HURRICANE AT ST. THOMAS.

THOUSANDS OF PEOPLE HOMELESS—300 DEAD BODIES PICKED UP IN THE HARBOR.

New York, Nov. 11. By the arrival of the steamer Marmion, from St. Thomas 1st inst, we have particulars of the great hurricane there. The Surgeon of the steamer reports: We arrived at St. Thomas on the morning of the 30th, and found that the island had been visited the day previous by the most terrific hurricane ever known here, the town being partially destroyed and the loss of life very great. The amount of property destroyed at present is impossible to estimate, and the scene of destruction and devastation impossible to describe.

The wind commenced blowing a pretty stiff breeze about eight o'clock, from the northwest, and about eleven o'clock it changed round to the east and blew a perfect hurricane, carrying everything before it. It lasted about four hours, but during that time raged with such violence that trees were torn up, houses lifted from their foundations and dashed to pieces. Ships and steamers of the largest class as well as smaller vessels were hurled together and either dashed to pieces or sunk. Some fifty or sixty vessels are ashore, dismasted or sunk and part of the crews lost. Thousands are rendered homeless and the amount of suffering, confusion and excitement it is impossible to describe.—There is nothing doing. Everybody seems paralyzed.

On the morning of the 29th, there being indications of a storm, the passengers of the old steamer Conway, Capt. Hammack, did not feel safe to go to sea in her, and wished to be transferred to the Rhone, a new steamer of the line, where they might consider themselves safe in case of a storm. They were accordingly transferred, and both vessels put to sea; but during the storm the Rhone struck on Peters' Island, her boiler exploded and all were lost with the exception of twelve or fifteen. The Conway was thrown on Tortola Island and all hands were saved.

Up to the time of our departure nothing definite in regard to the other islands had been heard, with the exception of Tortola, of which report says that the town is totally destroyed and a number of lives lost. Harbor Master Steinberg of St. Thomas was drowned while nobly attempting to rescue others. Having succeeded in his first attempt he was returning the second time, when his boat capsized and he lost his life. The steamer Columbian came in at about eleven o'clock and at two o'clock was sunk, and six persons lost. Her cargo was valued from $1,000,000 to $2,000,000. The track of the hurricane seems to have been narrow, as the Marmion from Rio and the North America from New York arrived the day after, and neither had experienced more than a stiff breeze. The North America arrived at St. Thomas on the 30th at 2 P. M., and left again at 6 o'clock without coaling; reported all right. A list of the vessels lost has already been published. The following were ashore and damaged: Ship Sarah Newman, Capt. Bryan, was loading cargo of bark Patmos and had about two-thirds of it on board, and will probably prove a total loss. She was built at Newberryport in 1857, was 869 tons register, rated A 1, and was owned by the New York Union Navigation Co. Ship Charles Sprague, Capt Pyke, is a total loss, and thirteen men lost their lives.—The C. S. was an A 2 vessel of 746 tons measurement, was built at Kennebunk, Me., and in 1851, was owned by N. L and G. Griswold of New York. Bark Aberdeen, Capt. Morrison, from Newport, Wales, was discharging coal, a part of which she had out; was driven ashore and badly damaged. The Aberdeen was a fine A 1½ vessel of 943 tons register, and was owned by Lamont & Co. of Bath, Me., where she was built in 1864.

Brig Mecosta, Capt. Norton, was loading the cargo of hides from British brig Princess Alice from Montevido for New York. The Mecosta was owned in Boston by J. S. Emery & Co., was 326 tons register, new measurement, was built at Goldsborough, in 1855, and rated A 2 in American Lloyds. Brig Nellie Gay, Capt. Gay, had just arrived. She was built at Millbridge, Me., in 1866, was 189 tons register, rated A 1½ and insured in New York by J. W. Sawyer.

