

DR. DEWAR AND SCOUT PAUGH

### Queen Scout Certificate Is Presented At O'Leary Dinner

A Queen Scout Certificate was presented to Keith Paugh by Dr. G. Dewar at a father and son dinner which was held in the O'Leary Legion Hall on February 15. About ninety scouts, cubs and Dad's (mother's accompanied by a few of their fathers) were served with a delicious dinner.

The chairman of the group committee, John Matthews acted as master of ceremonies and after a few introductory remarks presented a toast to Her Majesty the Queen.

The cubmaster, Rev. Heber Kelly then called for a minute of silence in memory of John Matheson, one of his cubs who passed away nearly a year ago. The Turner, a cub repeated "He will grow not old, etc." after the silence.

A toast to World Wide Brotherhood of Scouting was proposed by Mr. Kean and responded to by Mr. Kean and responded to by Scoutmaster Lloyd Matthews who commented on his trip to the World Jamboree in England.

The guest speaker was Mr. Gordon Kerr of Charlottetown the Provincial Executive Committee member who spoke to the boys as the founder of the scout movement, Lord Baden-Powell and also of the organization of the movement. Mr. Kerr presented

badges to several cubs for tests which they had passed.

Some very interesting slides were shown by Queen Scout Scott Rogers, Charlottetown, which were thoroughly enjoyed by young and old.

Mr. Alton Raynor spoke briefly extending thanks to the following: O'Leary Legion for the free use of the hall; Mr. Joseph Gallant for preparing the hall for the banquet; The O'Leary Women's Institute (the sponsoring body) for the excellent meal; The leaders of scouts and cubs for their capable leadership; John Matthews for his many years of service in the work first as scoutmaster and then chairman of the group committee; Mr. Raeford MacLean for capable chairmanship of the local Boy Scout financial campaign.

The president of the Institute, Mrs. Ray Jelly, acknowledged the thanks on behalf of the ladies.

The head table seating was as follows: Mr. Raeford MacLean, Douglas Smith, a former scout now with the R. C. A. F.

Mrs. Marie Kennedy, a former cubmistress, now an energetic member of the group committee, Dr. L. G. Dewar, M. L. A., Cubmaster Kean, John Matthews, Gordon Kerr, Scoutmaster Lloyd Matthews, Scott Rogers, Mr. Alton Raynor, a valued member of the group committee, and Mrs. Alton Raynor, secretary of group committee who contributed a lot of time and work to make this banquet the success it was.

The unavoidable absence of Father Pitre, Rev. Ross Howard, assistant cubmaster, Rankin MacKinnon, assistant scoutmaster, and Ralph Adams was very much regretted.

BEDEQUE

Mr. and Mrs. Charles Craig, their daughter and son Halifax, were recent visitors at the home of Mr. Craig's parents, Mr. and Mrs. Vernon Craig, this village.

Mr. and Mrs. Lloyd Best, Lot 16, spent a day or two as guests of Mrs. Best's father, Mr. Sinclair Affleck and brother Lloyd, as well as Mrs. Best's brother, Mr. Robert Affleck and Mrs. Affleck.

Recent visitors at the home of Rev. Ernest and Mrs. Weeks were Mr. and Mrs. Clinton Milligan and their three children of Halifax.

Mrs. Robert Affleck is still confined to her home through illness.

On March 5th the children of the Bedeque school observed Education week by staging an entertainment in the school house. A good time was had.

About twenty of the young people of the congregation of the United Church here met on Sunday afternoon, March 9th and formed a "young people's choir". Mr. John Havenga is the leader.

Mrs. Calvin Cotton, Dartmouth, N.S., paid a visit to Bedeque at the home of her mother, Mrs. E.S. Weeks and Mr. Weeks.

Mrs. Ralph MacCaull, Carleton Place, recently spent a few days visiting with friends in Halifax.

Mrs. Lloyd MacWilliams has returned to her home in Carleton, after being under treatment in the Prince County Hospital for some time. B.Q.

ALBERTON

Mrs. Daniel Gavin, Alberton South, spent the greater part of last week in Saint John, N. B.

Miss Helen Bryan, P. W. C. Student, spent the weekend with her parents, Mr. and Mrs. Bryan, Alberton.

Mrs. John A. Callaghan is being welcomed back to Alberton after having spent several months in Saint John, N. B.

CONTRIBUTE TO Music Festival Scholarship

The regular monthly meeting of the Women's Business and Professional Club was held in the Presbyterian hall Tuesday night at which time it was decided to subscribe an amount to the Island Music Festival scholarship fund, also to contribute to the Akroping School for the Blind in Ghana, which is the federation's national project for this year.

A very interesting program, under the direction of Lillian Cudmore, was enjoyed by the members.

ALBERTON Man Was 89 Sunday

Mr. Paul Gaudin of Alberton celebrated his 89th birthday on Sunday. During the winter months Mr. Gaudin has not enjoyed very good health, so the day was spent quietly with his family. He received messages of congratulations by telephone from his daughter, Miss Annie Gaudin in Boston and from many friends in Alberton.

