

"SLEEP AND REST"

Are Necessary to the Full Enjoyment of Perfect Health and Strength.

A Sick Stomach Cannot do its Work Properly—Dyspepsia Results Unless You Use Dodd's Dyspepsia Tablets.

There's a time for work and a time for sleep. This rule applies to man and beast. It was made by the All-wise Creator, who knows what is best for us.

When we are sleeping, our organs should be resting. If they do not get proper rest, they become played out, just as we do ourselves.

Thousands—yes, hundreds of thousands of persons refuse their stomachs the privileges they grant to their horses and dogs—rest.

They keep late hours, attend late dinners, etc., and force the stomach to do ten times the work it is able to do.

The consequence is that the stomach breaks down, it can't digest the food. The supply of rich blood is decreased. The nerves, muscles and bones are starved.

And yet people wonder why they have Dyspepsia or Indigestion! It is useless to ask people to give up late hours, late dinners, their clubs and other Dyspepsia-breeding pleasures.

But they can enjoy these so-called pleasures and yet escape their penalties. How?

By using Dodd's Dyspepsia Tablets—one or two after each meal. Dodd's Dyspepsia Tablets tone, strengthen and invigorate the stomach, and enable it to digest the food properly. They themselves digest the food until the stomach can do so.

Thus they keep the body in uniform, robust health. Try them and prove to your own satisfaction that this is so.

Frost, frost, heavy frost last Monday night; cucumbers and tomato vines injured very much. We escaped with slight damage; would advise housekeepers to put down pickles and chow chow now.

On hand a limited quantity of cucumbers, small silverskin onions, green tomatoes, ripe tomatoes, cauliflowers. Orders filled in rotation; do not be in the position of many last year—too late.—J. J. Gay & Son, Market and head of Prince street Telephone 180.

Dr. Chase's Preparations Have Merit.

For Piles, Eczema, Salt Rheum, Pin Worms and all skin diseases Dr. Chase's Ointment is a positive cure. It is recommended by Dr. C. M. Marlan, of the American Journal of Health.

Dr. Chase's Catarrh Cure with blower included will cure Incontinent Catarrh in a few hours; Chronic Catarrh in one month's treatment.

Dr. Chase's Kidney-Liver Pills are the only combined Kidney-Liver Pill made and will positively cure all Kidney-Liver trouble.

Neatly Caught.

A certain Greek adventurer some years ago undertook to palm off upon the public some false copies of the gospel manuscripts. Many learned men were deceived, but not Dr. Cox, Librarian of the Bodleian library at Oxford.

How he detected the fraud is related in his own words in *The Spectator*:

"I never really opened the book, but I held it in my hand and took one page of it between my finger and thumb while I listened to the rascal's account of how he found this most interesting antiquity."

At the end of three or four minutes I handed it back to him with the short comment, "Nineteenth century paper, my dear sir," and he took it away in a hurry and did not come again.

Yes, I was pleased, but I have handled several ancient manuscripts in my time, and I know the feel of old paper.

Doctors Testify

There's strong testimony by eminent physicians of wonderful cures made by Dr. Chase's Family Remedies—particularly Dr. Chase's Ointment.

Corn Bread.
There is no more wholesome, palatable and strengthening article of food in the whole catalogue than corn bread. It is truly the staff of life of the rural laboring classes in the south from year's beginning to year's end. Among the brawniest, toughest men in the country are the hands who work on the turpentine farms in Georgia. Their regular rations consist of one peck of cornmeal, five pounds of bacon and a pint of molasses per week. These articles constitute pretty nearly if not quite their whole bill of fare during the time they are in the woods cutting or chipping boxes or dipping turpentine, yet they are always well conditioned, hard of muscle and in good spirits.—Savannah (Ga.) News.

He Understood.
After she had studied the French bill of fare for a moment Mrs. Porckenham of Chicago turned to the waiter and asked:

"Does one understand English?"
"Oh, yes, I talk it almost like a native," he replied. "I was born and brought up in Indiana."

After that she had no appetite.—Cleveland Leader.

And Not James.
"Why," asked the lay figure, "do you call it a jimmy?"

The burglar shook his head sadly.
"Well," he answered, and his regret was apparent, "I suppose I am rather more familiar with it than I ought to be. Yes."—Detroit Journal.

The dead heroes of the Buena Vista battlefield, where 6,000 American volunteers under General Zachary Taylor defeated 20,000 Mexicans under Santa Anna after a desperate and bloody battle, lie in a neglected and unmarked spot near Saltillo, Mexico.

There is a flywheel in Germany made of steel wire. The wheel is 20 feet in diameter, and 250 miles of wire was used in its construction.

Asked For a Shirt and Got a Wife.
During the civil war there was a certain young lady in Georgetown who found it in her power to do a great deal for the Confederate soldiers confined in prison at Washington. Young, beautiful, cultured, popular, of a wealthy and prominent family, she was frequently allowed admission to the prison, whither she always took her maid with a well stocked basket of good things for the poor boys behind the bars. One day as she was passing through a group of men in the common prison she stopped and said to them:

"If there is anything you would like to have that I can bring you, won't you let me know? I shall be very glad."

One man stepped forward promptly. Bowing most courteously, he said:

"If you will be so kind, I should like very much to have a clean shirt."

He was a young lieutenant from Louisiana, one of the handsomest and most elegant men I ever met, and when that young lady looked up into his brown eyes she found it in her heart to give him much more than a clean shirt, for she married him as soon as the war was over.—Philadelphia Times.

Montague, of Dunnville, Cured of Ulcerated Itching Piles.

Mr. Robert Montague, of Dunnville, Ont., writes:—"Was troubled with Itching Piles, for years and was so badly ulcerated, they were very painful, so much so that I could not sleep. I tried almost every medicine known when I was recommended to use Dr. Chase's Ointment. I purchased a box and from the first application got relief. Have used two boxes and am now completely cured."
