BREAK BERLIN WALL. BERLIN (AP)—East German border guards have started tearing down a 200-yard section of the Communist wall along the West Berlin border, replacing it with a wire-mesh fence. As some workers, other armed guards stood nearby to prevent possible escapes. The wire fence will replace the 100 miles of wall and barbed wire now ringing West Berlin.

REFLECT OLD WAYS. Nearly half New York City's residents were born abroad, or are first-generation immigrants.