### Boy Is Pulled Unconscious From Water But Recovers

Ronnie Shaw, two-year-old son of Mr. and Mrs. Lorie Shaw of Cambellton narrowly escaped death by drowning Saturday afternoon.

The little boy had been playing in company with an older brother near the shore where his father was engaged in building lobster traps. Ronnie had been sent to his home not far away. Later Mr. Shaw noticed foot prints leading towards the shore and on investigation he found his son unconscious in the water where he had apparently fallen from a cake of ice. It was thought that a heavy snow suit kept the boy from sinking beneath the water. Artificial respiration was applied immediately and Dr. Dewar called to the scene from O'Leary.

The accident victim was rushed to the Community Hospital in O'Leary in a semi-conscious condition. He was reported to be in good condition yesterday but was kept in hospital for observation.

### MacNaught Says Island P.C.'s Silent On Potato Price Aid

"Not one of the four Island Conservative representatives spoke up in Parliament to say even one word to have potatoes included in the Farm Bill when it was discussed in the Commons," said Mr. J. Watson MacNaught, Liberal candidate for Prince, at Alberton on Saturday night.

"Our four Island Conservative members were as mum as the proverbial oyster. Not a sound word out of them on behalf of the potato farmers of Prince Edward Island. With regard to the farm bill it has been said by Tory critics that the Liberals first criticized the agricultural bill and then voted for it. But it was a very different bill by the time it reached the voting stage, it was practically unrecognizable from the original draft.

"Every farm organization in Canada was against the bill and for good reason," said Mr. MacNaught. "When in opposition the Tories decried at every opportunity the plight of the farmers and the poor prices they were receiving. Despite this they presented an agricultural bill that gave the farmer only eighty per cent of the average price over those ten years in which they claimed the prices were so low.

"In view of this alone," Mr. MacNaught asked, "do you think they are worthy of your support on March 31st."

ALBERTON HIGH Series Of Speakers Heard During Education Week

During Education Week, a committee of the Alberton Women's Institute arranged for several speakers to visit the High School. On Tuesday afternoon, Mr. William Reddin spoke on the topic, "Nature in Literature."

Mr. Douglas Nicholson addressed us on "The History of Pharmacy" on Wednesday afternoon. Besides dealing with the history of pharmacy, Mr. Nicholson also spoke about the education of the modern pharmacist. Mr. Roy Leard gave us a description of "Radio and Electronics" on Thursday afternoon.

The final speech was on Friday afternoon when Rev. C.J. Riley spoke on "The Life of a Child in Africa". Mr. Riley also told us about several amusing incidents that occurred during his life in Africa. Each of these speeches was enjoyed by the High School students as well as the ladies of the Community who visited the school.

Mr. Malcolm MacKenzie, assistant director of education paid a brief visit to the High School on Friday.

Grades nine, ten, eleven and twelve viewed several films on Thursday morning. The first of these was "Prince Edward Island" which described the farming and fishing industries, Charlottetown, the only city, Summerside, the largest town, and the various beaches of the National Park area in our province.

The second film "Royal Scotland", showed us the beauties of Scotland with a background of a girl's choir, singing traditional Scottish melodies.

Thirdly "Mechanics of Breathing" was a technical animation of the exchange of gases in the lungs and body tissue. The final film, "Your Body", described the working of the various parts of the body and our responsibilities for its care.

PLAYOFF HOCKEY CIVIC STADIUM TONIGHT, MONDAY

Parkdale Flyers vs. Intermediate Aces

### Mt. Carmel Man Dies In The U.S.

Mrs. Joseph Linkletter, Summerside, yesterday afternoon received a telegram announcing the death in New Bedford, Mass., of her father, Mr. Joseph B. Galland at the age of 91 years.

The deceased was a native of Mt. Carmel and for several years lived in Summerside before moving to New Bedford 34 years ago where he has since resided. His wife predeceased him in 1935.

Interment will take place in New Bedford.

MISCOUCHE

Friends of Mrs. Edna Gaudet will be glad to know that she has recently returned to her home in Miscouche after having undergone surgery in the Prince County Hospital.

On Monday and Tuesday evening the high school pupils of Marian Academy presented four plays and music selections to a large audience in the parish hall.

On Wednesday March 5, a meeting of the Miscouche sub-division of the Catholic Women's League was held at the home of Mrs. D.H. Gallant. Mrs. Harold Perry presided.

Friends of Mrs. Charles DeCoste will be glad to know she has recently returned to her home in Miscouche after having spent some time receiving treatment at the Charlottetown Hospital.

Many parents of the school pupils visited the classrooms on parents' day, during education week. Each class gave a short program then the winners of essay contests and drawing contests were presented with prizes.

Friends of Mrs. William DesRoches, Miscouche, will be sorry to learn that she has been confined to her home through illness.

Peter Steele, Justin McNeill and Patricia Poirier students of St. Dunstan's University, recently spent a weekend in Miscouche at their respective homes. D.M.

