

It is currently being used as a training manual by the R.C.M.P.

Charlottetown isn't a training depot, and we would have no way of knowing if the document is valid.

It must be examined before its validity could be given

I'll wait for the Solicitor-General to answer.

It is only part of a course for senior officers with five to fifteen years experience.

It would be naive to assume that the R.C.M.P. are currently using this document!
