DOCTOR HOOFLAND'S CELEBRATED
GERMAN BITTERS,
prepared by DR. C. M. JACKSON,
German Medicine Store,
No. 120 Arch St, one door below Sixth Philada.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain, and pleasant.

Testimony from Maine.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1843, says: "I was taken sick one year ago, last April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

JOS. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now, after taking *only one* bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. WILLIAM CLARK,
Salmon Brook, Aroostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

Great English Remedy!

The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's
FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extradinary Medicine in the World.

Medicine containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA,

with other valuable plants whose properties are all most effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shews its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from BAD BLOOD and impure habit of the system.

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My Physician had given me up as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N. MATHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey—Dear Sir,—Having taken your Forest Wine and Pills to remove a disease of the Liver from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines. I have recovered my health, nothwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke desparagingly of my case, and tried to persuade me from making use of any advertised remedies; and I doubt not, that there are hundreds who are dissuaded from taking your excellent medicines in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men in flaming advertisements. But, what a pity it is, that the deception used by others should be the means of dissuading many labouring under disease from making trial and being cured by your excellent remedies. Humanely speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the wine. Would to God that every poor sufferer would avail himself of the same remedies, Yours, &c.,

JAMES WILTON.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorder. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

PHILADELPHIA, September 7th. 1848.

Mr. G. W. Hasley—Dear Sir:—Your Forest Wine and Pills have cured my wife of a dreadful nervous disorder with which she has been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

Dr. David Marein, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lamp mean Co., one of the largest and most respectable druggists in Syracuse, in a letter, say: "From what they have heard and seen of Halsey's Forest Wine it is an excellent and good medicine, and will undoubtedly become the leading medicine, of the day.'

The Forest Wine is put up in large square bottles with Dr. Halsey's name blown in the glass, $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 cents per box. Agents are authorized to retail, as well as wholesale, on as favorable conditions as the proprietor, No. 161 Duane St. corner of Hudson, N. York.

NATURE OUTWITTED!!!

Dr. Antrobus's
Persian Hair Restorative,

AND HAIR DYE.

Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment. Its efficacy if therefore undoubted, and the whole world is challenged to produce an article to equal it, either for beautifying the human hair or preserving it to the latest period of life. For the production of Whiskers or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole surface of the head can be changed into a most natural black or brown, within five minutes after using it, so as to defy detection from the greatest connoiseur. Advice by post gratis on receipt of Postage Stamps.

Certificate from one of the greatest Medical Men of the day.—Read it!!!

Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To DR. ANTROBUS,

Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most inconceivable benefit from using it; and in fact it is owing to this article alone, that many of them are not at the present moment completely bald; one party I may mention in particular, who had been laid up with typhus fever: (a most beautiful young lady,) the attack however left her although as beautiful as ever in the face, still with scarcely any hair on her head. She tried every thing unsuccessfully, until I recommended her to use your *Persian Hair Restorative*, and in three months, she again possessed the same dark curling locks, as before her illness, although if possible, still more jet like, and attractive. I must admit, although I have recommended it to hundreds of persons of both sexes, I have never found it fails and consider, that where the hair is not past human aid, your wonderful preparation will restore it to its pristine state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private acquaintances, with the most unbounded satisfaction.

I am, Sir, yours most truly,
(Signed) DENNIS MAGRATH.

Letter from Henry Vinson, Court Hair Dresser and Wig Maker, of 124, Leadenhall Street, London.

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the greatest blessings ever invented. Several of my customers are quite enraptured with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me quite wonderful, the alteration it causes after using it for a few weeks, it excels any thing of the kind I ever used, causing a complete metamorphosis; giving the hair a natural curl, and even entirely hiding grey locks, setting nature at defiance.

You may depend upon it, that it surpasses any thing of the kind ever brought before the public, and as to your Hair Dye, I can sell all you can send me, it is so unquestionably good.

I am, Sir, yours faithfully,
(Signed) HENRY VINSON.

The Restorative is sold at 1s. 6d., 2s. 6d., and 4s per Bottle, Sterling. The Hair Dye 3s. 6d. and 7s per case. The larger sizes are a great saving Directions for use accompany each Bottle and Case.

