### PROVINCIAL LEGISLATURE.

#### HOUSE OF ASSEMBLY.

TUESDAY, April 9.

Mr. Blake submitted a bill to extend the jurisdiction of the City of Charlottetown to the Charlottetown Trotting Park and Exhibition Company's grounds.

Hon. Mr. Bentley submitted a bill entitled "An Act to incorporate the Kensington Cemetery Company."

Mr. H. L. McDonald submitted a bill to amend the Act to incorporate the minister and trustees of St. Andrew's Church, Cardigan.

Mr. Speaker submitted a letter from the City Council, setting forth their right to a refund of \$100,000 on account of money spent in the repair of streets.

Hon. Mr. Sullivan said that the petition was irregular before the House, and that no action could, therefore, be taken respecting it.

Hon. Mr. Sullivan submitted a bill entitled "An Act to amend the County Courts Amendment Act, 1878." The Act contemplates the abolition of the office of Chief Clerk, and the re-adjustment of the salaries of County Court clerks.

Mr. McLean asked the Commissioner of Public Works if it is the intention of the Government, during the coming summer, to open a road from Pleasant Valley Road to Bona, connecting with the Halket Road.

Hon. Mr. Bentley said the Government have the matter under their favorable consideration.

Mr. McLehan asked the Commissioner of Public Works what action, if any, the Government have taken respecting the bridge being built across Lower Kildare River.

Hon. Mr. Bentley said that tenders had been advertised for and the bridge would, no doubt, be completed.

#### EVENING SESSION.

House in Committee of Supply, Mr. Kelly in the Chair.

On the items of \$400 sessional allowance for the President of the Legislative Council, \$160 each for the members, and \$12 for stationary and postage.

Mr. Farquharson took exception to the payment of so much money to members of the Legislature these hard times. He moved in amendment that the \$400 for the President be struck out, and \$200 substituted; also that the allowance for each member be \$110 instead of \$160.

Mr. Sinclair thought there should be a reduction in the pay of the members of both branches. Such a move was, in his opinion, better than to abolish one of the Houses.

Hon. Mr. Prowse was of opinion that the members do not receive too much remuneration for their services, in fact they receive less than the members of any other Legislature in the Dominion.

Mr. Sutherland thought that the sessional allowance should be reduced, and the sessions shortened by attending more closely to business in the early weeks of the session.

Hon. Mr. Macdonald did not think it in the interests of the country that the members of the Legislature should be underpaid.

Mr. Bell thought it the duty of every member of the House to support the reduction amendment. If the pay were cut down he thought the work of the session would be shortened considerably.

Mr. Shaw did not think the reduction advisable.

Mr. Wise thought there were altogether too many members, and spoke in favor of doing away with the sessional allowance altogether.

Mr. Blake was not in favor of a reduction in members pay. He thought, however, that there was room for a reduction in the number of members, and advised the abolition of the Upper House.

Hon. Mr. Ferguson said he was not disposed to quarrel with the Opposition about the value they place upon their services. The hon. member for Milton (Mr. Wise) thought his own services to the country were worth nothing, and the hon. member for West River (Mr. Farquharson) estimates the value of his at a little over \$100. Probably they had a good idea as to what they were worth. For his own part he thought he was giving good value for the amount he received. He thought the Opposition clamor for reduction all claptrap; that if they thought the resolution would pass they would very soon change their front.

The amendment was then put and lost, and the original resolution carried.

On the items of \$400 sessional allowance to the Speaker of the House of Assembly, and \$160 to each member thereof, with \$12 for postage and stationary.

Mr. Farquharson moved in amendment that the Speaker's allowance be reduced to \$200, and the members' to \$110.

The amendment was put and lost, and the original motion carried.

The chairman reported the estimates agreed to.

The Speaker took the chair.

A bill to amend the Summerside Incorporation Act was read a first time and ordered to be read a second time to-morrow.

A bill to incorporate the Summerside Young Men's Christian Association was read a first time and ordered to be read a second time to-morrow.

House adjourned.

WEDNESDAY, April 10.

The bill to amend the Summerside Incorporation Act was read a second time and committed to a committee of the whole House.

Progress reported.

The bill to amend the County Courts Amendment Act was read a second time, committed to a committee of the whole House, and reported agreed to.

