery.

Mr. and Mrs. V. J. MacEachern, Charlottetown, have returned to their home by air, having been called to Halifax due to the serious illness of their daughter Marjorie, who is a patient in the Victoria General Hospital.

Railway Application

From the mainland to say, Tignish would be to use his train ticket to travel on the bus of Island Motor Transport. The Government will insist that such an agreement must be reached between the railway and the bus company before consideration is given the granting of the application.

Finally the Government will insist as follows: (1) That daily scheduled freight trains continue to run on all lines; (2) That mid-May to mid-November be the dates during which the proposed service be discontinued; (3) That the application will not interfere with the terms of continuous service granted to the Province at Confederation; (4) That tickets be interchangeable between the bus and railway company; (5) That the carriage of mails and the mail service be protected in every way possible; (6) That the way be left open for reconsideration after a trial period of one year.

Mr. Frank Myers said, "Times are changing and we must change with them." He would like to see the committee which works on this project remain intact throughout the year and meet from time to time as it was thought necessary.

Mr. J. W. Don Campbell felt there should be hearings in the Western part of the Province where, he said, the people were most affected. He pointed out that there were 16 good sized villages in Prince County now being served by the railroad. He urged the Government to consider carefully the question of mails, express and livestock in relation to the proposed curtailment.

The resolution of the House Committee, which was published in yesterday's Guardian, was passed unanimously.

Card of Thanks

The family of the late Mrs. Neil A. Lamont wishes to thank Dr. Peter MacDonald, Rev. Mr. and Mrs. Nicholson. All their kind neighbours and friends who assisted in any way during our very sudden bereavement also sincere thanks to all who sent flowers, cards and letters of sympathy.

Cast Of B.I.S. Players In "Jenny Kissed Me"

Following was the cast of the B. I. S. play "Jenny Kissed Me" presented at Holy Redeemer Community Centre last night. Left to right: Olga Dowling, Benita Binns, Mary Elaine Trainor, Jeanna McIsaac, RosCallaghan, Gertrude Balsam, Maureen Beagan, Bernadette MacDonald, Jimmy Doiron, James McAleer, Ev.

Overflow Audience Sees Rollicking B.I.S. Comedy At The Community Centre

In presenting "Jenny Kissed Me" to an overflow audience at the Holy Redeemer Community Centre last night, the Benevolent Irish Society once again demonstrated that rollicking light comedy is always a headliner with the people of Charlottetown and putting it across is a natural for the Irish, especially on St. Patrick's night.

Directed by J. Pius Callaghan, C.D.A., who also played the lead as Father Monaghan, the cast of 14 chalked up another success which easily rates as "one of the best ever."

All the scenes were placed in St. Matthew's Rectory where throughout the three acts a continuity of snappy and unusual incidents kept the audience on tip-toe in anticipation, or enjoying a man after round of carefree laughter as the show developed to a climax.

The specialties between the acts were also of a high order in which the children of St. Vincent's Orphanage danced their way into the hearts of the audience. The girls wore party dresses in pastel shades and the boys looked jaunty in their white sailor trousers and blue blazers. Green ribbons on the girls and shawls on the boys added color to the picture presented as they moved through their number.

The Roberts sisters never performed with greater grace and rhythm than in their two billed numbers and during the first half of the show which was beautifully dressed in white satin which flashed into vari-colored effects under the rotating spotlight, the clever young dancers moved as one through the Irish double dance and the sailors hornpipe, with music by the veteran fiddler Aeneas Curley and Jackie Doyle at the piano.

Patsy Lightizer in her solo "A Little Bit Of Heaven" also under the spotlight sang so effectively that an encore was demanded in which she was equally successful in pleasing the audience.

The presentation was under the distinguished patronage of His Honour Lieut. Governor T. W. L. Prowse and Mrs. Prowse, Premier A. W. Matheson and Mrs. Matheson and Mayor J. David Stewart and Mrs. Stewart. In the unavoidable absence of Premier Matheson, Hon. Eugene Cullen and Mrs. Cullen were in attendance. Capt. J. J. Connolly and Mrs. Connolly were in attendance with Lieut. Governor and Mrs. Prowse.

