CAFETERIA LAYING MASH

More commercial poultrymen feed Cafeteria than any other laying mash. There's a reason. Cafeteria gives you highest feeding value per dollar of cost. Judge for yourself from the open formula. Mash or pellets.

Meet the Most Challenging New Car of the Year

and for Years to Come!

the New 1952 MERCURY with MERC-O-MATIC Drive

Here's your new car, and we do mean new!... the all new '52 Mercury... the most challenging new car of the year, or any year. Justly, the '52 Mercury is called the "forerunner" of cars of the future.

Its lines are new... refreshingly crisp... with "Jet-scoop" hood; bold massive grille; proud sweeping fenders. New "air-foil" side treatment accentuates the flowing lines... carries your eye to the attractive rear-end styling. Mercury's sleek top appearance is new, too—with clear-view "Monopane" windshield, narrow corner posts and landscape-wide "wrap around" rear window. Here indeed is styling made possible by revolutionary new techniques in engineering.

"Space-planned" interiors put your comfort first. Everywhere there's something new, something different and wonderfully better. You'll thrill, pleasantly of course, when you feel the stepped-up pace and steady balance of this beauty. There's more power—125 eager horsepower—better pick-up, more efficiency and Mercury's famous economy.

Be one of the first to see, to "Road Test" and to own a '52 Mercury with the "future features".

CHALLENGING NEW 125 H.P. HIGH-COMPRESSION V-8

NOW 125 HORSEPOWER—the economy prize-winning Mercury has been stepped up to give more horsepower, greater power-to-weight ratio and new dual "centriflow" carburetion delivers more efficient performance and gas economy. It's high-compression V-8 power at its best, with pace, balance and hustle, backed by over 20 years' experience of the world's largest manufacturer of V-type engines.

3-WAY CHOICE in transmissions: Merc-O-Matic Drive, the greatest of all automatic drives; or thrifty Touch-O-Matic Overdrive, (both optional at extra cost), and the Silent-Ease synchronized standard transmission.
