Holloway's Ointment—Wounds, Scalds, Burns, and Irritating sores.—The peculiarly mild, soothing, anti-inflammatory power exerted by this Ointment strongly recommends its use to all persons who have charge of children. Accidents will occur in the nursery in spite of the greatest caution and utmost vigilance. The scratch, the burn or the scald, treated early with this Ointment, assumes no angry aspect, and never long tortures the little sufferer, whose very cry excites each bystanders compassion and pierces the parent's heart. Every nurse should consider this Ointment an essential to a well-appointed nursery.
