CATCH THE BARN

Thank you for your appetites, from the staff at the Barn Cafeteria. In the near future we hope to move away from grease, as the basic student food and get onto more baked and boiled foods. Your suggestions or criticisms are welcome as we are running the place for you, and you only.

Remember the Original Canadian Breakfast for 91¢, the Backside Coffee House, our Steak and Beer special

every Thursday and also starring BRINKO, on the grill every lunch hour, Monday to Friday, bringing those beautiful noon specials right to your very mouth.

Seed money for young professionals

Your degree and the accreditations from your professional association won't buy your equipment or pay the rent. But you believe in your earnings power in the years to come. So do we.

That's why we want to help you bridge the gap between now and then. With a loan now—which you can pay us back as you become established.

A loan of up to \$25,000 (or more) on a repayment schedule tailored to your needs, including deferment of your first payment.

Our brochure—"Money—and more—to help you start your Professional Practice"—explains this helpful new service. Ask your Royal Bank Manager for a copy. You will find him as competent in his field as you are in yours.

Which is a sound premise for getting together.