☞ *Be particular to ask for Dr. Antrobus's, or you may be imposed upon.*

Sold by all respectable Chemists and Perfumers throughout the world, and at Dr. Antrobus's Esta blishment, 2, Brydges Street, Strand. If any difficulty arise in obtaining it, send postage stamps to Dr. Antrobus's address, and it will be forwarded by return of post.

THE LORD WILL PROVIDE.

When Abram was told, his own son he must slay,
The Patriarch quickly complied,
And said to the lad, as they marched on their way,
An offering the Lord will provide.

When we have temptations or trials severe,
We know, that whatever betide,
It is for our good, that correction we bear—
Believe, *and* the Lord will provide.

When poverty pinches and want we endure:
This promise, we have on our side—
Our bread shall be given—our water is sure—
Then trust and the Lord will provide.

If death call a wife or a husband away,
A father and mother beside,
To God we should look, the Scriptures do say,
Who will for the orphans provide.

Old christians, who now are declining in years
This truth will most quickly decide;
And tell you, when Satan oppressed them with fears,
They had faith, and the Lord did provide.

Young converts, you now have commenced a long race,
Your faithfulness yet must be tried;
Do *not* step aside and religion disgrace;
But believe, and your God will provide.

Poor sinner, to you I the truth must now tell,
A truth which cannot be denied—
The road you are going will lead you to hell—
Repent, and the Lord will provide.

And now in conclusion, to all I must say,
The Saviour for sinners has died,
When Satan would tempt you, or lead you astray,
Seek, seek what his mercies provide.

MISCELLANEOUS.

"What *are* you doing there, Jane?"

"Why, Pa, I'm going to dye my doll's pinafore *red*."

"But what have you got to dye it?"

"Beer, Pa."

"*Beer!* who on earth told you that beer would dye *red*?"

"Why, Ma said yesterday, that it was beer that made your nose so red—and I thought ——"

"Here, Susan! take this child."

"Why are you so melancholy?" said the Duke of Marlborough to a soldier after the battle of Blenheim. "I am thinking," replied the man, "how much blood I have shed for a paltry sixpenny piece.

"I always minds my own business," Mrs. Spratt, but I must say, that Mrs. Bird is a nasty woman, for she boils her clothes in the dinner pot.

"Law, Suz, how do you know that?" Why, I looked through a knot-hole in the fence, and saw her do it. I always mind my own business but that's too nasty."

A DEFINITION.—"First class in mathematics, up all! How many kinds of wheels are there?"

"Please, sir, there are three,—carriage-wheels, cane wheals, and weal cutlets."

"Smart boy; go to your seat, and after school, we will see if you can discover the connecting link between short birch and long division."

Exit smart boy, before the time specified.

CAUSE OF SQUINTING.—"I say, mister," said one Yankee to another, "how came your eyes so all-fired crooked?"—"My eyes?"—"Why, by sitting between two gals, and trying to make love to both at the same time."

A Hibernian was reproved by an officer for daring to whistle in the ranks while going on duty. Just as the officer spoke one of the Russian's balls came whistling over the ravine. Pat cocks his eye up to it and quietly said, "There goes a boy on duty, and, by japers, hear how *he* whistles!"

DOWN EAST COURTING SCENE.—"Jonathan, do you love boiled beef and dumplings!"—"Darned if I don't, Sook, but a hot dumplin' ain't nothin' to your tarnal nice red lips, Sook.' —"Oh, La, Jonathan, do hush. Jonathan, did you read that story about a man being hugged to death by a bear!"—"Guess I did, Sookey."—"How did you feel, Jonathan!"—"Kinder sorter as if I'd like to hug you e'en amost to death too. you tarnal, nice, elegant, little critter, you."—"Oh, la, now go away, Jonathan."—"Ah, Sookey, you are such a slick gal."—"Lor' ain't you ashamed, Jonathan!"—"I wish I was a little ribbon, Sook."—"What for!"—"Cos may be, you'd tie me round that ere nice little neck of your'n, and I should like to be tied there, darned if I should'nt."—"Oh, la! there comes mother, Jonathan—run."—*American paper.*

PROVERBIAL PHILOSOPHY.—"A good action is never thrown away." Perhaps that is why we find so few of them.