British brig Wild Pigeon, British brig R. Scole, British Ship British Empire, dismasted, sinking, (the British Empire was 2,679 tons register;) British brig Her Majesty, British Bark Agnes Lamb, British schooner Water Witch, British schooner Elizabeth, British brig Ida Abbott, Captain Clark, (the Ida Abbott was 240 tons register, built at St. John N. B., 1854, and was owned at Tortola); British Brig Princess Alice, Capt. Price (was built at Newcastle, Del., in 1855 321 tons burthen, was formerly the Bennet Flanner, and was owned by Murray, Ferris & Co., of New York, though she hailed from Belize, Hon.); British steamer Robert Todd, British steamer Derwent, British brig Alpha, Captain Davison, from New York, bound here, anchored at Anegada dismasted.

In addition to these are a large number of foreign vessels. About all the coverings of the roofs of houses were blown away, such as tiles, zinc, &c. All the wharves were smashed, and the fort barracks are gone. The light house was destroyed, and about 300 persons have been buried after having been picked up in the harbor. The loss, both on shore and in the shipping, is very large American barque Esther blown off from Sombreno island, was dismasted and was just coming into port.

A View of Washington.—Imagine enormous streets, broader than Regent-street, beginning with a few neat, fine houses; then perhaps, two dirty little shops, such as you would see in the low parts of a second rate English town; then a space consisting of a deep swamp, with a cow lying in it coated with mire; then a tumble-down wooden shanty, such as gipsies would build in a wood, but you would certainly not see in an English village; then two or three more handsome houses; and so on, getting wider and wider apart till the streets seems to lose itself, without any ending, in gravelly, weary common-like ground. Meanwhile, the street itself you must imagine a deep, deep abyss of mud—the mud of centuries it looks like, such as no description of Anthony Trollope's could the least exaggerate. The other side perhaps of what I have described would be an enormous white building—some public office; and then a rather nice-looking small public garden—That is what Washington is like, all over. Pennsylvania-avenue, the chief street, is the only thing the least like a street, and that is very wide-looking. The nicest-looking gentlemen's houses are opposite desolate swamps, right in the middle of the town, or rickety wooden huts; and the enormous breadth of the streets is only matched by the enormous distances—so immense that one takes a walk lasting the whole afternoon to get anywhere where one wants to go; and the arrangement, names, and positions of the streets are so complicated that I shall never know my way to my nearest neighbors Even——, who has a remarkable head for that, is fairly puzzled here; and asking one's way is utterly useless, as no one knows the names of the streets, or where they were, apparently. The names are generally not written up, and several people from whom we have asked "What street are we now in?" have answered, "I don't know—I could not tell you to save my life." This strange city, capital of one of the greatest countries in the world, yet looking like a backwoods' settlement more than anything else, is at present crowded; but people don't seem to think it worth while to build, and consequently the enormous streets stand all unfinished, and people have scarcely any place where to lay their head. And, oh, the abyss of mire in the streets!—I cannot give you any idea of it. Stray pigs and cows and loose horses wander about them at their own sweet will, making the quagmires deeper; and the cart and carriage horses—the few that one ever sees—appear to have abandoned the effort to keep out of it; they don't lift their legs out of the mud but just wade through it. Happily, the walking is better than I expected, except at the crossings, for there are tolerably wide red brick pavements on either side of the street. But driving—oh, heavens! Yesterday we went out in a hired carriage and pair (4s. 6d. the first hour, 3s. the next—not so fearfully dear, you see), and I shall never forget it. We could not of course go out of a foot's pace, and yet at every step we were flung violently against each other, while one wheel sank into unfathomable depths of mud, and the other was bunged up over high ridges in the road.—*Fraser's Magazine.*

AN EFFECTUAL WORM MEDICINE.

Brown's Vermifuge Comfits,

Or Worm Lozenges. Much sickness undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "Vermifuge Comfits," although effectual in destroying worms, can do no possible injury to the most delicate child This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children.

