**Teachers' Convention Held At O'Leary**

The annual convention of the West Prince Public School Teachers was held in the O'Leary School on September 5th. The convention opened with an address by the president, Earl Jelly, B.A., of O'Leary who stressed the importance of the great work which is being done by the executive of the Teachers Federation. A hope was held out that during the present year an increase in salary may be expected.

The secretary was Mrs. Mary MacIsaac and the following committees were appointed: Nominations, Mrs. John Matthews, Mrs. Harold Doyle, Miss Esther Stewart; resolutions, Lewis MacKenzie, Mrs. Frank Dunn, Harold Morrison; press, Mrs. Mary MacIsaac; Miss Marion Ellis, Miss Bernice Gallant.

A report from Mr. J. A. S. Williams, secretary of the P. E. I. Teachers Federation was read by the president. Many helpful ideas and words of encouragement were given out. A fine paper entitled, "Observations in the Classroom" was read by the supervisor, Mr. Merritt E. Callaghan. The following points were mentioned: (a) Do not tell pupils what they themselves may be able to contribute; (b) Do not teach one pupil at a time, create an audience situation in class; (c) Notes should be a record of the findings of a group; (d) Intelligent questioning is important; (e) Inadequate use of teaching aids was also mentioned. Mr. Lewis MacKenzie, Principal of the O'Leary School then gave a

**HAMPSHIRE W. M. S.**

The regular monthly meeting of the Hampshire Auxiliary of the W. M. S. was held in the church on Tuesday evening, Sept. 4th.

Mrs. J. F. Easton as leader opened the meeting with hymn, "Lord of the Lands", followed by Scripture taken from Deut. 8, verses 7-9. Responsive reading was taken from Psalm 72.

This being Canada year in the "United Church of Canada", the theme was "The Church of the Frontiers". Mrs. Geo. Kitson read the poem, "God sends no churches from the skies; out of our hearts must they arise."

Mrs. Easton and Mrs. Hibbert Tremere representing Canada and the Home Missions led very interesting discussions.

Worship period closed with reading of hymn in unison, "From Ocean to Ocean". Minutes of last meeting were read by Mrs. Chester White, which brought on a discussion on packing the box for Labrador, to be sent in the near future.

Two members contributed to birthday box. Members also contributed towards ice cream for baby band.

Mizpah Benediction brought the meeting to a close.

very fine demonstration on arithmetic. Miss Marie Bowness, Director of Junior Red Cross was then introduced by president Jelly. She spoke about the place of Junior Red Cross in the pattern of education and the three-fold objective of J. R. C. was discussed. The activities provide a channel for school resources.

**Afternoon Session**

The afternoon session opened at 1:30 p.m. with the president in the chair. Mrs. Frank Ross was introduced and gave a very fine address on English Literature. Resolutions committee under the leadership of Mr. Lewis MacKenzie brought in their findings. Then followed a discussion on monthly reports and reports at the end of the term.

The Director of Education for the Province, Dr. L. W. Shaw of Charlottetown was the next speaker and spoke on the attitude teachers should have toward their work, also the attitude which is shown by the School Boards. He stated if all schools were closed, civilization would be put on the rack. He advised the teachers to associate themselves with church, home and society in general, and told the meeting teachers are tremendously important people.

Dr. Shaw presented "Modern Teaching Practice and Technique," published by Longmans, and said teachers are dealing with bundles of possibilities (children). Questions were then answered by Dr. Shaw.

Mrs. John Matthews, O'Leary brought in the report on the election of officers for the following year as follows: President, Earl Jelly, B.A. (re-elected); vice-president, Terrence Gallant; secretary, Mrs. Mary MacIsaac (re-elected). The meeting adjourned with the National Anthem.

**Resolutions**

1. Be it resolved that a vote of thanks be extended to the Trustees of the O'Leary School for the use of the school for the convention.
2. Resolved that the Dept. of Education place in the hands of the teachers the supplement to the Course of Studies prior to June 20th rather than the present system.
3. Resolved that the present annual and semi-annual reports be simplified and the monthly reports abolished.
4. Whereas many teachers, especially beginners, find it difficult to meet financial obligations, under the present system of ten monthly payments, be it resolved that the teachers be paid at the end of August.
5. Resolved that a vote of thanks be extended to the following: Dr. L. W. Shaw, Director of Education; Mr. MacPhail, Chief Attendance Officer; Mr. Merritt Callaghan, District Supervisor; Miss Marie Bowness, director of the Junior Red Cross; the president, Earl Jelly; also to Mrs. Frank Ross and to all who have contributed to the success of the convention.

