Other Statements

Premier Jones had been quoted as claiming that there had been no former arrangement, as alleged by Mr. Douglas; that the Federal Government had only recently asked to contribute one-half of the Province's advance of 75 percent, which offer had been accepted; that it was the policy of the Provincial Government to keep control of the warehouses until half the money advanced was refunded, and that if the Government gave the warehouse money, as an outright grant every school district would demand one and the cost would be away beyond the Province's ability to finance.

Voting In Three Federal Ridings On June 19

OTTAWA, May 2—(CP)—The Government named Gordon Inor, veteran Halifax Liberal member, to the Senate today and announced that by-elections for his Commons seat and two others will be held June 19.

Mr. Inor's appointment was announced in the Commons, an unusual but not unprecedented procedure, and was followed shortly after by announcement outside the House of the Senate appointment of a fellow Nova Scotian, Charles G. Hawkins, Scotford Station lumberman and president of the N. S. Liberal Association.

Their appointments raised Liberal membership in the 102-seat Senate to 77 compared to 13 Progressive Conservatives and 12 vacancies, including three each in New Brunswick and Newfoundland, two each in Ontario and Quebec and one each in British Columbia and Prince Edward Island.

Reports of other impending Senate appointments are not uncommon in the parliamentary lobbies, including that of Hon. C. G. Power (Quebec South), wartime air minister.

By naming Mr. Inor, a member for 15 years, the Government voluntarily slimmed its Commons membership to 188 compared to 40 Progressive Conservatives, 13 C. C. F., 10 Social Crediters, five Independents and three Independent Liberals.

The five Commons vacancies arose from the elevation of former Mines Minister Colin Gibson, member for Hamilton West, to the Ontario Supreme Court; the death of T. L. Church, Progressive Conservative member for Toronto Broadview; election irregularities in the Annapolis-Kings voting last June; the death of Maurice Hart, Liberal member for Montreal-Cartier, and Mr. Inor's senatorship.

An applauding Commons first got notice of Mr. Inor's appointment when the Speaker, Ross MacLure, said he should like to say he had been notified of a vacancy in the dual Halifax riding. He said he had issued his warrant for new writ of election. Prime Minister St. Laurent then announced the three by-elections.

This indicated that the unusual step of announcing a Senate appointment in the Commons was adopted to permit immediate announcement of a by-election.

"It is not to my knowledge that there is a vacancy in Queen's County" replied Mr. St. Laurent. "It is to my knowledge that there is a vacancy in the Province of Prince Edward Island, and when a decision has been reached with respect to it, I will, without any delay whatsoever, bring it to the attention of the House."

Startles Churchmen By Mercy Killing Support

LONDON, May 2—(Reuters)—Dr. Walter Robert Matthews, Dean of St. Paul's Cathedral, tonight startled religious circles throughout Britain by supporting mercy killing.

The highest marks of the day were awarded to the Baptist Girls' Choir by the adjudicator during last evening's session of the fifth annual Festival of Music at P. W. C. auditorium.

Mr. John Lee announced that both he and Mr. Filmer E. Hubble agreed that the singing of this choir was the most expressive they had heard in a long time.

The choir was the only entry in class 12, open for women's chorus, and received the marks of 83 for "Sweet Day So Cool" by Handel, arranged by M. Diack, and 83 for "Twilight" by W. H. Anderson. The choir was directed by Mrs. Allison MacRae, and accompanied by Mrs. J. D. Davison.

Last evening's session was outstanding in that two new classes were heard for the first time. The first rural church choir to participate in a festival was the New Glasgow and Cavendish Church Choir, who sang Gounod's "Praise Ye The Lord" in class 2, and received the high mark of 78. The other new class was No. 118, bagpipes solo, in which there were two entries. Allan A. Cameron, Caledonia, placed first with 81, and Donald MacLeod of Glen William received second with 79.

Morning Sessions

The first class at P. W. C. Hall yesterday morning was No. 55, boy's solo, 8 years and under. Ronnie Raynor, Mt. Herbert, was awarded first place in this class with 78 marks, and Gordon Forbes, Summerside, placed second with one mark less, 77. Jimmie MacLean, Charlottetown, took third with 75 marks.

Class 43, girl's solo, high voice, 18 years and under, was very closely contested, each of the three winners being only one point apart. Dorothy Baxter, Ellerslie, was awarded first place with the very high mark of 83, Maureen Blake, Charlottetown, second with 82, and Sheila Marie MacInnis, Charlottetown, third with 81.

Miss MacInnis also was one of the winners in Class 94, piano duet, 18 years and under, in which she played with Florence Callaghan, Charlottetown, receiving the mark of 82 for first place. Second place was won by Barbara Rupert and Elizabeth Lewis of Charlottetown with 80 marks, and third place was tied for by Joan Marie McGuire and Jean Tweedy, Charlottetown, and Barbara Dalton and Anne Sutherland, Summerside, who received 78 marks.

Class 53, boy's solo, 12 years and under opened the sessions for the

On other fronts there were these highlights: the Canadian army earmarked nearly an additional 100 men for flood-fighting duties; greater Winnipeg municipalities will meet Friday to consider the "entire flood situation"; Provincial Government sources said the Government will wait until damage can be assessed before considering direct assistance to the flood-stricken.

The weatherman said snow which fell to a depth of six inches last night will melt today.

of human personality did not in his opinion, cover the case of a man who was incurably ill and relieved of pain only by administration of narcotic drugs.

"When we are confronted with suffering which, so far as we can see, can have no beneficial effect and which is wholly destructive in its consequences, there is, I urge, a prima facie duty to do what we can bring it to an end."

The Dean, who has been at St. Paul's since 1931, said that nothing is more distressing than to see suffering transform a fine, firm character into something which could hardly be recognized as a friend.

Both Liberal, C.C.F. Parties Are Opposed

By GEORGE KITCHEN
OTTAWA, May 2—(CP)—In a denunciation of Communism, George Drew, Progressive Conservative leader, asked the Commons today to outlaw Communists in this country.

Branding the Red doctrine as the "anti-Christ" and the "most terrifying and brutal reality" the world has known, he pinned this amendment to a Government motion to go into supply.

"This House is of the opinion that appropriate legislation should be introduced so that Communist and similar activities in Canada may be made an offence punishable under the Criminal Code."

The Liberal and C. C. F. Parties promptly declared their opposition to the proposal.

The Communist Party was outlawed in 1940 during the Second World War. However, it later was reorganized under the name of the Labor-Progressive Party, headed by Tim Buck.

Prime Minister St. Laurent told Mr. Drew Canadian laws already were adequate to deal with subversive activity and said he felt the best way to combat Communism was to show that democracy could work for the betterment of the people.

"I would," he said, "be sorry to see it become a crime to hold opinions, unless one did something in consequence of those opinions to threaten the security of the state."

Angus MacInnis (COP)—Van-couver East), the C. C. F. spokesman, said that Communism was a threat to the revolution or overthrow by oppression. And Mr. Drew's suggestions, he felt, could lead to nothing more than oppression, in which Communism