Children having worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of worms in children are often overlooked. Worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. *The combination of ingredients* used in making Brown's "Vermifuge Comfits" *is such as to give the best possible effect with safety.*

CHILDREN TEETHING.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay **all pain** and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced and skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** *in all cases* of **Dysentery and Diarrhœa in Children,** whether it arises from teething, *or from any other* cause. We would say to every mother who has a child suffering from any of the *foregoing complaints* **—do not let your prejudices, nor the prejudices of others,** stand between *your suffering child* and the relief that will be **sure—yes, absolutely sure**—to follow the use of *this medicine, if* timely used. Certificate from a Physician 20 years ago.

Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr. Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the Medicine used, acts specifically on the Worms, and is a perfect regulator of the debilitated system—knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr. Judson's Dead Shot Worm Candy* to all of their patients that are troubled with the common or Tape Worm.

[Signed] C. H. MACPHERSON, M D.
Analytical Chemist.

Old Dr. Judson expressed a wish that this Remedy should be put at such a price as would enable *all*, THE POOR ESPECIALLY, to use it. In deference to that wish, we have put it at following price.

WISTAR'S BALSAM OF WILD CHERRY

THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be far the most Reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Pains or Soreness in the Chest and Side, Bleeding at the Lungs, Liver Complaint, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact over their own signatures. We have space only for the names of a few of these:—

Alex. Hatch, M.D.	A. A. Gibbs, M.D.
E. Boyden, M.D.	W. H. Webb, M.D.

Seymour Thacher, M.D.	S. B. Finley, M.D.

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq.,

of *La Minerve*, Montreal. "Having experienced the most gratifying results from the use of *Dr. Wistar's Balsam of Wild Cherry*, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found *immediate relief*, and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence*."

A CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Aug. 21, 1866.

Messrs. Seth W. Fowle & Son.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with *Whooping Cough* in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of *Dr. Wistar's Balsam of Wild Cherry*. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use your Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE,
Proprietor of the *Courrier de St. Hyacinthe.*

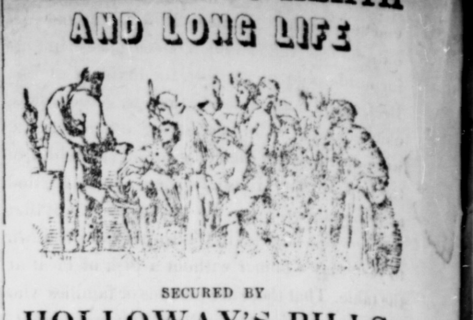
THE ROAD TO HEATH AND LONG LIFE



SECURED BY

HOLLOWAY'S PILLS.

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

Weakness and Debility.

How many persons suffer from debility without knowing the causes why they are feeble! In most cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestive tone; they are, therefore, confidently recommended as a never failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

Disease of the Head and Heart.

These formidable diseases are, unfortunately, of frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain and are the speediest correctors of irregular circulation. If they be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvelious.

Females of all Ages & Classes.

The fame of these Pills is partly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress, universal favor is accorded to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by a recourse to these Pills.

All Disorders affecting the Liver, Stomach and Bowels.

Whenever the stomach, liver, or bowels are disordered by high living, climate, over-indulgence, undue exertion or other causes, these fine regulating Pills will soon rectify the evil, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and dejection.

Despondency, Low Spirits

The misery occasioned by a disordered digestion is, unfortunately, felt by most. These famous pills should be taken in appropriate doses to adjust the disturbed functions. They dispel headache, biliousness, nausea, lowness of spirits, and all similar ailments. A course of these invaluable purifying Pills never fails in removing the cause of such morbid affections, without subjecting the sufferer to any inconvenience.

Influenza, Diptheria, Bronchitis, Coughs and Colds.

In our changeable climate few persons escape without colds, sore throats, influenza, diptheria, or bronchitis, for all of which these famous corrective Pills may be taken with the certainty of effecting a cure. While the Pills are expelling all impurities from the body generally, Holloway's Ointment should be well rubbed upon the chest and throat; it will penetrate the skin, reduce inflammation, and restore lasting soundness.

Holloway's Pills are the best Remedy known in the world for the following diseases:

Agne	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Secondary Symptoms
Bowel Complaints	Headaches	Tic-Douloureux