### LETTERS TO THE EDITOR.

#### The New Grit Leader.

SIR,—It would appear from recent events, that Mr. James M. Sutherland, the junior member for New London, has assumed the functions and usurped the prerogatives of the Leader of the Opposition in the House of Assembly. It is noticeable that the Grit party have of late been becoming more than usually demoralized, but no one expected such a rapid descent as this. The Hon. John Yeo, the authorized Leader, is a gentleman of character and standing in the community, one who is respected by all parties, and could not be compared for a moment with the would-be Leader. Mr. Yeo seems to bear the indignity thus offered him with ill-concealed disgust, while the other members of the Opposition appear to be reconciled to the situation—even the wily Farquharson playing second fiddle with more or less suavity to the new chief. Well, if the Opposition is satisfied their opponents ought to have no objection to this sudden drop down in the scale of political morality; and while it is no doubt gratifying to the overweening ambition of the modest James, it is very hard on the party all the same.

#### ELECTOR.

#### Souris Notes.

Reports from North Side and East Point are to the effect that the ice is light. A brisk westerly wind will clear the Gulf. Business generally, last week, was somewhat brisk; but "tanglefoot" is on the decline.

The enterprising firm of McLean, Hertz & Co. have remodelled and enlarged their cash store, making the total length from front to rear 7 1/2 feet. When stocked with spring importations, it will be the largest on the Island, and in appearance and style will compare equal to city stores.

The schr. Harriet Torry has changed owners, and I am informed intends to grace the placid bosom of Cardigan Bay, as of years ago, being the rendezvous of Uncle Sam's fishing fleet.

The persevering and energetic Capt. Simon Cheverie has given his schr. Waterfall a thorough painting. Cabin and fore-castle, painted in artistic taste, looks like life, taste and comfort, and reflects credit on her owner, already awaiting a favorable chance, outward bound for Magdalen Islands.

The veteran schr. E. Hodgson, Capt. Lavie, built of our Island oak, probably the oldest built on the Island, looks trim after being 26 years afloat on the bounding billows.

The season for Souris skating rink is drawing to a close, and was self-sustaining and afforded pleasure and pastime to the fair lassies of our rising town; drawing away the tedium and dull monotony during the cool and bracing blast of winter evenings.

Walking canes are the craze with the young gentlemen in their perambulations on the sidewalk.

Souris, April 8, 1889

#### ALPHA.

#### How the Calloope Escaped.

WORKED HER WAY OUT OF APIA HARBOR AT THE RATE OF HALF A KNOT AN HOUR.

A Sydney, N. S. W., despatch, says: The British man-of-war Calloope, which escaped possible destruction in Apia Bay, during the ravages of the cyclone there on March 15th and 16th, by being able to put to sea, has arrived here. She reports leaving Samoa March 21st, and that the United States man-of-war Nipsic had been floated off the beach, the natives lending material assistance. Before the hurricane burst every precaution had been taken by the commander of the Calloope to render the vessel secure. Five anchors had been dropped, but when the storm was at its height four of the anchor chains snapped, and the vessel began to drift. The captain then determined to leave the reefs and, if possible, reach the open sea. This he eventually succeeded in doing, working his way out at the rate of half a knot an hour. Tremendous seas broke over the vessel, inflicting much damage, but, fortunately, not he was giving good value for the amount he received. He thought the Opposition clamor for reduction all claptrap; that if they thought the resolution would pass they would very soon change their front.

The amendment was then put and lost, and the original resolution carried.

On the items of \$400 sessional allowance to the Speaker of the House of Assembly, and \$160 to each member thereof, with \$12 for postage and stationary.

#### Oil in Canada.

The Halifax Herald says: It will interest Canadians to learn from such an expert authority as Mr. Charles Marvin that Canada has a greater area of oil territory than all the rest of the world put together. The productive region of Western Ontario embraces but a few square miles; that of Russia, on the Caspian Sea, covers 1,600 square miles. But in the Canadian Northwest there is an oil district two thousand miles long and of unknown breadth. In fact the whole valley of the Mackenzie River is an oil field, capable of supplying the whole world with light, and even with fuel, for ages. The southern limit of this field approaches the Saskatchewan, while the northern limit is the Arctic Ocean. Mr. Marvin thinks tank steamers carrying oil will, before many years, sail from the mouth of the Mackenzie and supply the countries on both sides of the Pacific.

### Local and Other Items.

AT BANGOR NOW.—The Wizard Oil Company are now playing to crowded houses at Bangor, Me.

I. O. O. F.—Portia Joie Encampment holds its regular monthly session at 8 o'clock this evening. The R. P. D. will be conferred.

MONCTON CIVIC POLITICS.—The partial election in Moncton on Friday last resulted in the return of Mr. Day by a majority of 11.

PREACHING.—Rev. Jas. Carruthers will preach at St. Peter's Road on Sabbath first, the 14th inst., at 3 o'clock in the afternoon.

To restore, thicken and give you a luxuriant growth of hair, to keep its color natural, as in youth, and to remove dandruff, use only Hall's Hair Renewer.

