### Alberton Blasts S'side Aces 17-5

The Alberton Regals handed out a severe 17-5 drubbing to the Summerside Aces in a spectacular cleanly played exhibition game in the Alberton rink Tuesday night.

Lloyd Gaudet the home team's star forward, led his team to victory chalking up a total of six markers. The Alberton squad built up a 3-0 lead in the opener, advanced the score to 9-2 in the middle frame and peppered the visitors in the final session to bag eight additional tallies. The Aces goals were earned by Balton and White in the second period and Harris, Cutcliffe and Arsenault in the last frame.

Goal tenders on both teams put up fine games with Arsenault in Summerside's net getting twice as many shots to handle as Hardy in the Regals cage. Scoring for the Regals besides Gaudet were W. Stewart with 4, G. Bernard with the hat trick and E. Atkinson and MacGregor with a pair each.

The only penalty handed out by referees R. Profit and N. Kennedy was to MacGregor.

**Lineups:**  
Summerside Aces: goal, D. Arsenault; defense, R. MacArthur, G. Grady, D. Arsenault; forwards, G. White, P. Pope, G. Cutcliffe, E. Dalton, V. Harris, M. Delaney.  
Alberton Regals: goal-P. Hardy; defense -W. Hardy, McRae; forwards-L. Gaudet, E. Atkinson, C. Richard, E. Millman, LeClair, B. MacDonald, MacGregor, G. Bernard, W. Stewart.

### Windsor Maple Leafs Finish Season With Money To Spare

By GERRY MARTIN  
Canadian Press Staff Writer  
WINDSOR, N.S. (CP)—The Windsor hockey club didn't own a sweater, hockey stick or roll of tape when Harry Hatchard took it over in 1947.

But this season the Maple Leafs will probably be the only club in Nova Scotia to finish with money in the bank, despite high player salaries, an unstable league and low attendance.

The Leafs played this season in the Nova Scotia Senior League before the smallest crowds in nine years.

"But never again," says Harry.

### Cincinnati Fashions

Radically new in design, the Cincinnati Reds will wear these uniforms this season. Ted Kluszewski (left) models the sleeveless home suit, while Roy McMillan wears the road outfit, which features a helmet-cap, at Tampa, Fla., training camp.

### Gump Deflects Sloan's Shot

The puck lands beside net of New York Rangers' Lorne Worsley after he deflected a shot from Tod Sloan (left) of Toronto Maple Leafs during a National Hockey League game in Toronto. Rangers Harry Howell (3) checks Toronto's Dick Duff. New York lost 5-2.

#### Kings County Impressive Against S'side Juveniles

The juveniles from Kings County put on an impressive display of hockey against Summerside Monday night. The All Stars are made up of 5 boys from Souris, 5 boys from Montague, and 5 boys from Georgetown. The collection has been molded into an aggregation featuring a lot of teamwork. More often than not they were breaking over the Summerside line three abreast.

Ancient from Montague is a big rangy chap who skates beautifully, and is hard to stop if you let him get steam up. Acorn plays it cleanly but aggressively, and will trade anything from a stiffy body check to a right hook with anyone similarly inclined. The youngster Peardon is a razzle dazzle boy and enjoys doing solo dashes in any direction. He'd be a handy man to rag the puck when his team was short-handed.

Bobby Phillips has taken over the "trigger man" job for Summerside. He scored eight goals against the Kings County team. We thought Red MacLean's style was a bit cramped by the poor condition of the ice at Civic Stadium on Monday night. The puck kept doing a rock and roll, and it was difficult for Red to do his usual sleight of stick work. Ulric Gallant who does more "humpty-dumpties" than a circus tumbler during hockey matches, still manages to play an amazing amount of gilled hockey while the blades are under him. He figured in six of the

### Unique Teletype Bowling Tourney This Weekend

OTTAWA, March 13 — Ottawa will be the headquarters this weekend for Canada's most novel bowling tournament, comprising 77 teams and 462 bowlers, all employees of the Canadian National Telegraphs.

When the fifth annual trans-Canada Teletype bowling tournament gets underway at 3:00 p.m. EST Saturday on local alleys with 24 of the teams — from Montreal, — in action, teams at Halifax, Edmonton, Gander and St. John's Nfld., Winnipeg, Vancouver, London, Calgary, Regina, Moncton, Victoria, Prince Rupert, Port Arthur and Fort William will simultaneously join the competition, joined by teletype machines.

Throughout the competition, all scores are flashed along the teletype network so that each city knows how its representatives are faring. Ottawa is the control center and final authority for declaring the winning teams.

With 24 teams competing, Toronto has the strongest force. Winnipeg has seven teams, Montreal has six and Ottawa five, while other cities have between one and four teams each. At stake are the trans-Canada Teletype Bowling Trophy and the Mrs. J. R. White Trophy.

