NEW YORK

NEW YORK (AP)—In a nip-and-tuck, up-and-down session, the stock market managed to close higher on average Tuesday, thanks to a buying drive in the final minutes.

Volume swelled to 6,140,000 shares from Monday's 5,380,000.

The last sank sharply at the start, then rallied to show a substantial gain in early afternoon. A selling wave erased most gains, leaving prices thoroughly mixed with a half-hour to go. A renewed wave of buying shoved market averages into plus territory.

Market technicians called it a "whip-saw" market—the sudden shifts between rising and falling prices catching even the nimblest of traders flat-footed.

Traders bought in hopes of a rally, then sold as prices sank below what they paid—only to find prices rising again. Thus a trader trying to make a fast buck was "whip-sawed."

"This kind of action is typical of an attempt to change the trend, to establish a bottom," said one broker.

The market had seen nothing like these gyrations since last December, when the market made its high and the trend changed, he added. Whether there would be the same result this time, he commented, was still a wide-open question.

The ticker tape lagged on four separate occasions, its worst delay being 34 minutes behind floor transactions.

The Associated Press average of 60 stocks rose a minimal .10 to 219.30.

President Keith Funston said the exchange ins begun a study of the buying and selling in the hectic first three days of trading last week.

Among Canadian issues, Distillers Seagrams finished 2¼ higher than Monday. Walker-Gooderham was up ½. Ahead ¼ were International Nickel and Donner Mines. McIntyre Porcupine was down ⅛ and Aluminium Ltd. fell ⅝.

Prices were irregular on the American Stock Exchange. Shawinigan was up ⅝. Preston Mines and Jupiter Corp. were down ¼ and Scurry Rainbow oil ⅛.

New Home Recipe Reducing Plan

It's simple how quickly one may lose pounds of unsightly fat right in your own home. Make this home recipe yourself. It's easy, no trouble at all and costs little. Just go to your drug store and ask for four ounces of Naran Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Take two tablespoons full a day as needed and follow the Naran Plan.

If your first purchase does not show you a simple easy way to lose bulky fat and help regain slender more graceful curves; if reducible pounds and inches of excess fat don't disappear from neck, chin, arms, abdomen, hips, calves and ankles just return the empty bottle for your money back. Follow this easy way enjoined by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you feel. More alive, youthful appearing and active.
