# DAILY MARKET QUOTATIONS

## SUMMARY

By THE CANADIAN PRESS

Toronto: Market lower; moderately heavy trading.

New York: Market irregularly lower; quiet trading.

Montreal: Market generally lower; light to moderate trading.

## CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7⅞ per cent in terms of Canadian funds, unchanged from Friday's close. Pound sterling closed at $3.02¾, down 1-16.

## NEW YORK

NEW YORK (AP)—The stock market backed away irregularly Monday after an advance for the better part of three weeks. Trading was moderate.

Several of the "growth" stocks benefitted from renewed buying as they responded to various advisories to the effect that a number of these issues have fallen low enough so that they once again are attractively priced.

The market as a whole, however, lacked the fresh incentives that were supplied so plentifully last week by news of official actions in Washington.

The background of economic news and forecasts was somewhat spotty. It included news that the output of U.S. factories, mines and utilities rose in June by less than one-third of one per cent, the smallest monthly gain since January.

The Dow Jones industrial average fell 2.09 to 588.10.

**LIST DECLINES**

The list declined from the start in a continuation of the profit-taking of Friday which culminated a series of advances.

In early afternoon a spate of buying boosted a number of "growth" issues and some of the motors, but the "growth" stocks were the main beneficiaries as prices faded again toward the close.

Volume declined to 3,130,000 shares from 3,380,000 Friday.

The Associated Press average of 60 stocks dipped .50 to 219.30.

Dome Mines advanced ¾ among Canadian stocks. McIntyre Porcupine added ⅜ and Aluminium Ltd. ⅛. Distillers Seagrams and International Nickel were ½ lower, Walker Gooderham ⅛.

American Exchange prices were mixed. Canadian Marconi and Scurry Rainbow Oil were off ¼, Jupiter Corp. ⅛. Shawinigan gained ¼, Fargo Oil ⅛, Molybdenite and Preston 1-16.

## Drawings To Be Sold

LONDON (CP) — A collection of drawings of Canadian soldiers will be sold at Christie's Auction Rooms Friday.

They are the work of Augustus John, one of Britain's most distinguished artists, who died last fall at 83. The "Canadian" drawings are among 70 pictures and 115 drawings from his studio at Fordingbridge, Wiltshire.

In 1918 John was commissioned by Lord Beaverbrook, then minister of information, as official artist for Canadian war records. With the rank of major he joined the Canadian Expeditionary Force in France.

His chief work there was a 40-foot cartoon which was destined for a war memorial in Toronto but never finished. It is set in the mining district of Lens with Canadian infantrymen, stretcher bearers, refugees and German prisoners against a background of a battle-scarred town.

Altogether there are 21 drawings of Canadian soldiers up for sale. Other subjects range from nudes to prehistoric monsters, portraits to landscapes. All were completed between 1900 and 1956.
