A **Pizza Party** was the prize donated by Food Services for the floor or section who had the most students (per capita) donate blood at the recent **Red Cross Donor Clinic**. Thirty-six (36) resident students turned out to donate but the first floor of Bernardine Hall won the prize. They had 21% of their students at the clinic so ... it's Pizza Time folks!!! Oh, by the way Bernardine Hall had 16, Blanchard Hall had 16 and Marion Hall had 4 students turn out for a total of 36 resident students at the clinic.

On Wednesday, September 25th, Marion Hall held its first **House Party** of the year. The Hippy Jocks grabbed their guitars and entertained the crowd for about an hour then DJ Fuzzy took over. The House Committee made about \$70.00 after everything was said and done while everyone else enjoyed a great time.

There was a **softball tournament** held at UPEI on Saturday, September 28th and 12 Marion Hallers with 5 Bernardine Hallers answered the challenge. They beat the team from the Barn by a score of 7 to 6, but

they lost to the team from the AVC, 6 to 5. Good try team!

Various Residence Staff and A House Committee Executives spent Saturday, September 28th and will spend this Saturday, October 5th learning the fine art of First Aid and CPR from the Canadian Red Cross. The rest of the Residence Staff will be taking a refresher course in the very near future so we will be certified (for First Aid and CPR!) and you will be well taken care of. (We hope!)
