Robinson, Basilio Want Fight For World Crown

NEW YORK (AP)—Both Sugar Ray Robinson and Carmen Basilio said Friday they wanted to fight for the world middleweight title. They made their statements at a hearing before the New York State Athletic Commission considering removal of Robinson's title. The hearing was adjourned until Wednesday.

CLUB OWNERS have voted to favorably consider an application for a third major league and commissioner Ford Frick has stated that it was his personal opinion that such a league would be in operation within five years.

Just where the new league is going to come up with the required talent is the big question. The commissioner claims that there is no talk of a "share the players" plan in order to get the new loop underway.

Right now many of the teams are finding the going tough enough to come up with players that will provide suitable competition for the strong outfits in both the National and American leagues. If these teams already in operation find it difficult to land players of big league calibre, what about those outfits that would form the new loop?

THE COMMISSIONER certainly should be in a position to know what the chances are of a third league. When he predicts such a league within five years, the chances are he is fairly certain of his ground. Five years slips around in quick order and baseball's chief knows that as well as anybody else.

However, we can't say we are excited about such a prospect. It might mean greater interest at the gate but we fear the calibre of major league baseball would take quite a dip.

Of course, major league baseball is big business and when it doesn't pay, you can't expect owners to stay quiet. If there is a possibility of making the turnstiles clip at a faster pace, you can expect that possibility to be explored to the hilt.

PERHAPS MAJOR LEAGUE owners see a bit of gold mine in a new league and if they do nobody can blame them from examining every detail of such an operation.

However, we can definitely not see big league ball improving as a result. On the contrary, we think the calibre of play will be a far cry from what we have today.

Developments in the next few years will certainly be interesting to watch.

JUNIOR BASILICA YOUTH are still winless after two City Softball League starts.

In the opener Tuesday evening, the Juniors saw the Rollaway Aces come from behind to get the nod. However, Thursday night the BYC was never in the ball game as Barry's Lions crushed them in convincing style 17-3.

But don't be too worried about those Juniors. They have youth on their side and one of these fine days will prove to everyone that the trouncing by the Lions was no indication of the strength of either team.

Not to take anything from the Lions, the way we saw that 17-3 affair was that the Juniors just up and beat themselves. You can't walk batters down to first base and expect to escape without getting hurt. Seventeen Lions got a free pass to first base as pitcher John Hughes ran into a wild night.

HUGHES is light on work this season but on last year's showing, the league knows what to expect of the boy from Bedford. He caused plenty of grief to batters in 1958 and he'll do the very same thing again in 1959.

Besides Hughes, the Juniors have Mike O'Brien and Father Clarence Roche to do mound duty. Both these hurlers are right smart flingers and will cause the opposition plenty of worry before the season ends.

So don't let those two defeats fool you for a minute. These Juniors will be plenty tough the rest of the distance.

GEORGETOWN, SOURIS AND PEAKES are the three fronts on which King's County baseball action commences tomorrow.

At the county capital, the homesters will entertain Morell. Mount Stewart will travel to Souris and Peakes Bombers will play host to St. Peter's.

Action will continue through till Sunday August 2 when the regular schedule comes to a close. After that it's playoff time. If the weatherman behaves, there should be fine crowds at the three sites of hostilities tomorrow. The complete schedule appears elsewhere on this page.

CINCINNATI REDLEGS are playing around the .500 mark and are still considered dangerous as far as pennant contenders are concerned.

"The difference in this club," says manager Mayo Smith, "is Frank Thomas and Vada Pinson. Sure, the players think they can win the pennant. Do I? We can go as far as our pitching will take us."

Last year at Philadelphia, Mayo had good pitching and little hitting. Now he has plenty of power and dubious pitching. Which did he prefer?

DOWN THE BACK STRETCH

At Yonkers Raceway Saturday night, Joe O'Brien won a \$4,500 Pace with Adios Express. Adios Mont (S. Dancer) was second, and Ike Frost (B. Haughton) third. Adios Express is a five-year-old and was raced by Joe as a two-year-old and given a record of 2.01. He is not very sound, and last year had only one first, one second and one third.

As a three-year-old, in 1957, he made 30 starts, was 15 times first, 7 times second and 4 times third, with winning of \$94,355. As a two-year-old in 1956, he made 30 starts and was 15 times first, 6 times second and twice third, winning \$56,192.

His trouble is in his tendons, and there is a possibility that they have been put in good shape for this year's campaign, and if so he will pick up a lot of money.

Our good friend Vern Oatway has sent us the program from Richelieu Raceway for last Monday's races and states that there was a \$3,250 Daily Double there on Saturday night. His comment is: "I think it was the largest ever in Canada." He ends with: "The trotters Palacona and Ted Genessee are going well."