Thomas MacAvinn, president of the Society briefly expressed the thanks of the members to those who had contributed in any way to the success of the show which will be presented again this evening.

Cast of Characters: Father Monaghan, J. Pius Callaghan; Michael Saunders, Everett Beagan; Mrs. Deazy, Bernadette MacDonald; Sister Mary of the Angels, Alice Morris; Shirley Tirabassi, Olga Dowling; Miss Stearns, Gertrude Balsam; Mary Delaney, Velda Noye; Harry, Benita Binns; Jo, Mary Elaine Trainor; Owen Parkside, James Doiron; Jenny, Maureen Beagan; Priscilla, Patsy Lightizer; Jane, Rosalie Hennessey; Mr. Parkside, James McAleer.

In Memoriam

MRS. NEIL A. LAMONT

A feeling of great sadness prevailed at Churchill for in the early hours of Saturday morning January 29, 1955, the untimely death of Mrs. Neil A. Lamont had passed away. It was grievous to believe that the grim reaper had overtaken a neighbour who as far as could be seen, was in her usual good health and cheerful spirit that she always presented.

She was able to awake her son whom she told to get help but before medical aid arrived she had passed away.

The deceased was in her seventy-fourth year, a Presbyterian of long standing; a member of the Churchill congregation where she worshipped, not missing a service and always helping in the service of song. She will be greatly missed in the community as she was so suddenly called to that heavenly home, that the Saviour has gone to prepare.

The late Mrs. Lamont was born in Green Bay P. E. I., daughter of the late Charles and Catherine MacArthur, her husband predeceased her in 1932.

The late Mrs. Lamont leaves to mourn two sons and one daughter, John Gordon in the old home; Neil Daniel, Millview, P. E. I.; Mabel Grace, Mrs. Harry Wheeler, Strathgartney, P. E. I.; three grandchildren; one sister, Mrs. J. W. Ashley, Appin Road, P. E. I.; two brothers D. D. MacArthur, Sturgeon Heights, Alberta; Samuel MacArthur, Calgary, Alberta; one brother, John, predeceased her in 1933 and a sister in infancy.

The funeral service was held following a short service at the home in Churchill Presbyterian Church where a large congregation sadly awaited with sympathy.

Her minister, Rev. Donald Nicholson and Mrs. Mirvin MacPhee very feelingly sang a duet, "Beyond the Sunset". Hymns all favorites of the deceased, "The Lord's My Shepherd," "Rock of Ages" and "In the Sweet Bye and Bye". Remains were laid to rest in Saint Catherine's Cemetery.

Flowers Pillow — The Family WREATH — Churchill W. M. S. Strays Churchill and Riverdale W. I. Mr. and Mrs. Harry MacLean, Lorne, Norma and Lewis. Eleanor and Lee Darrach.

Irish Song In The Senate

OTTAWA (CP) — Senator Felix Patrick Quinn, 80-year-old son of an Irish father, literally sang the praises of St. Patrick in the Senate Thursday — and just about brought the House down.

The Halifax-born Liberal, wearing a shamrock in his lapel, traced the history of the patron saint of Ireland. Then he brought resounding cheers from all sides by rendering a solo version of the Irish melody "Galway Bay."

Solicitor-general Ross Macdonald, government leader, said the Maritime senator was in just as good voice Thursday as he was in others years when he treated the Senate to an Irish song on St. Patrick's Day.

Premier And Minister Of Education Speak On Question Of Privilege

The speaker of the Legislature yesterday morning was asked to rule on a question of privilege occasioned by Hon. Keir Clark which the Minister of Education and Provincial Treasurer had presented in reply to certain allegations made by John A. MacDonald (P.C. 3rd Kings) on the previous day.

