## TOBACCO PLANTS ARE READY

The above photo taken yesterday of the tobacco greenhouse at the government experimental plot in Greenfield, shows the tobacco seedlings prior to being transplanted out of doors. It is expected that most of these plants will be set out within the next 10 days. The experiment is being supervised by Roy Gibson.

# Kings To Be Featured On CBC Program Wed.

The federal constituency of Kings will be featured on the CBC's News Magazine on Wednesday of this week, if present plans materialize, it was learned yesterday. Kingsley Brown and a camera team were in the province working on the program.

Information indicates that Kings is being featured because it is one of the few ridings in Canada that has consistently elected a candidate on the Government side back as far as 1930 and because it has three particularly interesting personalities contesting the election. A riding in Quebec and one in Western Canada will be featured on the same program, the Patriot was told.

Liberal Thomas Kickham who has been elected twice in the past is eligible for the parliamentary pension if he is elected this time.

PC Margaret Macdonald is interesting because she followed in her late husband's footsteps and was the first woman member elected to the House of Commons east of Ontario.

YOUNG CANDIDATE

Tommy Dunphy, a young agricultural college graduate, represents the youth movement. At 24 years of age he is the youngest candidate in the Maritimes and one of the youngest in Canada, although there is said to be one other younger, though his name is not available. Tommy represents the New Democratic Party.

John A. Macdonald, Cardigan, was elected for the Conservatives in 1930 when the R.B. Bennett Conservative government was elected. Thomas V. Grant, now a Senator, was elected when the Liberals took over in 1935 and was reelected in 1940 and 1945. Thomas J. Kickham, Liberal, who is a candidate this time, was elected in 1949 and 1953 as the Liberals continued to hold the reins of power.

John A. Macdonald, a son of the man who was elected in 1930, was elected in 1957 when the PCs won again and Mr. Macdonald was re-elected in the federal election of 1958. His widow, Mrs. Margaret Macdonald was elected for the PCs in a byelection early last year.

A quick check through the Parliamentary Guide indicates that there are several other ridings that have similar records. Halifax and Cape Breton North and Victoria in Nova Scotia and Essex South in Ontario are some of the others which elected candidates on the government side consistently over the period since 1930.

# EASTERN BRIEFS

IS PATIENT

Mrs. Margaret Morrison, Georgetown Royalty is a patient in the Kings County Memorial Hospital.

IN HOSPITAL

Mrs. Groover Smith, Dundas, is a patient in the Kings County Memorial Hospital.

RECEIVING TREATMENT

Mrs. Margaret McDearmid, Cardigan is receiving treatment in the Kings County Hospital, Montague.

HAD ACCIDENT

Russell Graham, Murray Harbor North is in the Montague Hospital due to an accident aboard his fishing boat.

OUT OF HOSPITAL

Mrs. Donald Gillis, Forest Hill has returned to her home from the Kings County Memorial Hospital where she has been a patient for some time..

RECENT GUESTS

TO PLANT TOBACCO

The Experimental Farm will set out its first experimental tobacco plants today on the farm of Marcel Moyart, Upper-Montague, it was learned from Research Officer Keith LeLacheur today. Later planting will be done on the farm of Andrew Polacko at Blooming Point.

## 2-Hour Parking Limit Scheduled

A recent suggestion at a City Council meeting to impose a two-hour parking limit on Market Square, in an effort to alleviate the parking problem in the business section of the city, will go into effect Friday, June 1.

The two-hour limit will apply every day except Sunday from 8 a.m. to 6 p.m.

Police say the new restriction will be strictly enforced and offenders will be ticketed.

## Driver Fined $125 In Court

Pleading not guilty to driving while intoxicated, but guilty to the lesser count of driving while his abilities were impaired by alcohol, Martin Caissie, East Royalty, was fined $125 and costs or 30 days in jail, by Magistrate A.J. Haslam in city police court yesterday.

The accused was counselled by Lester P. O'Donnell, and the prosecution was by Chief of Police C.W. MacArthur.

A further remand until May 30 was given Milton Ernest Bowell, Charlottetown, charged with assaulting Adrian Bagiele, Charlottetown, causing bodily harm. Counsel for the defence is John P. Nicholson and for the crown Alan K. Scales.

Of two persons charged with being drunk and incapable, one was sentenced to 30 days in Queens County jail, while the other was remanded in custody until May 30.

