### GIRLS MUST HAVE A GUARANTEE.

The young men of Norway are jubilant over a law lately passed in that country providing that in future any woman who desires to get married must present to the proper authorities a certificate showing that she is skilled in the arts of cooking, sewing, knitting and embroidering.

### A NOTED WOMAN FORGER.

Miss Marie Josephine Eastwick, of Philadelphia, charged in the London police court with forging railway certificate to the value of \$100,000 sterling, is to be tried at the Old Bailey, Oct. 21. When finally committed she turned as pale as death and staggered from the dock, assisted by the jailers.

### DEPLORABLE STATE OF AFFAIRS.

The Times prints the following despatch from Constantinople: "Reports received at all the embassies from the consuls in the provinces describes the situation everywhere as so deplorable that an ambassadorial conference and collective actions are contemplated."

### DISEASE ERADICATED.

During the whole of 1900 no case of rabies in England or Scotland, and it is asserted with confidence that the disease, which has been present for centuries, has been entirely eradicated.

### MEDICAL SCIENCE ADVANCES.

It is not more than half a century ago that physicians considered a surgical operation with its risk, expense and pain as the only cure for piles. To-day it is only the cure of date doctors that think of such treatment. It is cruel and extravagant to operate for a disease which is far more certainly cured by application of Dr. Chase's Ointment. You may be skeptical, but for proof you are referred to tens of thousands of cases that have been cured by this famous preparation.

### BUT THEY MAY BE FIRED.

We don't think that any of those khaki-clad soldiers will be shot for insubordination.—Hamilton Times.

### GARRIER PIGEONS WILL ALWAYS RETURN.

A number of years ago Mr. Howard Folger owned a fine collection of carrier pigeons, says the Kingston News. When he got tired of pigeon raising he gave the birds to William Pickering who resides in a distant part of the city. Although about twelve years had passed since the transfer of the pigeons, they broke out the other day and went back to Mr. Folger's loft.

To cure a headache in ten minutes use Kumfort Headache Powders.