FAITHFUL GUARDS

NORTH SHIELDS, England (AP) — Three savage Alsatian dogs guarding the body of their recluse owner held five policemen at bay for 90 minutes Thursday. The officers were forced to shoot all three dogs before they could enter the waterfront home of Maltese Freddie Farrigiua, 76. He apparently died of natural causes.

THE FARM PRICE STABILIZATION

The official figures showing the percentage of increases for all the Provinces were read by the speaker to prove his statement that the Island received the highest increase of any other province P. E. I. 61 per cent; Newfoundland 56; New Brunswick 43; Nova Scotia 40; Quebec 10, Ontario 10, Manitoba and Sask. 10, Alberta 11, and British Columbia 4.

Mr. W. R. Shaw, Provincial Conservative leader, described the Premier's action in the Legislature Friday as a most incredible performance of evasion from a public man. With four portfolios in the hands of the Premier and his own private business to attend, coupled with the fact that other ministers spend only about one day a week in their offices, Mr. Shaw said, it was no wonder that there was laxity in the administration.

PEARSON SAYS Thanks To All

The following telegram was received on Saturday by Dr. A. R. Grant, provincial member of the Liberal national committee from Lester Pearson following his recent visit to Summerside and Charlottetown:

"Please extend my sincere thanks to all the people of Prince Edward Island and especially the members of your committee and your workers for their impressive welcome and their grand job of organization."

SCORES PREMIER'S STATEMENT RE ALLEGED "SHABBY DEAL"

"Premier A. W. Matheson's "shabby deal" statement in the Provincial Legislature Friday was a tirade of misrepresentation that made my blood boil," said Dr. L. George Dewar, M. L. A. in his address to the Conservative rally in O'Leary Saturday night.

Dr. Dewar compared to the situation under the former Liberal administration when the Province was requested to repay an over-payment of a million and a quarter dollars. The annual \$2,500,000 grant with no strings attached could by no means be called "shabby treatment". Dr. Dewar recalled a statement by a former Liberal leader who said he would not provide a five cent piece for a Conservative Government.

### Scores Premier's Statement Re Alleged "Shabby Deal"

PEARSON SAYS Thanks To All

# CONGRATULATIONS

And Best Wishes To The

# J. & S. STORE LTD.

On The Grand Opening

Of Their

# New Store In Summerside

The J. & S. Store is the first structure of its kind to be built on the Island. The shell of the building was COMPLETED IN 4 1/2 DAYS, by 3 CARPENTERS and 2 LABOURERS working an 8 HOUR DAY. Such a feat was only possible by using Sylvaply Plywood. The Plans, Plywood, Lumber, in fact all of the material was supplied by SCHURMAN'S — the Island's "ONE STOP" BUILDING SUPPLY CENTRE. Schurman's invite your inquiries regarding this and many other designed Buildings built by SYLVAPLY PLYWOOD.

## RIGID FRAME STRUCTURES with sylvaply plywood sheathing

SYSTEM IS VERSATILE

The rigid frame system can be applied to almost any type of building. Because such buildings are fairly simple to pre-cut and are quickly erected, the method is particularly favored by farmers. Hundreds of rigid frame poultry houses have been built, and the idea has been utilized for many other farm structures including machine sheds, tobacco pack barns, livestock barns, hog houses, cattle sheds, and fruit storage warehouses.

Industrial uses for rigid frame buildings include factories, warehouses, bunk houses, mess halls, aircraft hangars, boat-builders' shelters, and project field offices, to mention just a few.

IDEAL FOR COMMUNITY BUILDINGS

Rigid frame buildings are also ideally suited for community buildings such as halls, churches, etc. Church congregations, clubs, and associations have erected many rigid frame buildings. The work has been done quickly and satisfactorily, usually by group members who possess little or no formal construction training.

A new rigid frame church built at Cookesville, Ontario, by members of the congregation boasts a full basement and handsome stone end walls. This project was so successful that the erection of others is planned for other parts of the country.

Economical, post-free, wide span buildings of all kinds—for farm, community or commercial use—are simple and quick to build with the rigid frame system described in this plan. The system, developed by engineers of the Plywood Manufacturers Association of B. C., consists simply of "arch" rafters formed with four pieces of straight lumber joined together with nailed fir plywood gussets. With Sylvaply plywood cladding, buildings of any length in clear span widths ranging from 14 feet to 39 feet can be built at costs as low as one dollar per square foot for labor and materials. All the materials needed are noted by the M. F. SCHURMAN CO. LTD., Kensington, Summerside and Charlottetown.

NOTE:—The "single skin" lapped plywood roof shown in this plan is a different approach to the usual form of a roof which has two "skins" consisting of permanent roof material applied over plywood used as roof sheathing. However, when painted with asphalt or good oil paint, low-cost "single skin" plywood roofs will give many years of service and may later be covered with roofing material if desired.

FREE SYLVAPLY PLANS

From a kiddie's toy to a farmer's granary. Sylvaply plywood helps make it better and easier. Pick up your plans at SCHURMAN'S.