## LIVESTOCK

TORONTO (CP) — Trading was slow and prices steady on slaughter cattle at the Ontario public stockyards today.

Veal calf prices were steady. Hog prices were higher and lamb prices were steady.

Slaughter cattle 2,000: Choice steers 25.50-26.50; good 24 - 25; medium 22-24; common 17 - 21; good heifers 22-23 with a few choice 23.50 - 24.50; medium 19.50 - 21.50; common 16 - 19; choice fed yearlings 25 - 27; good 23-24.50; good cows 18-19; medium 16.50 - 17.50; common 15.50-16.50; canner and cutter cows 13-15; good heavy bologna bulls 19-20; common and medium light bulls 17-18.50.

Replacement cattle 200: Good light stockers 23-26; medium and common 20-22.

Hogs 344: Grade A 28.75-28.95.

Sheep and lambs 26: Spring lambs 30 per hundredweight.

## Rev. G. H. Christie Preaches At Park Royal Anniversary

Large congregations shared in the services of the fifth anniversary of Park Royal United Church, Sunday. They heard the guest minister, Rev. G. Howard Christie, in the morning sermon, challenge them to a rethinking and redigging the foundation of their vision. He stressed the foundation stones of a church as Christian education, family life, and a vital personal religious life. Upon these stones, he recalled, Park Royal was ventured and upon them the church should look to her mission ahead.

The senior choir sang Bach's anthem, "Now Let Every Tongue Adore Thee" and Jchackovsky's "Holy, Holy, Holy".

At the evening service, Mr. Christie spoke from the insights gained from the story of Abraham and Isaac that it is our response in faith to God's challenges that lead God to give us an increasing revelation of Himself. Mr. Christie said that Park Royal having moved in faith to what they believed God's will had now gained a deeper understanding of it's sufficiency and His guiding presence.

The intermediate choir sang the two anthems, "An Evening Hymn" and "Grant Us Light".

During this service six new offering plates were dedicated by the minister of the church, Rev. J. H. Tye, assisted by Mr. Christie and Elder David Murphy.

After the service, a reception was held for Rev. and Mrs. Christie for more than 150 friends. The master of ceremonies was Malcolm Darrach. Miss Helen Wilson sang a solo; the Park Royal Male Eight rendered two selections; a singsong was enjoyed under the direction and the playing of the two church organists, Leslie Hiscott and Mrs. Stanley Newman.

A history of the church was prepared and read by George Ayers. A presentation was made to Mr. Christie on behalf of the congregation who accepted with expression of his pleasure at being 'home' again.

A social hour, when all visited with Rev. and Mrs. Christie was brought to a close by the benediction.

## Oyster, Smelt Fishing Cases Adjourned By Magistrate

Pleading guilty to driving while his abilities were impaired by alcohol, James Farrel, St. George's, was fined $100 and costs or 10 days in jail by Magistrate James B. Johnston, QC, in Queens County magistrate's court yesterday.

Farrel, who was counselled by Lester P. O'Donnell, was originally charged with driving while intoxicated, to which he pleaded not guilty.

Two cases arising out of violations of the Fisheries Regulation, against Joseph Thomas McNally, Ten Mile House, were adjourned until June 4 at 7.30 p.m. advanced summer hours.

McNally, who is counselled by John P. Nicholson, on one count is charged with fishing oysters in a public bed during the closed season. On the second count, he is charged with fishing smelts with a bag net without a license. The prosecution is being conducted by Gerald R. Foster, QC.

## Walk Lights Are Damaged

Pedestrians crossing the intersection of Queen and Grafton streets from the Bank of Commerce corner East to Hughes' corner, and from the market corner north to Hughes' corner, had not had "walk" and "wait" lights to contend with during the last few days. Others using the remaining crossings have been confronted with the now familiar "walk" and "wait" commands.

This situation resulted from a traffic accident at the intersection late Saturday night, when a motor vehicle broke off the traffic light standard on Hughes' corner. The "walk" and "wait" lights located on the standard were smashed beyond repair as was the traffic signal.

Fortunately spare traffic signals and a standard were available and repairs were made early Sunday morning. However it was necessary to send to Halifax for "walk" and "wait" lights and they are expected to arrive within a week.

Police said last night that in the meantime pedestrians will be required to obey the red and green traffic signals, as was done before the new walk lights were installed.

