TRYON WOOLEN MILLS.

June, 1886. CLOTH AND WOOL. TO OUR CUSTOMERS.

IT is just twelve years since we re-built the Woolen Mill. We then resolved to manufacture the best cloth that could be produced from P. E. Island Wool.

That our efforts have been successful and appreciated we are warranted in concluding from the fact that hundreds of the same people who patronized us in 1874 are our customers in 1886. During the past year we have added many improvements, particularly in the dyeing and finishing departments. Although we have not reached perfection, yet we feel justified in saying that no better tweeds or greater variety of patterns are made in any other establishment in the Lower Provinces. We do not propose to compete against the cheap, shoddy and cotton mixtures that are sold as ALL-WOOL goods, but quality and durability considered we claim ours to be the CHEAPEST CLOTHS in the market.
