

Selected Poetry.

KING TRISANKU.

Viswamitra, the magician,
By his spells and incantations,
Up to Indra's realms elestial
Raised Trisanku, King of Nations.

SLEEP.

Beautiful up from the deeps of the solemn sea
Cometh sweet sleep to me:
Up from the silent deeps,
Where no one waits and weeps;

Conundrums.

What is that which any one can divide,
but no one can tell where it was divided?
When is an axe not an axe?
When is a man not a man?

A SOLDIER'S RIDDLE.

I was left heir to a large sum of money,
but having a temptation to do my first,
I found that I should soon become my whole;
but at once I began to practice my second,
and hereby I was saved from beggary.

TRANSPOSITION.

Four consonants and a vowel
Three different words compose,
The first of which you can't mistake
In towns at evening's close.

ENIGMA.

I visit the rich, and I visit the poor;
I visit the fop, and I visit the boor;
I am purer and freer in country than town,
No color can boast, am not scarlet or brown.

PUZZLE.

Nothing and six with five hundred when framed,
Will show you a poet in ancient times named.

Facts and Scraps.

EPITAPH.

BY THOMAS MOORE.

Here lies John Shaw,
Attorney-at-Law;
And when he died,
The devil cried,

"The husband," said Sterne, "who behaves unkindly to his wife, deserves to have the house burned over his head."

Household Hint.

To prevent a Griddle from Sticking.—Rub it with fine salt just before using it.
To keep Lemons Fresh.—Place them in a jar with water enough to cover them.

CARD TO THE PUBLIC

WHILE taking this opportunity of thanking our numerous customers for the liberal manner in which they have patronized

OUR NEW STUDIO,

we would inform them that we have now increased facilities for the production of first-class work, and are prepared to make PHOTOGRAPHS of a Style and Quality that has never been before attempted in this City.

BEAUTIFUL PHOTO-ENAMEL

the most beautiful style of Photograph known, possessing a softness and delicacy of coloring that has never been equalled. This elegant picture has become deservedly popular elsewhere, and cannot fail to become so here.

Glaze Pictures

which we make. They possess a highly enamelled surface, and are practically indestructible, and will retain their freshness and beauty for any length of time.

Our pictures of children are sufficient evidence of our success in this difficult branch of our art.

Our ENLARGEMENTS, finished in India Ink, Pastel, Crayon, Oil and Water Colors, have made a favorable reputation for themselves throughout the Lower Provinces.

Parties intending to have Photographs made will find it to their advantage to sit early, as the number of our customers makes some delay in the delivery of the Photos unavoidable.

Photographs can be obtained for less money elsewhere; but in this case we ask that quality be given the preference; assuring the public that they will find our charges very moderate.