On the night of May 15, the five-year-old trotter Palacona lowered his mark to 2.08 3-5 when he won the fourth race on the program, a "C" Trot for a purse of \$1,000. Last year, racing as a four-year-old Palacona took a mark of 2.09 4-5. He is owned by H. B. Willis of Charlottetown and George M. Henderson, Montreal.

On the first of the week, also at Richelieu, Ted Genessee, owned by the same parties, was second in the \$2,500 "A" Trot, which was won by Homestead Dan in 2.06. Ted took a record last year of 2.06 1-5, and had winnings of \$8,670. He certainly has proven to be a good buy for the above owners. It was H. R. Bevan of this city who brought Ted Genessee here as a two-year-old. He had purchased him and Sir Joseph 1.58 4-5 at the Harrisburg sale.

Credit must be given to Mr. Bevan, who was a relative newcomer to the harness horse game, for being astute enough to select horses like the above.

2.23 PACE. This is being promoted by race secretary, E. Frank Acorn of the Charlottetown Driving Park, has attracted one of the largest entry lists of any State we can recall in the Maritimes. — 49. It will likely be raced in six or more divisions. The final leg will be worth \$490 in nominations, with \$400 added by the track. Horses standing 1 and 2 in each division are eligible for the final leg. Here is the list of entries:

Here Am I, Dr. P. MacIntyre; Real Joe, Jack Annear; Ida's Boy, Price Thompson; Little River Mark, Roach MacGregor; Agent, Noreen Clegg, Reeves and Webster; Clover Boy, MacDougall and Godfrey; Jean Clegg, Sidney Stoad; Curtin Raiser, J. L. Brown; Jolly Mark, Dr. T. R. Furness; Colonel Henry, Alan Smith.

Bowery Boy, Colin MacDearmid; Belle Texas, Mapco Stables; Coronation Sue, Mapco Stables; Texas First, Mapco Stables; Brown Budlong, Fred Hughes; Island Prince, W. M. Profit; Callie Hal, MacKinnon and Brown; Helen's Dream, Oliver Poulton; Stormy Clegg, Allison Carr; Myrtle E., Cliff Ellis; Ken's Pride, S. J. MacDonald.

Willard's Choice, W. Kelly; Eric's Peg, Andrew Perry; Christie's Best, Cyril Smith; Vivien M., Allie MacNeill; Betty S. Belle, Harvey Cormier; Nell's Lad, H. Willis; Lilian Pointer, H. Willis; Murphy's Abbe, Charles O'Brien; Rania, Rannie MacDonald; Brian's Dream, E. Ferguson; Pixie Abbe, Stanley Mayhew.

Other members of the Cormier stable are: War City Ranger, p. 2.03; Pepper Clegg 2.10 3-5; Jolly Jim, p. 2.09; Betty S. Belle, and last, but not least, Betty French 2.03. Betty is now in her 11th year and has been one of the favorite pacers wherever she is raced and has won more than \$40,000 during her campaigns. Last year she was 7 times first, 10 time second and 13 times third.

Harvey's workouts, at present, are from 2.27 to 2.35, with the exception of Convoir. But no doubt the speed tempo will be increased next week.

The Don Seaman stable, with stable in that it is noted for its ten-head, is like the above stable in that it is noted for its neatness and the excellent care and attention given to every member, also to their equipment. With one or two exceptions, they are owned by that fine sportsman, Andrew Perry, of Summerside, who has been a tremendous figure in the harness racing world since he took up the sport some years ago, and whose "lucky strike" with Bay State Pat will be a story told for many years.

Don Seaman's assistants are Roy Barnett, a driver of great skill and an exceptional caretaker, and Buddy Campbell. They largely share with Don the bouquets given the stable for its appearance and fitness.

None of the horses has been asked for a fast mile, but Honest Abe, p. 2.05, that was bought in the Western United States last fall by Mr. Perry, was given his head on Thursday and went a final quarter in 30 seconds! It was the fastest quarter that we can recall on the Charlottetown track.

Eric's Peg, p. 2.14 1-5, has been in 2.22; Murphy's Boy in 2.22, and the rest of the stable in 2.25. Next week, no doubt, they will be dropped quite a number of seconds.

We are always delighted to see bouquets thrown at Bay State Pat, and this one appeared in "The Horseman and Fair World" of May 13. It reads: "The Richelieu Park meeting really began to roll as the first big stakes were raced. Bay State Pat started the fireworks with a sharp 2.04 3-5 win in the \$5,000 Richelieu Pace. Fresh from several fast races at Yonkers, Jacques Beaudoin's Volstead gelding was a big favorite with the speculators."