The following teachers attended: Mrs. Mary MacIsaac, Montgomery; Mrs. Mae Palmer, O'Leary (primary); Miss Pearl Craig, O'Leary (intermediate); Mrs. Helen Stewart, Glengarry; Miss Rita M. Kelly, Howland; Gerald Kelly, O'Brien

**Follow Official Precedence Table For Royal Visit**

By GEORGE KITCHEN

Canadian Press Staff Writer OTTAWA, Sept. 12.—(CP)—Canada's official table of precedence, which bears the King's approval, will be used in all Federal functions for Princess Elizabeth and the Duke of Edinburgh during their October tour of the Dominion.

The table, which originated in the early days of the British monarchy, determines the order of presentation of officials and other high-ranking persons at royal and state functions. It was put into law in Britain about the 16th century.

In Canada, the table places the Governor-General first—in the United Kingdom the sovereign has first rank—followed by the Prime Minister, the Federal cabinet and the lieutenant-governors of the 10 Provinces. Members of the church, the judiciary, the military and the state follow in an established order.

Curiously, though Ottawa is a national capital, the Canadian table gives no place to diplomatic representatives.

However, by courtesy, they are placed behind the lieutenant-governors.

Generally, the provincial tables place the lieutenant-governor first, followed by the premier and members of the provincial cabinet. From there on, the order closely follows that set out in the Federal table.

There is no table of precedence for municipal ceremonies. However, officials here say that even the tiniest hamlet can adopt the official table to local use.

For example, the mayor or reeve would come first as the highest municipal official. The members of his council, in a sense his cabinet, would be next, followed by consul-general or other foreign representatives, local church dignitaries, military officials and so on.

**Table of Precedence**

Here is the official table: Governor-general or officer administering the government.

Prime Minister of Canada.

Members of the Federal Cabinet according to seniority.

Lieutenant-Governor of Ontario.

Lieutenant-Governor of Quebec.

Lieutenant-Governor of Nova Scotia.

Lieutenant-Governor of New Brunswick.

Lieutenant-Governor of British Columbia.

Lieutenant-Governor of Prince Edward Island.

Lieutenant-Governor of Saskatchewan.

Lieutenant-Governor of Alberta.

Lieutenant-Governor of Newfoundland.

Diplomatic representatives, according to date of appointment to Ottawa.

**WHAT WONDERFUL NEWS IT WILL BE**

when the word is flashed that cancer has been conquered. Even though 10,000 Canadians were saved from cancer last year, the cancer death rate remains a challenge.

**NEW CASES OF CANCER** arise at about the same rate from year to year . . . 200 new cases per 100,000 population. Most of these people have cancer of the skin, breast, uterus, stomach or bowel. Our Cancer Educational Program points out the common early symptoms of these forms of cancer . . . and urges a prompt visit to the Doctor when any sign of cancer is found.

**P. E. I. DOCTORS** say we are making headway. More people are getting help early . . . much earlier than they did a few years ago. This means that many more will return to health because early treatment is most effective against cancer of the skin, breast, stomach, uterus or bowel.

**SIX ISLAND DOCTORS** went to the Mayo Clinic last year to learn the newest techniques in the diagnosis and treatment of cancer. More Doctors are slated to go next year.

**THE NATIONAL CANCER INSTITUTE** hopes to expand its program of fundamental research and the training of competent research workers. Money contributed in 1950 helped support 80 research projects and provided 14 scholarships for training research workers.

**THE AMMUNITION TO CONQUER CANCER** is in your own purse. Your dollars pay for the laboratories, the research workers and the educational materials we need to tell the facts of cancer to all our people. Surely such a worthy cause will find you ready to do your bit. Give with the knowledge that you are building a defense against a great enemy of Canada's health.
