

The Liberal Conservative Committee Rooms in the Philharmonic Hall are open every day and evening (Sundays excepted). All visitors are invited to be present, and will be made welcome.

LOCAL AND OTHER ITEMS.

Beer Bros. for Dress Goods.

POLICE COURT.—This forenoon one drunk, a countryman, was fined \$2 or 10 days.

HARVEY'S HALL.—Rev. J. W. Bell, R. D. will preach at Harvey's Hall tomorrow afternoon, at three o'clock.

THE WHEEL.—The current number of the Wheelman contains a good picture and sketch of Wm. Cook, of this city.

ON EXHIBITION.—The inter-maritime trophy, won by the P. E. Island rifle team on Thursday, will be on exhibition in the show window of E. W. Taylor for a few days.

R. I. S.—Special meeting of Benevolent Irish Society to-morrow (Sunday) evening, at 8 o'clock, in the Lyceum. A full attendance is requested. By order of Secretary.

LOADING AT MONTREAL.—The steamer Phoenix will load freight at Montreal to-day and on Monday and Tuesday for Charlottetown, Summerside, North and South Sydney and St. John's, N.B.

THE SOUTHPORT FERRY.—Complaints have been received at this office to the effect that the Southport ferry boat stops running at 8:30 o'clock, p. m., on Saturdays, to the great inconvenience of the public.

LEO BROKEN.—This morning a sailor on the brig, Annie, discharging cargo at Peake's No. 2 wharf, had his leg broken at the ankle by a bag of salt which fell from the slings caused the accident.

GOSPEL MEETING.—Remember the Gospel meeting in Philharmonic Hall Sunday afternoon at 4 o'clock, conducted by the railway men. Strangers always welcome. Lennox, Isaiah, 1-18. "Let us reason together."

A "MORNING'S MERRITS" will be held in the W. C. T. U. parlour on Monday, June 15, at 4 p. m. Subject, "Training of Will." Miss Sayre and Miss McLean will read papers. A social invitation is extended to all interested.

SEATS FOR THE Wm. S. Harkins Company's opening performance at the Opera House on Wednesday next are selling rapidly, and the indications are that the "standing room only" sign will be used for the first time this season.

LOYAL CHEERERS.—The last meeting will be held on Monday evening at 6:30. Parents of the children and Sons of Temperance will find a hearty welcome to all. A good temperance programme. Don't forget the time.

ANNUAL SCHOOL MEETING.—Ratepayers throughout the province should take notice that the annual meeting takes place on Tuesday, the 16th inst. We call attention to the article on "A Proposed Change" of school hours in another column.

CORRECTIONS.—An error in the Canadian Wheelman of the 1st place me as a rider of a Bradford. This is not correct. Last year I rode a Stearns roadster, and have just purchased an 1895 Stearns roadster for this season. I deem it only fair to all parties to set this matter right.—W. COOK.

SOMETHING TO LOOK FORWARD TO.—The ladies of St. Joseph's Society intend holding a "National Congress" during the exhibition in aid of the new cathedral. Further particulars given later on. Donations of all kinds from absent members and friends will be gratefully received. Address all to St. Joseph's Convent.

LITTLE LORD FAUSTBERG.—When Mrs. Hodgson Borett wrote the story bearing this caption, and in which her own boy was the fountain head, she was young, she little imagined that it would become as widely read as any book of modern times, nor that it would be dramatically represented in Europe, America and the colonies for the longest run on record and that it would live as an idealization of love and tenderness. The play has been strange to Charlottetown, but Mr. Lindsay, with the aid of his little daughter, presents it at the Opera House on Monday evening, and our public may anticipate an enjoyable evening.

Don't Miss It.—"In Old Kentucky," the new play which will be seen at the Opera House next Wednesday evening by Wm. S. Harkins' Company, is undoubtedly the biggest hit of this generation. It is a remarkably strong and thrilling story of Kentucky life, wholesome in tone, dramatic in situations and graphic in description. Manager Jacob Litt has provided it with an elaborate and expensive outfit of scenery, and this, together with a number of novel and striking features, have aided in making it one of the most successful productions of recent years.

PAIRIE CASTLE.—Forty fat cattle were brought to the city in the Jaques Cartier this morning. Thirty were for Saunders & Newson and the remaining ten were for Barrett Henderson. Four of the cattle brought by Saunders & Newson were purchased from Samuel Cameron; eight from Finlay Ferguson, three from Geo. Myers, Hampton, three from Henry Smith, Tryon; three from Adam Rogerson, two from Aaron Collett, two from Abraham Myers, Victoria and Cranston, three from John N. Lead, Tryon. Six of Mr. Henderson's cattle were fed by Warren Howatt, two by Luke Woods and two by John Howatt, all of Tryon. This is the largest lot of cattle brought to the city this season.
