SOCIETY ITEM.—Two American girls, of New Bedford, Mass., one 23 years old, and the other 19, are to marry two Chinamen, Moy Sing and Moy Lee.

NAVAL.—H. M. S. Pylades sailed this afternoon. She will probably return about the 1st July.

PRESENTATION.—Joe Landon, the heavy weight boxer, was presented with a gold watch and chain by a number of Boston friends a few evenings since.

DEBT.—Uncle Esack says that debt is a good deal like the old-fashioned, wire mouse trap—the hole to get in at is four times as big as the one to get out at.

MISS JENNIE MCGARRY.—The recitals of this talented vocalist will take place in the Y. M. C. A. Hall, on Friday evening, 29th inst., instead of Tuesday, as at first announced.

FOR HALIFAX.—The steamer M. A. Starr, Capt. Ferguson, arrived from Halifax at 8 o'clock this morning with the full cargo and one passenger—John McCormack. She will load with lobsters and pork, and sail on return this evening.

BALL.—His Honor Lieutenant-Governor McDonald entertained a large number of ladies and gentlemen, (including several officers of the H. M. S. Pylades), at a ball at Government House, last night. All present thoroughly enjoyed themselves.

REVIVAL SERVICES.—Special services to-night at the Christian Church, Upper Great George Street. At the close of the preaching service baptizing will take place. Dr. Burr will preach this evening at 7.45, having for his theme, "Holiness unto the Lord of Hosts."

CHOKED.—A man named Harris, living at Turns Bay, N. S., was choked last Sunday, while at his dinner, by a large bit of meat sticking in his throat. The persons who were at the table with him ran out to procure assistance. On their return they found the unfortunate man dead.

SHIPPED.—The brig Peccers sailed this morning for Hamilton, Bermuda, with the following cargo, shipped by A. Horne & Co.: 429 sacks black oats, 98 sacks white oats, 148 bundles hay, 2 casks and 4 barrels earthenware, 10 cases lobsters, 1 bbl. oatmeal, 1 bbl. pearl barley, 1 case Island tweed, 1 milch cow.

PERSONAL.—Mr. Frost, the new curate of St. Paul's, arrived last evening. He will be ordained deacon by His Lordship Bishop Courtney, in St. Paul's Church, on Sunday morning next at ten o'clock. It is expected that Rev. Dr. Hole, of St. Paul's, will preach on the occasion. Mr. Frost is a well-known newspaper man of Ontario.

THE INJUNCTION CASE.—The arbitrators in the chancery suit of Smith vs. the Water Commissioners are sitting to-day. This morning they examined the land for which damages are claimed and this afternoon they are hearing evidence. Mr. Hodgson, Q. C., appears for the plaintiff; Messrs. Warburton & Smallwood for the Commissioners.

WON THE PRIZE.—Miss McCready, of St. John, N. B., won the British-American Citizen prize of \$10 for the best article descriptive of any of the watering places in New Brunswick or Prince Edward Island. Her essay was on Dalhousie, and was written over the initials "E. A. M." We have not heard that there were any competitors from P. E. Island.

RELIGIOUS.—Bro. Gerardus, of St. Joseph's Institute, Amawalk, N. Y., leaves in the steamer Carroll this evening, accompanied by a number of boys who intend entering the institution. Their names are Joseph McLellan, Rustico; Bruno Donette, do; Peter Duffy, Emerald; P. Happenny, do; Ronald McDuffell, Springfield; Patrick O'Donnell, Avondale; Ambrose Campbell, Indian River; Francis Croker, Freetown; Charles Macdonald, Peake's Station; and W. Bradley, Baldwin's Station. The boys range in age from 14 to 17.

A DEAD ACTOR.—Mr. H. W. Farris, the actor, who died at Winthrop, Mass. a few days ago, had been for ten years a prominent member of the Boston Comedy Company. He was born in St. John, N. B., in 1854, and was 34 years old at the time of his death. His last appearance was in Oldtown, Maine, May 30, as Hendrick Vedder in the last act of Rip Van Winkle. Mr. Webber, the manager of the company, bears ample testimony to the excellent character of the deceased, both personally and professionally.

NEW CRUISER.—The Halifax Herald of the 20th says:—"The new Government cruiser, C. H. Tupper, sailed under sealed orders yesterday afternoon. The C. H. Tupper is a beautifully modeled schooner of 99 tons, 7 feet keel, 32 feet beam, and 9 feet 6 inches hold. She was built by Joseph McGill, of Shelburne, especially for the fishery protection service, and is well adapted for the work. She is built for speed, but an opportunity has not yet been presented to test her in this respect. The despatch with which the work was carried on speaks well of the builder. Forty days after the keel was hauled into the yard, the vessel was at the Marine and Fisheries Wharf in this city. Capt. Quigley is in command, and before the season closes will make the name of the C. H. Tupper known to the continent.

ST. JOHN'S LECTURE.—We see by Halifax papers that ex-Governor St. John has been stirring up the politicians by his advocacy of the temperance people forming themselves into a "Third party." The Herald concludes a lengthy notice of his lecture thus: "He described the Republicans as carrying a church on one shoulder and a saloon on the other; and the Democrats as carrying a saloon on each side. Amusing illustrations were given of how the temperance voter was whipped into line by the politicians of both parties. According to Mr. St. John's opinion, the organization of a Third party was the only way that Prohibition could be accomplished." His lectures are witty, and are masterpieces of logic and eloquence. He lectures here on Monday evening next, the 25th inst.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

SPECIAL DESPATCHES TO THE EXAMINER.

Presbyterian Conference.

SUMMARY OF PROCEEDINGS.

HALIFAX, June 20.