Despite the strong opposition, Bay State Pat won handsily. Here is a breakdown of the time: the first quarter in 30 3-5 seconds, the half in 1.03, the three-quarters in 1.24 1-5, and the mile in 2.04 3-5. You will note that the first quarter was in 30 3-5, and the last quarter was in 30 3-5 — terrific speed on a half-mile track.

The yearbook shows Bay State Pat as having won \$122,748 up to the end of last season, with \$44,244 won in 1957.

Third League Is Certain Says Commissioner Frick

NEW YORK (AP)—Baseball commissioner Ford Frick said Friday talk of a third major league was "no nebulous thing."

He said he was certain that such a league was being organized. Some time ago Frick said he believed baseball would have a third major league within five years. "I still stand by that," he said. "It might be sooner. It depends. At the present time I have no meetings scheduled, actual or tentative, with anybody about the third league."

According to his rules, spelled out in Columbus, the third league would have to apply to Frick at least 10 months before it planned to operate. That would leave only a few weeks before the deadline for operation in 1960. As ball parks would have to be built, players acquired and numerous other deals completed 1961 or 1962 probably would be the earliest possible date for operation.

Frick said the qualifications for becoming a major league, first listed in 1951 when the Pacific Coast League was talking of going big time, had been altered somewhat.

Two Runs In 14th Give Cards 3-1 Win Over Cubs

St. Louis Cardinals pushed across two runs in the 14th inning and defeated Chicago-Cubs 3-1 Friday for their fifth victory in their last six games.

Gino Cimoli's 16th double of the year powered the first run in the 14th. Losing pitcher Bill Henry balked in the second.

Bill Brosnan, the winning pitcher, set the stage for the winning spurt in the fifth overtime inning by opening with a bunt single.

Brosnan was forced by Don Blasingame, who scored when Cimoli's double sailed over Bobby Thomson's head. Cimoli took third when B. G. Smith flied out, and scored on the balk.

Ken Boyer followed with St. Louis' third hit of the inning, and stole second-base before Ernie Banks threw out Chick King for the third out.

The win was Brosnan's first of the year after three straight losses. St. Louis took a 1-0 lead in the fourth, scoring without the aid of a hit when Blasingame drew an inning-opening walk, stole second

and reached third on a wild pitch by starter Glen Hobbie.

George Crowe's infield out enabled Blasingame to score.

Rain delayed play for 36 minutes after the sixth inning.

PHILADELPHIA (AP)— Hank Aaron, boosting his league-leading average to .468 with a homer, a double and a pair of singles, led Milwaukee Braves on a 16-hit spree which smothered Philadelphia Phillies 10-5 here Friday night.

Aaron's sound starter Robin Roberts' wounds in the second with a double which scored Eddie Mathews, and sent Roberts from the mound with his third loss against two wins for the season.

Low Burdette, who gave up 12 hits, including a pair of homers to pinchhitter Gene Freese, notched his seventh win of the season against two losses.

Under the old rules, a city had to have a park with a capacity of 25,000. Under the new rules, it must be committed to build such a park.

Frick pointed out that the majors' action in setting up a \$1,000,000 program to develop players in the minors had generally been overlooked.

It is possible that such a program might eventually answer question of players for a third league, he points out.

WONPT HOLD BACK

At Columbus, George M. Trautman, president of the 21-circuit National Association of Professional Baseball Leagues, said "If we have cities in the minors which can qualify under the stipulations set up Wednesday by the major leagues, we certainly aren't going to resist their entrance into a third big league."

"Our attitude is god bless 'em and goodspeed!"

Trautman has watched the minors dwindle from 59 leagues and 444 teams to 21 leagues and 154 clubs in the last 10 years.

SOFTBALL SUNDAY

The City Softball League will feature a doubleheader Sunday afternoon at Victoria Park's Old diamond.

At 2 o'clock the new Garrison outfit will be at home to Rollaway Aces and immediately following that encounter the winless Junior Basilia Youth Club will entertain the Benevolent Irish Society Shamrocks.

S'ide Junior Baseball Players Hold Meeting

Summerside's junior baseball players held a meeting at Civic Auditorium last evening and there was a good turnout and lots of enthusiasm in evidence. The boys will play under the sponsorship of A. E. MacLellan Motors. They are now looking for competent coaches who will help them get moulded into a team.

Some of the boys who will be trying out for the team are Garth Harris, John Bethel and Don Schurman, pitchers; Ulric Gallant, catcher; Eddie Boates, first base; Fidele Desroches, third base; Greg Deighan, David Weale, Lorne Desroches, Dennis Arsenault, and Don MacEach
