

## JOCK TALK

by Mickey Place

Before Saturday's game in Sackville we had made plans to headline this week's column, "Thank Heaven for Mount Allison". We would then describe, in high glee, how our heroes made mincemeat of our oldtime rivals from across the Strait. However, like so many plans of mice and men (if anyone likes that original expression...feel free to use it), things went awry and the Panthers came out on the short end of a 15-13 score and had the Mounties move over to make room for joint occupancy of the basement of the league standings. The Mounties, who had looked like pussy cats in their game here, came out like lions and, before the first quarter had ended, enjoyed a 14-0 lead. We caught up a bit in the second quarter as Jim Revell

in the final minutes gathered in a 30 yard Revell pass and galloped over, but the attempt for a two-point conversion that would have tied the game was blocked, and our season's record went to 1-5. This week our boys travel to Fredericton where they'll wind up the season with a game against what must be a frustrated U.N.B. team. On Saturday, with but one quarter to go they had outscored league leading Acadia 32-3 but they faltered in the stretch (I know that's a mixed metaphor but who cares?) and were overtaken and lost what must have been a heart-breaker by a 33-32 score. Let us hope they are very discouraged and we trust Doug Crossman's boys will waste no sympathy on them! A win for us in the final game would be most encouraging. The league, by the way, could end in a three-way tie if Saint Mary's beat Acadia this weekend in the game to be played in Halifax, as X should have no difficulty with Mount A. in the contest in Antigonish.

The SOCCER Panthers made the headlines on Saturday afternoon with

Cameron in the closing minutes of the first half. Howie Adams, converted to soccer from football, recorded his second successive shutout and really sparkled in goal. This week the team travels to far-off St. John's where they'll be hosted by the Memorial University team. The coaches, Vince Mulligan and Bruce Norton, are hopeful that their 2-7-1 can be improved. Who would think that the soccer team would be the winningest on campus?

not, game after game they gave their best. No team can give more than that. Losing but 4 players by graduation - Shelly Pepler, Brigid Connolly, Honey MacIsaac and Sandra Drysdale. The team thinks it has the nucleus of a strong team when they resume play next fall.

In HOCKEY (Yes the season is almost upon us) we have had two exhibition games against last year's I.J.H.L. champs and national finalists, the Sherwood

The FIELD HOCKEY team closed out their season with a 2-0 loss to Mount Allison and thus achieved the unbelievable record of losing 11, winning 0, having 27 goals scored against them and scoring not a single one. Now that sounds bad but we must report that their singular inability to score was the dominant factor in their record as they controlled play in many games and a "goals against" statistic of but 2.5 should have resulted in a much happier won/lost return. While they may have been winless and scoreless we must compliment the girls on the high morale sustained throughout the season and we think that the fact that they started out with 17 players and ended up with the same 17 players speaks volumes for them and we'd like to congratulate them on the fact that, win or

Parkdale Metros, dropping the first game 8-5 (after leading 3-0 at one stage) with Brian Ostroski, Lonnie Thompson, Thane Campbell, Trevor Crawford and Shane Turner scoring for our side. The second game we won 4-2 as newcomer Shane Carmody turned in an outstanding performance in goal.

The league this year promises to be a good one and we expect the Panthers to be in strong contention throughout. We might point out that close scores will probably be common as indicated by the recent Moncton tournament where Dalhousie beat Saint Mary's 5-3 in the final, while X triumphed over Moncton 3-1 and S.M.U. topped St. F.X. 4-2. Our boys go to Memorial in St. John's to open their season on 3 and 4 November and will be at home on the 10th and 11th against Acadia and Saint Mary's. Let's go, Panthers!

taking a turn at quarter-back, went over from the 1 yard line on a "Keeper" and the talented toe of Ozzie D'Ippolito converted to make the half end at 14-7. After the Garnet and Gold added a single, Rick Kiraly

what must be regarded as an upset win over Mount Allison by a 1-0 score. Tom Hogan made the only goal of the game as he booted the ball into the net after a corner kick from teammate Alan