When the General Assembly opened this morning, Mr. McDonnell continued his arguments against the resolution declaring the liquor traffic contrary to the Word of God. If it were, he said, every seller, every manufacturer and every drinker should not be allowed church ordinances. This resolution required that every one of these must be disciplined. He argued that each one should be asked to do what he could for the suppression of the liquor traffic in the way he thought best.

Mr. Herridge, of Ottawa, seconded Mr. McDonnell's amendment, which was also supported by Dr. McKee, of St. John, but the following was carried by a vote of 149 to 10:—That the Assembly declares its conviction that the general traffic in intoxicating liquor is contrary to the Word of God, and the spirit of the Christian religion, that total prohibition would be the most effective form of temperance legislation, that it is in the highest degree expedient that they should pass an efficient liquor law and therefore the assembly urges upon all the members of the Church to use all legitimate means to secure such legislation.

Mr. MacDonnell entered his dissent as did also one or two others. A deputation was appointed to wait on the Methodist Conference in session to-day.

The Committee of Systematic Benevolence re-appointed and divided into an Eastern and Western section.

On motion of Principal McKnight a committee was appointed to consider whether students preparing for foreign mission work might not take medical subjects instead of one or more art subjects.

On motion, Walter Paul's testimony to the great assistance rendered to the cause of temperance by the Women's Christian Temperance Union was recorded.

Several resolutions were made on the reception of the book of forms, but the same committee was appointed and the matter sent back to the Presbytery to report on.

This afternoon many of the members accepted the invitation of the Admiral to visit the war ships, where they were courteously received.

Many members left to-night, and the Assembly expects to rise to-morrow.

Lieut.-Governor Ritchie's reception was attended by many of the Commissioners and their wives to-night.

News from Ottawa.

OTTAWA, June 20.

Colonel White, Secretary of the Post Office Department, has been promoted to the position of Deputy Postmaster General, vice Griffin, superannuated. The appointment is an extremely popular one.

The difficulty regarding the command of the Wimbledon team was finally settled to-day, by the appointment of Col. Bond, of Montreal.

The vacancy on the Supreme Court bench, created by Judge Henry's death, may not be filled for some time. There is now a full quorum of the court. The appointment of the Minister of Justice would be everywhere well received, but he says positively he will not take it. There is a rumor that the present Chief Justice intends to ask for his superannuation, to which he is justly entitled. The next Chief Justiceship goes to the Province of Quebec, as Ontario and the Maritime Provinces have each had their representative.

Another Poisoning Case.

PITTSBURG, Pa., June 20.

Early this morning Mrs. Josephine Marik, of Allegheny City, administered strychnine to her three children, Mary, Helen and Ellen, aged 7, 3 and 4 respectively, and then swallowed a large draught of the deadly poison herself. In less than 30 hours Mary, Helen and the mother were dead. Little Ellen is in the throes of convulsions, with no hope of recovery. The motive for the deed was anger at her husband, because he ordered a boarder from the house whom he suspected of criminal intimacy with his wife.

The First Train.

FREDERICTON, June 20.

The first train crossed the new railway bridge at noon to-day and a large number were present to witness the event. Rapid progress is being made with the extension on the city side. It will not be a year till August 15 when Lady Macdonald laid the corner stone. The bridge consists of nine spans, six being 242 feet two inches each, two 166 feet each, and one span 243 feet.

That Libel Case.

MONTREAL, June 20.

In the Court of Appeal to-day, judgment was given in the libel suit of Ludlamme vs. Toronto Mail. The court confirmed the verdict of the court below, granting \$10,000 to the plaintiff, and dismissed the motion for an arrest of judgement and new trial. Judges Church and Baby dissented on the ground that the damages awarded were excessive, but the majority of the court were against them.

A Bad Pair.

ST. THOMAS, Ont., June 20.

C. H. Whiting, the Michigan "Doctor," charged with criminally assaulting his young niece, in this city, was to-day sentenced to twenty three months imprisonment with fifty lashes.

TORONTO, June 20.

Benj. Graham (mulatto), received ten lashes at the Central prison this morning, being the first instalment of twenty. He was convicted of criminally assaulting two little girls.

The Intercolonial Express Co.

The Intercolonial Express Co., which has offices in Charlottetown and Summerside, does a large amount of business and is a very great public convenience. What strikes us as an extraordinary anomaly, however, is that if you wish to send a parcel from Summerside to Charlottetown or vice versa by this Co., it must go via St. John, Truro, Pictou, etc.; or if a resident of Summerside is notified that there is a package for him at Charlottetown, he must either order it round by way of St. John or go to Charlottetown to sign for and receive it. A few days ago we conversed with a gentleman from Charlottetown who had been obliged to come here to receive a parcel which had arrived for him by express. The contents were sufficiently valuable, as it happened, to make the journey worth the trouble.

The foregoing, clipped from to-day's Summerside Journal, is incorrect. There would not be any advantage in the Intercolonial Express Company having a local branch, as goods would only be shipped by railway as at present done by that department, therefore "parcels from Summerside to Charlottetown or vice versa" need not go "via St. John, &c." It strikes us as an extraordinary anomaly that "a gentleman from Charlottetown" should have his parcels addressed to Summerside. He must bear his own blunders. Consignees residing along the line of railway have their goods always forwarded to destination and are not "obliged to come here to receive a parcel."

At the residence of her son-in-law, Black River, on the 29th ult., Janet Bell, widow of the late Donald McEachern, Brackley Point Road, in the 87th year of her age. She emigrated with her parents from Colonsay, Scotland, to this Island in the year 1816 and settled in Cove Head. She was of a mild, retiring disposition, a good neighbor and a kind friend. She leaves five daughters and one son, besides grand children and great grand children to mourn their loss. She was for many years a member of the Church of the Rev. Donald McDonald. She passed peacefully to rest, "So He giveth His beloved sleep."