Mr. R. R. Bell, Leader of the Opposition objected to Mr. Clark's statement on the grounds that it did not constitute a question of privilege. He said that if the Minister had been misquoted by Mr. MacDonald, he had a right to reply but he had far exceeded the rules of the House in making the statement that he did. On two occasions during Mr. Clark's delivery of the question, the opposition Leader asked the Speaker to rule him out of order.

Mr. Speaker (Hon. Forrest Phillips), in handing down his decision said that Mr. MacDonald, on the previous day, had raised a question that had been known, he would not have allowed the Caradigan Member to present. "However, he spoke in such a low voice that I was unable to ascertain what he was speaking about." In all fairness to Mr. Clark, he said, if Mr. MacDonald's question was allowed to pass, the Minister's should be. The Speaker said further that on a question of the nature raised by Mr. MacDonald, had he known the contents, he would not have allowed him to bring it before the House.

Another question of privilege by the Premier was allowed without comment.

The text of Mr. MacDonald's statement on Wednesday appeared in yesterday's Guardian.

MR. CLARK Following was Mr. Clark's statement on his question of privilege: "Mr. Speaker, I rise on a question of privilege. I regret the honorable member from Caradigan is not in his seat. In this morning's paper he is quoted as having reiterated in this House yesterday more 'tommyrot' concerning contractors, and further reference was made to one having taken me into the Caradigan District. "I have lived in Montague for 21 years. Half of this town is located in the Caradigan District and I was initially invited to nominate in 1947 by a group of farmers from New Perth and Brudenell, and there is no truth whatsoever in any statement associating me with a firm of contractors. The only explanation I can give for the irrational statements of the honorable member is I believe he may be suffering from an abnormality known as the

Resolution Re Another Car Ferry At Borden Local Kinsmen Club Meetings

A resolution urging the Federal Government to give consideration to the early construction of an additional ice-breaking car ferry was approved unanimously in the Legislature yesterday.

Hon. Eugene Cullen, who proposed the resolution, explained that it had been recommended by the committee on water transportation. It was pointed out that the second boat now in service is 40 years old and in the event of anything happening to the Abegweit the island would be dependent upon this old boat.

Premier Matheson supported the motion but felt that there was a more immediate need for additional transportation of cars during the summer months.

Hon. George MacKay said that he had made a personal check of vehicles ferried in 1954 and in 1955 and found that the number had increased tremendously.

Mr. Frank Myers felt that there should be a continuous shuttle service between Tormentine and Borden with the idea of avoiding needless delays between boat trips.

Copies of the resolution will be forwarded to the Island members of the Commons and the Senate.

After leaving the Basilica, the parade re-formed and proceeded to the Society's Hall on Grafton St. There a short business meeting was held, followed by a smoker. President Thomas MacAvinn, presided.

Many telegrams of west wishes were received from various parts of the Dominion.

Resolution Re Another Car Ferry At Borden Local Kinsmen Club Meetings

At the last regular meeting of the Charlottetown Kinsmen Club, held at the Charlottetown Hotel, president Percy McDonald was chairman with Reg MacLean as co-chairman. The guest speaker was Dr. J. A. McMillan, who presented a very comprehensive analysis of health insurance. He was thanked on behalf of the club by Reg MacLean.

Ian Rankin presented a large banner to the club on behalf of Kin with 100 per cent attendance last year. He suggested to the club that the matter of the ceremonial palsy group be intensified further and definite action taken.

Guests included Norman Stewart, George Hood and Jack Gay, all prospective Kin, also Dave Templeton of the St. John's, Nfld., Kinsmen Club. Don Matthews and Ralph Colburne were introduced as new members of the club.

A progress report on the Kinsmen centennial variety show was given by Clive Cudmore.

At a special meeting of the club held last night with Ian Rankin and Dr. Frank MacMillan as co-chairmen, George Macdonald reported on the "Welcome to Charlottetown" sign to be erected on Elm Avenue. Clive Cudmore said the sale of tickets for the show was very satisfactory to date. Kin Jim Higgins expressed thanks to the club for kindness during his recent bereavement.