## Emergency HQ Located In Fed'l Bldg.

Official word was received yesterday from Ottawa by Brig. A. W. Rogers, emergency measures officer for the province, that the basement of the Dominion Building in Charlottetown will be converted into a regional emergency headquarters.

Brig. Rogers said that the building will be an operational centre for elements of the provincial and federal governments "directly involved in survival."

According to Brig. Rogers, tenders will be called for converting the centre and work will probably begin on the project this fall.

It has been estimated that the cost of converting the basement into an emergency headquarters would be at least $1,600,000.

## Car And Truck Are In Collision

Heavy damage resulted from a car-truck collision which occured at about 6:00 o'clock Saturday afternoon, at the intersection of Rochford and Kent Streets.

The accident took place, when a 1956 Ford car, being driven north on Rochford Street, by J. Kevin Madore, King Street, Charlottetown, was struck by a DND International truck moving east on Kent Street, and operated by George E. Waller, Esher Street, City.

Damage to the Ford, which was struck in the right side, is estimated at over $500, while no estimate has been given in connection with the damage to the truck. No injury was sustained by any of the occupants in either vehicle.

## Marilyn Does Swim Scene In The Nude

HOLLYWOOD (AP) — Marilyn Monroe, out to lift a sagging box office, is cavorting in the nude again.

In her current movie, Something's Get to Give, the one-time nude calendar girl decided to give up the usual flesh colored bathing suit for a swimming scene.

Marilyn, 35, told reporters that she decided to do the scene in the nude for artistic reasons only.

But a high studio source at 20th Century-Fox gives a crass commercial reason for the nudity:

"Marilyn has bombed in her last two pictures—Let's Make Love and The Misfits. Publicity especially that nude calendar, made her a star. She's smart enough to use it again to hypo her career."

The scene was shot a few days ago with a crew watching plus several hand-picked photographers to record the scene for dubious posterity.

All were told, jokingly, to hold their hands over their eyes—but it's hard to operate a camera that way.

Marilyn said she was embarrassed in the scene, mostly because she doesn't swim very well.

But she's buoyant enough to float.

## Municipal Visits Will Continue

Municipal Affairs Minister J. David Stewart said that he will continue his visits to provincial communities to familiarize himself with local problems and the administrative affairs of each community.

"My department," he said, "will also examine the financial statements of villages and towns and point out where we can be of assistance in municipal matters."

Already several Island communities have been visited by Mr. Stewart and Claude Smith, director of town planning.

## Ranger Knight Draws Top Spot

YONKERS, N.Y. (AP) — The draw for post position was made Monday for the $117,542 Cane Futurity pace at Yonkers Raceway Thursday night, and the coveted No. 1 pole spot went to Ranger Knight.

Thirteen three - year - old pacers will start in the 1 1-16-mile event, middle jewel in the pacing triple crown. The Cane winner gets $64,668.

The Lehigh Stable's Lehigh Hanover, the probable favorite at 5-2, drew No. 9 position in the second tier behind Ranger Knight.

## Cuba Places Airport Ban

HAVANA (Reuters)—Cubans leaving the island from Havana Airport cannot from now on be accompanied on airport grounds by relatives or friends.

No reason was given for the new government ruling, which makes exceptions only in the cases of young children, invalids and sick persons flying abroad. Their companions must obtain special passes to enter the airport precincts.

Between 250 and 300 passengers were expected to leave Cuba Monday aboard two Pan American and one KLM flights to Miami, Fla. and one KLM flight to Kingston, Jamaica.

Since the majority of passengers have one-way tickets and intend making their homes in the United States, the airport lounge has in the past been a regular scene of weeping and last embraces as relatives say an indefinite farewell before going to the airport terrace to wave the aircraft out of sight.

MATCHED COUPLES

Nearly 70 per cent of all marriages in Canada are between persons of the same religious denomination.

## APPRECIATION

I wish to express my appreciation to the many friends who sent flowers, telegrams, letters and cards to me while I was in hospital. They were a great source of comfort and encouragement to me during the critical period following my operation. May God grant all of you His richest blessing of good health.

Earle MacDonald

## WORK BEGINS ON RHS ADDITION

The new 14-classroom wing of the Montague Regional High School is shown taking form at the south end of the present building. When completed, the school and auditorium will form a "U" shaped unit with the new three-floor wing on the lower slope. On completion the school will contain 36 classrooms with accommodations for approximately 1,000 pupils. Additional buses have been ordered to provide transportation to the ever increasing number of students.