IMPORTANT.—On and after Friday, the 19th inst., holders of tickets for the Lawn Tennis Club entertainment may select their seats from a plan of the Hall placed at Reddin's Drug Store.

OBITUARY.—Mr. Benjamin Williams, formerly of this city, and at one time Captain of the Dredge Prince Edward, died at his residence, New Glasgow, at half-past five this morning, after a few weeks illness.

STEAMER'S MOVEMENTS.—The Princess of Wales left for Pictou at five o'clock this morning, taking the mails.

The Stanley will leave here for Summerside to-morrow morning, thence to Pictou.

In purchasing medicines, don't try experiments; the first and only consideration should be genuineness. Ayer's Sarsaparilla has stood the test of forty years, and to-day it is in greater demand than ever—a triumphant proof of popular approval.

SEE LOST ON ICE.—At Kingston, Ont., on Friday last, Eliza Jane Pugh recovered \$750 and costs from Geo. McGowan, a sixty-year-old wooer, who won her heart and then rejected her. Before going into court Eliza was offered \$1,000, but she wanted \$2,000.

"Ayer's Hair Vigor is a most excellent preparation for the hair. I speak of it from experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is a sure cure for dandruff.—J. W. Bowen, editor Enquirer, McArthur, Ohio.

DIED FROM GRIEF.—Mrs. Wall, the wife of a butcher at St. John's, N.B., committed suicide by drowning herself lately. Diptheria gained entrance to their abode and carried off two of the little inmates. The poor mother, half-crazed by the misfortune, determined on taking her own life.

PANORAMA.—The panorama of Cruikshank's Bottle, and the wonderful story of the Latimer family, will be exhibited by Mr. G. M. Harris, under the auspices of the Sons of Temperance, in McLeod's Hall, on Monday evening next. The sketches (eight in number) are the work of the late George W. Millner. Look out for advertisement.

RAPID TRANSIT.—At half-past seven this morning a well-known character wended his way down Queen street, and when the Court House clock was striking the hour of eight he, in a most undecided way, was retracing his steps, having, in the brief space of less than half an hour, become gloriously drunk. In a Scott Act town like ours a little of the ardent goes a long way, and makes quick work.

DESERTED HIS FAMILY.—Says the Fredericton Observer: The people of Nashwan are excited over the sudden disappearance of a middle-aged farmer belonging to Durham, who pocketed about \$30 of his son's money, deserted his wife and family and eloped with a neighbor's wife, the latter leaving her husband to do the best he can with four or five small children. The two were last seen boarding the train at Fredericton, and it is supposed that they are now at Calais, Maine.

HE WAS GOOD STUFF.—A little 5-year-old son of Mr. B. Toombs (formerly of Charlottetown), was put on a horse's back on Highfield street this morning, for a ride, being accompanied by a man on foot. After going a short distance a vicious dog ran out, biting the horse severely on the leg and causing him to run away. The horse ran to Mr. Toombs' shop on Main street, a distance of nearly a mile, the little fellow hanging on all the way and escaping unhurt.—Moncton Times.

FIRE LAST NIGHT.—Last night at about ten o'clock, the mills at Hunter River which had just been fitted up for an oatmeal mill, were completely destroyed by fire. All the rolled meal that had been made was in the mill. The building was owned by James Patterson and was insured. There was no insurance on the new machinery, grain and meal. The millwright, Mr. Henry Chandler, lost his box of valuable tools. It is to be regretted that an enterprise such as this should be nipped in the bud so unexpectedly, but we trust the Milling Co. will be able to see their way clear to resume operations at an early date.

MATRIMONIAL.—The following, which we clip from a Chicago paper, will be read with interest. The young lady referred to is a daughter of Mr. John Murphy, farmer, Royalty, and is well and favorably known in Charlottetown.—The marriage of Mr. B. B. Longenecker, brother of State's Attorney Longenecker, and Miss Louise Murphy, at the residence of Mrs. Mary Kenyon, No. 3017 Cottage Grove Avenue, Wednesday evening, was a very pleasant social event. The bride wore a gold silk plush gown trimmed in white satin, and was the recipient of many handsome presents. The groom is connected with the grain department of the offices of the State Board of Railroad and Warehouse Commissioners, and is well-known in political circles. The following were among the guests who witnessed the ceremony: State's Attorney and Mrs. Longenecker, Miss Longenecker, Mr. and Mrs. J. Kelly, Mr. and Mrs. Frank Veerling, Mr. and Mrs. George Howinson and family, Assistant State's Attorney C. G. Neely, Mrs. Bowles and Miss Bowles, Mr. and Mrs. George Cheney, Mr. N. B. Irwin and Mrs. George Wade.

Although the right of property in man has ceased to exist, we often find the practical joker selling his acquaintances.—Boston Courier.
