

BURNETT'S COCOAINE!

How many persons abuse this delicate and beautiful ornament, by burning it with alcoholic washes and plastering it with grease, which has no affinity for the skin and is not absorbed.

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ENYSEPLA, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the four humors which fester in the blood at that season of the year. By the timely expulsion of these many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overturned.

Sarsaparilla has, and deserves such, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

THE MIGHTY HEALER.

WORLD KNOWN AND WORLD TRIED.

HOLLOWAY'S OINTMENT.

Its adoption in the most famous public hospitals at home, and in most of our colonies, and the voluntary testimonies of persons in all quarters of the globe, who have given it a fair trial, have established a world-wide reputation for this purifying and healing Ointment. It penetrates, with marvellous power, to the seat of an internal disease; and in all external disorders, its application has a rapidly and completeness of effect that resembles magic.

ERYSIPELAS AND SCROFULOUS SORES

Are two of the most common and virulent disorders prevalent in this country. For these the Ointment is an absolute specific. It first eradicates the venom and then completes the cure, if of 20 years standing.

BAD LEGS, OLD SORES, AND ULCERS.

Any of the above class of cases that have pertinaciously refused to yield to any other medicinal application, invariably succumb to this benign, yet powerful Unguent, which soon removes Elephantiasis and the worst forms of skin diseases, prevailing in this part of the globe.

PILES AND FISTULAS.

Every form of these prevalent and stubborn disorders is eradicated by the use of this emollient, warm foaming ointment should precede its application. It effects in a short time a certain, thorough and permanent cure. Rheumatism and gout are also instantly relieved.

BRONCHITIS AND ULCERATED SORE THROATS.

Extract of a Letter from Mr. James Downing, of Paris-street, East-end, to Professor Holloway.

Sir—Your Ointment and Pills have effected upon me a perfect cure of a dreadfully diseased throat, arising from cold, which ultimately terminated in bronchitis. The medical aid I received was unable to combat with the disease, and I was rapidly sinking under its influence. At this stage, I had recourse to your medicines, which, in a few hours relieved me, and I am happy to inform you that in less than a fortnight I was entirely cured by them. In changeable climates, these medicines should be always at hand.

CHARMING FACES FOR LADIES.—A CLEAR SKIN.

A word to the ladies.—Ladies anxious to renounce adulterated cosmetics, often go to the perfumer, when they should go to the Chemist, and ask for astrigent lotions, when they should take alteratives and aperients. The only genuine and really safe and harmless yet thoroughly efficacious cosmetic now sold in London or elsewhere, is Holloway's Ointment. If this inestimable preparation be applied externally to all pimples, blotches and discolorations, while the blood is being purified and the depraved humors corrected by the Pills, as soon as the face has been beautified, but the whole system be cleansed, improved and strengthened, and the effect will not be temporary and superficial, but the best and permanent.

CONTRACTED AND STIFF JOINTS.

Extract of a Letter from Mr. Joseph Rogers, of the Pottery Works, Leeds, near Leeds.

Sir,—I suffered for months with a very bad knee and tried every remedy, likely to benefit me, but without success. The joint was quite stiff, and so swollen that I became seriously alarmed as to whether I should ever regain the use of it. However, by the use of your Ointment and Pills the swelling was soon completely reduced, and in two weeks was completely cured and I was enabled to resume my work. Any one suffering from stiff and swollen joints should do as Mr. Rogers did—send for Holloway's Pills and Ointment.

Both the Ointment and Pills should be used in the following cases: Bad Legs, Corns (Soft), Burns, Bunions, Bite of Mosquitoes and Sand-flies, Coughs, Croup, Contracted and Stiff Joints, Elephantiasis, Fistulas, Glands, Gout, Lumbago, Piles, Rheumatism, Scalds, Scrofulous Sores, Sore Nipples, Sore Throats, Skin-diseases, Scurvy, Tumors, Ulcers, Wounds, Yaws. Sold at the Establishment of PROFESSOR HOLLOWAY, 254, Strand (near Temple Bar), London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:— There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot. June 13 1859.