# Impressive Ceremony Opens IODE Sessions

General sessions for the 62nd annual meeting for the IODE Order Daughters of the Empire, National Chapter of Canada, got underway at the Charlottetown Hotel yesterday with over 250 delegates from across the nation in attendance.

The presentation of six reports by national secretaries and conveners occupied the greater part of the morning's agenda, with additional reports scheduled for the afternoon and evening.

SIGNALLED OPENING

The entrance of standard bearers and the national officers signalled the opening of the session. The prayer of the order, silence in honor of deceased members, resolutions of loyalty to the Queen and Governor-General, and approval of the 1961 minutes followed.

A total of 973 chapters, including a membership of 29,401, comprises present national membership for the IODE, it was stated by Mrs. Gordon D. Leggett, national organizing secretary, in her report to the meeting. This indicated a decrease of 865 members over the year 1961-62. Throughout Canada there are nine provincial, 32 municipal, 910 primary, and 22 junior IODE chapters, the report stated.

Mrs. Leggett emphasized the need for members to think and act so that young women would wish to become identified with the order, the importance of present members being well informed, interested and responsive, and with a strong desire to increase and widen the range of the organization.

A VITAL CONCERN

"It is the vital concern of every individual member to publicize the accomplishments of our order, and to endeavor to recruit far-sighted, public-spirited members who believe in the preservation of democracy, and who will be proud to assist our worthy objectives" the report concluded.

Mrs. H.G. Chant, secretary, presented the national executive committee report, giving a summary of all matters dealt with by that body since the previous meeting. Mrs. J. Neil Gordon, treasurer and convener, reported from the national finance committee and treasurer's department with a detailed financial report of receipts and disbursements for the year.

Mrs. Bruce Butler, public relations secretary, noted in her report to the meeting that public relations is an integral part of IODE work, and the "originality and keen interest" shown by the provinces had resulted in varied types of publicity invaluable to the order.

The national hospitality report was given by Mrs. Reginald M. Brophy. Presenting the final report for the morning, Mrs. John E. Hurst, services at home and abroad secretary, reminded the members that through this department the organization upholds the aim of the order to assist those less fortunate than themselves. "By participating in this phase of the order's work we are endeavoring to unite the people of the world by a common bond-unity and compassion for all".

## Minimum Speed Being Considered

A minimum speed limit for provincial highways is under consideration by the government.

Provincial Secretary J. David Stewart, administrator of the Highway Traffic Act, said that if it is decided to impose a minimum limit it will have to be done at the next session of the Legislature.

At the last session, the act was amended to increase the speed limit to a maximum of 60 miles per hour from 50.

## Top Mare Sold For $75,000

LEXINGTON, Ky. (AP)—Airmans Guide, the top U.S. handicap mare last year, has been sold for a reported $75,000.

Hugh A. Grant confirmed that he sold the five-year-old mare to W. Paul Little, the man who had sold her as a yearling to the late Phil Chin. She was taken to Little's farm on the Old Frankfort Pike.

The mare has been out of racing action this year because of ailing legs. She was returned to training last Tuesday.

Airmans Guide has won 13 of 20 starts for career earnings of $315,672, and finished out of the money only three times.

GREATEST ZENITH HEARING AID ADVANCE IN 9 YEARS

LETS YOU HEAR AND UNDERSTAND EVEN IN NOISY SURROUNDINGS!

New Zenith CDR SENTRY with Controlled Dynamic Range:

- Eliminates discomfort and pain caused by sudden loud noises!
- Clarifies the sounds you want to hear and reduces unwanted noise!
- Hear words most other aids miss!

Now you can keep the volume up where you need it . . . without fear of the ear-banging crash caused by sudden loud noises. CDR eliminates "blast" and annoying distortion—increases and amplifies low level sounds while automatically controlling the output of uncomfortable loud noises. With CDR, your Zenith dealer actually customizes the new Sentry to your individual level of hearing comfort. Discover how CDR "sound conditions" the world around you. If it isn't all we say, simply return the aid within 10 days of purchase for full refund.

GET A CDR DEMONSTRATION AT YOUR ZENITH DEALER'S!