### Russia To Send 400 Athletes To Olympic Games

DARWIN, Australia (Reuters)—Russia will send 400 athletes to the Olympic games in Melbourne this year, three Soviet Olympic officials said Tuesday when they arrived here on their way to Melbourne.

Since the 1952 games in Helsinki, Russian athletes have been training two to four hours daily and they hope to do better than in Finland, Pesliak added.

### CONSIDER NEW LOOP

"What can you expect with the league folding up every other day, and rumors of a fold on the off days. Next year we'll try to reorganize the Valley Senior loop with Kentville, Wolfville, Acadia University and Windsor."

"That's the secret, if it can be called such. Our fans want to follow the teams and they want to see the local boys get a chance. We had eight locals on the team this year but the fans couldn't travel to Bridgewater, Truro or New Glasgow, so they lost interest."

Old-time followers of the club say the only reason that the Maple Leafs will have a profit this year is because of the sharp management of 41-year-old Harry.

Until this year the club had a unique financial arrangement with the players. Few salaries were paid. The players worked on a share basis, meeting and voting the various shares themselves.

"The Nova Scotia senior loop is a high-salaried proposition. We certainly won't try it again," Hatchard says.

## Duke Snider Says Dodgers Won't Be Complacent Team

By JACK HAND

MIAMI (AP)—Duke Snider scoffs at those who think complacency will be Brooklyn's chief contender in the National League race this season.

"How can anybody expect this club to be complacent?" he asked. "We're still a bunch of hungry fellows. It took us a long time to get that winning share of a World Series and we won't be satisfied with one helping."

"We can remember very well what happened to us in 1954 when the Giants beat us in the National League race. And don't think we have forgotten 1951 and Bobby Thomson's home run."

"I'm still hungry. That extra money comes in handy, especially with three children and all the responsibilities that go with them."

The Duke's "hunger" is strictly mental for he is in the \$42,000 bracket, on a par with Roy Campanella, the Dodger catcher who was voted the most valuable player in the league.

"We can't expect to get off as fast as we did last year," he said. "It would be great if we could but you certainly can't count on it. But we should get away to a good start. It all depends on our pitching."

Jack Delaney of Bridgeport, Conn., punched the veteran at will before the fight was stopped in the fourth round. McTigue had held the world crown three years, losing it to Paul Berlenbach the year before the fight with Delaney.

## Only Two Places Settled

# Scramble For 2nd And 4th NHL Playoff Spots

By W. R. WHEATLEY  
Canadian Press Staff Writer

MONTREAL (CP)—The man with the most pencils can make more headway settling final placements in the National Hockey League scramble than the players themselves.

Half of the players won't know until around 10:30 p.m. Sunday last date of the schedule—where they're going next. The other half won't know until then whether to head for some place or other for the Stanley Cup big-money series or go home.

Only two places are settled. Montreal Canadiens are already the NHL champs. Chicago Black Hawks are buried in the cellar. With the other teams it's all turmoil.

Detroit Red Wings and New York Rangers are slugging it out for second place: Boston Bruins and Toronto Maple Leafs for fourth.

**LAST CHANCE FOR GRAVY**

The team finishing fourth catches the last car on the Stanley Cup gravy train. Players on the second place team get 150 more each than those on the third-place finisher and also open on home ice in one of the cup semifinals—against the fourth-place team.

Statistically, here's the second-place situation, including game 7 to play:

	W	L	T	F	A	Pts	Gp
Detroit	30	23	15	181	144	75	2
N. Y.	32	26	9	199	191	73	3

The fourth-place situation looks like this:

	W	L	T	F	A	Pts	Gp
Boston	23	33	13	145	182	52	1
Toronto	23	33	12	150	180	58	2

Remaining games:  
Thursday: Chicago at Montreal; Detroit at New York.

## Podres Ordered To Report For Military Service Monday

NEW YORK (AP)—Johnny Podres, Brooklyn Dodger World Series hero, was ordered Wednesday to report for military service next Monday, scarcely 24 hours after Ted Williams criticized draft boards for bearing down on sports heroes.

In Albany, Col. William H. Boughton, New York State Selective Service director, declared "as far as I know Podres was processed in accordance with selective service regulations and law."

Podres had been ordered by his draft board in upstate Ticonderoga to report March 15, but he obtained a transfer to a New York City board and it was generally expected he would be given up to 50 days of grace. The New York board, however, acted promptly. Podres was ordered to report Monday in New York at 7:30 a.m.

In Sarasota, Fla., Tuesday Williams said Podres was called up by the draft board "for no other reason than he got famous by beating the Yankees in the World Series."
